Re: Molina Healthcare of Texas, Inc Program – Mobile Integrated Healthcare Program

Dear Chief Estrada,

We are pleased to announce that effective October 1, 2023, through September 30, 2024 the San Antonio Fire Department (SAFD) Mobile Integrated Healthcare (MIH) Program has been presented with operational funding up to the amount of \$590,000. STRAC will receive funding per completed visit from Molina Healthcare of Texas, Inc. The goal of the program is to have SAPD Personnel help improve the health, comfort, and well-being of the enrolled Members by providing skilled patient care in the home setting, educating the patient, family, and caregivers, coordinating with the Member's assigned primary care physicians.

STRAC will be responsible for the management of the funding received through this program and will be paid on a monthly, per patient, per visit basis based on the geographical location of the patient. STRAC MIH Consortium will account for all funds being disbursed and will be providing reimbursement to the San Antonio Fire Department (SAFD) for MIH program costs.

All procurement activities associated with this program shall follow STRAC accounting guidelines and generally accepted accounting principles for the purchase of services without exception. It is critical that all procurement provisions be completely followed. When in doubt, please contact STRAC for proper guidance. The STRAC must report all expenditures by the end of the fiscal year. Partners should ensure that costs claimed under this program are eligible and reasonable.

If you have any questions about this funding, eligible expenses, or the reporting process, please contact Mrs. Amy Flores at (210) 233-5834 or email at accounting@strac.org.

Sincerely,

Eric Epley
Executive Director
