Serving on the Board of Trustees for the San Antonio Public Library has given me an opportunity to learn more about the public library arena and all that goes into the procedures and policies that make for a successful library system to a large city and surrounding areas. I feel that my extensive course work and work experiences has given me a unique prospective that I bring to the Board for the San Antonio Public Library. I have learned so many things about the governance of public libraries, which is unique to any other library setting when having to deal with a huge City budget and the advocacy needed so that public libraries receive fair and needed funding for facilities, services, and physical and online materials. It has been my pleasure and honor to serve on this Board and I hope you will allow me to continue this work to continue to keep public libraries well funded to continue the outstanding work our libraries perform for all citizens of our city and surrounding areas who share in the libraries" resources.</p>
