<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>It is an honor serving as District's 1 representative and now I am reapplying for my second term on the board. My previous experience has allowed me to be more vocal on delivering the issues our students face, in addition to creating solutions by inviting more partners to the table. With my first term we had very invigorating conversations that were left undone. And now having figured out new ways to collaborate, I feel much more prepared to continue serving with a clearer goal of accomplishing more funding to help support our student. Therefore, I hope to continue serving our community and look forward to all our possibilities working together. Thank you so much for your consideration once again</p>
