<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>I take great pride in being a 10th-generation San Antonian, and to have been born and raised on the Southside of San Antonio, where my family still lives today. I share this because to be a Mexican American from San Antonio, especially on the Southside, is to know of the significant role that Kelly Air Force Base played in our community. It provided good-paying jobs, educational opportunities, and a path to upward economic mobility for thousands of Mexican-Americans and their families, which were otherwise lacking across the city. What's so exciting is that this legacy of economic and social impact is living on through the next iteration of Kelly Field, at Port San Antonio. Port SA is a key driver of the regional economy, supporting thousands of jobs and generating billions in economic activity each year. Through its wide, forward-looking reach, it is also helping to improve access to education, training, transit/mobility, entertainment, and other opportunities for community-building and community investment. For these reasons, I would be honored to be among the passionate and dedicated individuals on the Board of Directors, who are crafting the future of Port San Antonio and ensuring that this historic place continues to positively impact the trajectory of people's lives, citywide and throughout the region. Throughout my life, I have been committed to contributing and investing in the city that has given so much to me and my family, and I look forward to the opportunity to share my professional and community-based experience, relationships, and ideas with the Board and Port San Antonio team.</p>
