<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>My interest in ethics as it pertains to local government began in college. I went to a small local private university with strong ties to social and community services. My first weekend in college I volunteered at a local nonprofit. It was very rewarding. As I continued to expand my volunteer work, I quickly understood the importance of</p>

community involvement. Then, I decided to attend St. Mary's Law School and pursue a career in the non-profit sector. At RAICES, I provide free legal services for the underserved community. I have also coordinated impact litigation, worked on complaints to the Office for Civil Rights and Civil Liberties to Homeland Security, and submitted several comments to government proposals to amend regulations related to the treatment and detention of noncitizens. Through my work I have learned the importance of ensuring our governing bodies act with moral principle. As a mother of two school age children enrolled in public schooling I see the value of ethical community engagement.
