<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>The City of San Antonio is unique in that it operates very successfully with the public's participation at virtually all levels. The public forum format has allowed me to participate with others and impact areas that I believe strongly in: quality of life as it relates to place, neighborhoods, design, and preservation. I lived in my Crockett Street house part time for over 6 years while renovating it and became a full-time, voting resident in the fall of 2018. After over a decade of getting to know my own neighborhood and becoming reacquainted with the City that I left 35 years ago, I would like to continue my public participation to benefit our District 2 and the City at-large as it relates to historic and neighborhood preservation.</p>
