<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>I was appointed to the Affirmative Action Advisory Committee on 2021. I have networked with those other Committee members in attendance during scheduled meeting times, to share information and take the information forward into our own communities. During most of the scheduled meeting times, there is no quorum. I have continued to show up, actively listen to City staff presentations and report to Councilwoman Phyllis Viagran during the few meetings when there has been a quorum and the many when there has not. Recently, two other Councilmembers appointed representatives for current terms, which gives us hope that the Committee will be more dynamic and be able to contribute more in support of the City of San Antonio Mission through Human Resources. If it is the will of Councilwoman Phyllis Viagran, I am willing to commit to continue to represent District 3 and contribute in such capacity.</p>
