Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	<p>This is for a reappointment for Port SA but my reason is to help my community and those that live in the area. The votes we do at the Port will directly effect those that live around the Port. Since I also live next to it the vote will effect my family and I as well. I want to make sure our community families has the same oppertunity as anyone outside of the area to find jobs or get any education benefits that the Port may offer. As far as the river committee, I was directly involved with San Pedro Creek for 6yrs, I was on the design team for the other 2 creeks as well. When designing those creeks I wish we could have been able to do more to</p>

	relate the creeks to the community hertiage of the west side. I think my knowledge from designing the creeks could benefit future creekways.
