Describe your Professional History & Certification designations (Current and historical).	I current own my own leadership coaching business where I work with clients to unlock transformational breakthroughs in their lives, leadership, and organizations. Prior to this role, I spent 15 years working with the national education nonprofit, Teach For America. I served as the Founding Regional Executive Director of the Teach For America branch in San Antonio (2010-2018) before moving into the senior position of Chief People Officer for the national organization (2019-2022). Teams/Departments supervised while in these roles included: development/fundraising, program management, community partnerships and engagement, finance and operations, and human resources (including talent strategy, people operations, org-wide communication, compensation/benefits/total rewards, HR information systems/data infrastructure, employee relations). Prior to these executive roles, I was a high school English teacher in a small, rural town in the Rio Grande Valley.
Describe your Volunteer Experience & Community Service	I have served on the board of the San Antonio Greater Chamber of Commerce and currently serve on the board of the San Antonio Report.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	Over the last few years, I have spent more and more time in our city's park spaces. My children and I explore different areas where they can play/exercise, and I often do some of my best work for my business in park spaces as well (e.g., holding client meetings in natural spaces where we can draw inspiration from the environment). I am particularly

	<p>interested in the cultivation of, preservation of, and sustainability of these spaces as our city and its citizens face rising temperature that may create unique challenges in the accessibility and design of recreational spaces. I travel for my work, and I've also had the chance to explore parks and recreational spaces in other cities as a way of expanding my sense of possibility. I believe that my professional experiences in education, executive management, and leadership development could complement the strengths of others on the board. I love San Antonio, and this board seems like such a meaningful way to further contribute to our city reaching its fullest potential. Thank you for your consideration.</p>
