Describe your Volunteer Experience & Community Service	-Eagle Scout - Boy Scouts of America Troop 303: Becoming an Eagle Scout was a major accomplishment for me, and taught me a great many things about both volunteering and serving the community. Along with gaining valuable experience via aiding others in their Eagle Scout Projects - a major community service project which must benefit an organization other than the BSA - I completed my own Eagle Project. This consisted of building a lost-and-found cabinet for Glorietta Elementary, the elementary school I went to. That was one of the most gratifying experiences of my life and something that showed me I can do most anything I put my mind to.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I have a great passion for public service and helping others. I wish to make positive changes in the local community and serve my fellow San Antonians in the best ways possible. Helping others has been a life goal of mine for many years, and I can't imagine a better way to do so than participation and service in local politics.
