Describe your Educational history.	B.S. in Environmental Science from Davidson College in Davidson, NC. M.S. in Soil and Water Science from University of Florida in Gainesville, FL.
Describe your Professional History & Certification designations (Current and historical).	I have been an Environmental Consultant for 9 years. In that time I have received my masters and become a certified Professional Geoscientist (P.G.). I help clients within the oil and gas, waste, industrial, commercial, and municipal industries with compliance, permitting, due

	<p>diligence, and remediation. I specialize in stormwater and I am a Certified Professional in Erosion and Sediment Control (CPESC).</p>
<p>Describe your Volunteer Experience & Community Service</p>	<p>I have participated in multiple river cleanup volunteer opportunities. Both here within the City of San Antonio and within the City of New Braunfels, I have picked up trash and litter along creeks and streams to help keep our waterways clean.</p>
<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>I am a technical expert in the field of stormwater with experience in writing and reviewing industrial and commercial stormwater pollution prevention plans (SWP3s). I have also designed best management practices (BMPs) used to keep sediment and floatables out of our waterways. Moreover, I am an involved resident of D1 and live along the drainage channel on Barbara Drive, so I am familiar with our city's drainage issues and the power of stormwater. I would love an opportunity to positively impact the way in which we deal with our city's runoff. The City of San Antonio is built around our water resources and I have a passion for keeping them clean.</p>

APPLICATION SIGN-OFF	
<p>As a board, commission, or committee member, you will be asked to adhere to: Code of Ordinances, City of San Antonio, Part II, Chapter 2, Article IX, Sec.2-534.
