<p>Describe your Professional History & Certification designations (Current and historical).</p>	<p>Please defer to my resume.</p>
<p>Describe your Volunteer Experience & Community Service</p>	<p>I currently serve on the Resurrection Baptist Church Health and Wellness Ministry. The ministry provides services such as clinical support to church attendees during service while promoting health and</p>

wellness activities after church. The ministry coordinates blood pressure checks, blood drives, etc., to name a few. In addition, I volunteered and helped provide onsite education to local churches, barbershops, and beauty salons in the Hampton Roads area, primarily in neighborhoods with high prevalence rates of diabetes and high blood pressure. The education focused on healthy eating, cardiovascular disease, and the importance of exercise. Currently, I am serving as a volunteer intern in the Bexar County District Attorney's Office, Civil Rights Division. Most importantly, I served over 27 years of active military service in the United States Army. While serving in a volunteer Army, I have a broad range of experience in administrative, project management, clinical practice, etc.

Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:

My name is Dr. Gwendolyn Cherese Godlock, DNP, a retired Army Nurse Corps Officer, serving over 27 years of active military service. I want to participate in city and county-level activities that will positively impact the lives of

	<p>both women and veterans. According to the 2022 United States Census Bureau, 50.4 of Bear County are females. In addition, as of 2021, the bureau cites Texas as one of three states with the highest population of veterans living in the state. That said, enhancing and developing opportunities to help advance both populations is my passion, especially since I am counted in both categories.</p>
