Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	Literacy has always been a passion of mine. I spent a majority of my childhood on the westside of San Antonio, went to high school downtown and college at the 1604 UTSA campus. The disparity between neighborhoods throughout San Antonio is concerning. I taught on the westside of San Antonio for 8 years and saw the lack of resources, literacy, and role models among other things. The Library system plays a crucial role in supporting areas that may not have easy access to technology, information, job training and language classes. I would like to continue to serve on the library board to support the goals of the library system that play an important role in growing literacy and providing much needed access to resources for all of San Antonio.
