Chapter 16, Article XXII

Sec. 16-1111

The director is authorized to suspend or revoke a short term rental permit issued under the provisions of this chapter wherever the permit is issued in error, or on the basis of incorrect information supplied, or where it is determined that the building, structure, unit, or portion thereof is in violation of any ordinance or regulation or any of the provisions of this article. In addition, if any violations have been committed and not corrected within the time specified, the director shall begin the procedures to revoke the short term rental permit in accordance with the following:

- (a) The director shall give written notice to the owner/operator regarding the revocation.*
- (b) If a short term rental permit is revoked, the owner/operator may not reapply for the same property for a period of twelve (12) months.*

Executive Summary

The applicant obtained a Hotel Occupancy Tax account number and began operating without a Short Term Rental permit on December 2021. The subject property initially applied for a Short Term Rental (STR) permit on January 7, 2022. After review of the application, the permit to operate a Short Term Rental was approved by staff and issued on January 11, 2022.

STR operators are required to report revenues to the City's Finance Department on a monthly basis, this includes reporting \$0 revenues. Section 16-1110(d) clearly stipulates that failure to do so constitutes a violation of the chapter.

The City's Finance Department, who manage reporting and collections services for the City of San Antonio, notified the owner of the STR, via email, on March 6, 2023.

Section 16-1110(d) states that failure to timely report and pay Hotel Occupancy Tax within 90 days "shall result in permit revocation." No payment was made within the 90 days, therefore the permit was revoked on June 23, 2023 in accordance with Sec. 16-1111 of the City's Code of Ordinances.

Estimated Hotel Occupancy Tax (HOT) Due

The City of San Antonio contracts with a third-party vendor that gathers online booking and rate data and reports that information to the City. Based upon this information, the City's Finance Department states no revenue reports have been made from December 2021 to May 2023. In July 2023, after revocation, the operator paid the Hotel Occupancy Tax for June 2023 in the amount of \$245.88. The City's Finance department estimates that \$32,948.00 is owed in Hotel Occupancy Tax for December 2021 to May 2023.

Staff Recommendation

Staff recommends Denial of the applicant's request for an appeal of the Administrator's decision to revoke the Short Term Rental permit, based on the following findings of fact:

- 1) The ordinance requires that staff revoke the permit for the violation described in this report; and
- 2) The owner/operator of the Short-Term Rental permit violated the Short Term Rental ordinance by failing to timely report revenues and pay the associated Hotel Occupancy Tax payments; and
- 3) The owner/operator failed to comply with the ordinance, even after attempts were made to inform the applicants on March 6, 2023, by City staff.
