ALTERNATIVES:

Current Zoning: “O-2” High Rise Office districts provide for the establishment of low to high-rise office buildings. Examples of permitted uses include offices, parks, and schools. Other uses listed as “permitted” in the UDC Nonresidential Use Matrix are only allowed as accessory uses to a primary and principal office use. A minimum 65 foot buffer zoned NC, C-1 or O-1 shall be provided when abutting residential uses or zoning. Outdoor display or sale of merchandise is prohibited. Small and medium office uses, banks, worship facilities, public and private school, employment agency, library, medical clinic, optician, interior decorator studio. Maximum building size is 10,000 square feet for individual buildings. Outdoor display or sale of merchandise is prohibited.

“O-1” Office District allows small and medium office uses, banks, worship facilities, public and private school, employment agency, library, medical clinic, optician, interior decorator studio. Maximum building size is 10,000 square feet for individual buildings. Outdoor display or sale of merchandise is prohibited.

Proposed Zoning: “C-2” Commercial districts accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet

cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

FISCAL IMPACT: None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is not within a Premium Transit Corridor but is located within the Stone Oak Regional Center

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and SAWS recommend Approval.

SAWS staff recommends that the impervious cover shall not exceed 56%.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the North Sector Plan and is currently designated as “Suburban Tier” in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing “O-1” Office District and “O-2” High-Rise Office District are appropriate zonings for the property and surrounding area. The proposed “C-2” Commercial District is also appropriate and consistent with neighboring commercial zonings. Although there are “R-6” Residential Single-Family district zoning districts abutting the subject property, the surrounding land uses are primarily vacant. Additionally, the proposed commercial development is appropriate given proximity to Loop 1604.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The proposed rezoning does appear to conflict with the following goals, principles, and objectives of the North Sector Plan:
 - Goal ED-1 Compatible economic development along major transportation routes and existing activity centers that do not interfere with the mission of Camp Bullis.
 - ED-1.1 Continue to locate higher density residential and compatible employment uses near the intersections of: • IH-10 / Loop 410 • US 281 / Loop 1604 • IH-10 / Loop 1604 • IH-35 / Loop 410 • Along Lone Star Rail in Selma and Garden Ridge

- ED-1.3 Continue to maintain and revitalize the North Sector to retain and expand vibrant retail and commercial uses within the IH-10, IH-35, Loop 410 and Loop 1604 corridors and/or centers.
 - Goal ED-2 Strong and stable medical and research industries that promote economic stability in the North Sector.
 - ED-2.1 Promote development activity inside Loop 1604 that is adjacent and proximate to existing medical and research employers in the western portion of North Sector for expansion as per the Sector Land Use Plan.
6. **Size of Tract:** The 7.942 acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors** Based on the information provided to SAWS staff, SAWS identifies the subject property as a Category 2 property. SAWS staff recommends approval of the zoning request, provided that the impervious cover shall not exceed 56% on the site. Reference SAWS report dated January 21, 2022.

The applicant is rezoning the property to allow for the development of offices.
