Please provide a brief summary of your expertise and/or perspectives.	I was hired at Centro in 2020 to lead their new economic development arm and support downtown businesses. In the pandemic, we distributed PPE when it was hard to find, administered grants,

	<p>and connected our downtown small businesses to resources. Much of this was done in partnership with the city's economic development department. Since then, I led the development of several programs including pop-up shops as a retail incubator, storefront resiliency grants, a web presence educational series in partnership with Geekdom, and led outreach efforts connecting downtown businesses to various grant opportunities totaling over \$4M to businesses in the public improvement district. I also serve on the San Antonio Hispanic Chamber of Commerce helping small Hispanic-owned businesses.</p>
<p>Please provide a description of your professional, educational and community/volunteer experience.</p>	<p>As mentioned above, I serve on the Commercial Real Estate Women Board of Directors where we advance women in commercial real estate through education, resources, scholarships, networking, and other opportunities. I also serve on the Hispanic Chamber Board of Directors as the Small Business and Economic Development Co-Chair where we successfully advocated to double the funds for the loan interest buydown program in the City's FY23 budget. In addition to my additional board service listed above, I'm active in the local chapter of the Urban Land Institute (ULI).</p>
<p>Please share your interest and commitment to racial and economic justice and other social equity issues.</p>	<p>Through my volunteer board service, I dedicate my free time to advancing women in commercial real estate (which remains a male-dominated industry), advancing Hispanic-owned businesses, and I serve as chair of a single-family homebuilder nonprofit targeting families earning 80-100 AMI. Additionally, Centro's first holiday pop-up retail program in 2022 featured all female makers. I am personally dedicated to these causes focused on racial, gender, and economic inequality and spend my spare time on these issues.</p>
<p>Please explain why you would like to serve on this committee.</p>	<p>As San Antonio recovers from the pandemic, small businesses continue to face struggles in hiring, paying down</p>

	loans they took out during the pandemic, construction-related disruptions, and a high-interest environment. I'd like to serve on this committee to contribute to effective policy and program development to support our small business community as the backbone of our city.
What potential barrier(s) may affect your participation in this committee?
