<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>I love our city - each one of us has the ability to use our gifts to make collective positive impact. It's an honor to serve in a capacity where you can do so. During my work at SAISD, I worked within the Westside TIRZ neighborhoods and felt its needs and potential firsthand. I am also a devoted advocate of the arts and do all I can to create more awareness and support for our local art</p>

	<p>organizations and artists. It would be an honor to continue to serve on these commissions.</p>
<p>Please provide a brief narrative stating the perspective you represent as a community or private stakeholder in this project. Examples include: <ul style="list-style-type: none"> • Developer Representative - including the developer, a family member, agent or employee of the developer, and a family member or an agent or employee of the developer. • Neighborhood Association Representative - include name of association and any office you hold. • Owner of Real Property within the TIRZ boundary - not including Developer Representative described earlier. • At-Large Business or Civic Representative - not including Developer Representative described earlier. </p>	<p>I serve as Vice President of Cultural Placemaking at Centro San Antonio. I do not have any direct financial benefit, but our mission is to keep downtown clean, safe and beautiful and we all take this quite seriously. I feel my background on arts boards and my current work in supporting the arts via our Art Everywhere Project qualifies me as an Arts Commissioner, as I work directly with artists and the business community to strengthen connection and awareness and enhance our commitment to our culture. My background as an urban planner and my work with the west side community during my tenure at SAISD provides me with a unique understanding of urban development projects and a useful perspective in serving as a Westside TIRZ Board member.</p>
