Describe your Educational history.	Graduated from University of Texas at San Antonio with a BS in Biology
Describe your Professional History & Certification designations (Current and historical).	After college started working in general practice veterinary medicine. Started as a kennel technician and worked my way up to lead veterinary technician within a 3 year period. Transferred to military medical research with the Naval Medical Research Unit as a research veterinary technician. Gathered more advanced surgical and anesthesia experience. I also worked on the weekends at MissionVet Specialist and Emergency Hospital as a emergency and critical care veterinary technician. In 2018 I moved to Austin and I worked as an overnight emergency and critical care technician. I was quickly made a lead for the overnight team. I moved back to San Antonio and took over management of the emergency and critical care team for MissioinVet. My current position is military research with the Air Force Research Laboratory as a program management lead for the veterinary team. I am a certified phlebotomist. I am currently studying for my PMP
Describe your Volunteer Experience & Community Service	I have participated in a handful of volunteer opportunities through the military to include cleaning up parks, breast cancer awareness events, and coordinating Salvation Army angel tree donations. I have also volunteered at the San Antonio Battered Woman's Shelter.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I posses a diverse veterinary background and have experienced first hand the weight the veterinary professionals carry every day. This profession is over worked, under paid, and drastically losing people. I am passionate about finding solutions to solve these problems. I have held multiple leadership positions during my tenure in this field. With this experience comes with creative problem solving and critical thinking skills that could help strengthen this committee to bring change for the better of the veterinary professionals, the community they service, and the animal lives they take care of.
