| Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:                                | I have a lifelong love of this city, its culture, food, and history. Im proud to call it home. When I retired from National Electrical Manufacturers Association, we agreed as a family to leave Northern Virginia and returned to San Antonio. And now that Im back, Im driven to give back to this community. I have thirty years of experience as a quality engineer, manufacturing engineer and electrical engineer. As an engineer, I understand the need to provide a quality product and service at a competitive price. I understand complex systems, I know how to organize, I know how to communicate and coordinate, and I know how to execute. I believe my experiences will help make a difference for District 10. I was responsible for providing leadership, vision, and coordination of the U.S. electrical industrys national and international conformity assessment activities to standardize product safety |
