RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval for the requested "C-3" on 5.767 acres on the northeast side of Excellence Drive.

Staff recommends Denial for the requested "BP" on 8.901 acres on the southwest side of Excellence Drive, with an Alternate Recommendation of "C-2 CD" Commercial District with Conditional Use for Warehousing.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the SA Tomorrow Port San Antonio Area Regional Center Plan and is currently designated as "Regional Center" and "Low Density Residential" in the future land use component of the plan. The requested "C-3" base zoning district is consistent with the future land use designation of Regional Commercial. The requested "BP" base zoning district is not consistent with the future land use designation of Low Density Residential. The applicant has requested a Plan Amendment to "Regional Commercial". Staff recommends Denial with an Alternate Recommendation of "Urban Mixed Use". Planning Commission recommendation is pending the August 9, 2023 hearing.
2. **Adverse Impacts on Neighboring Lands:** Staff does find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is not consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing "R-5" Residential Single-Family District is an appropriate zoning for the property and surrounding area. The requested "C-3" General Commercial District on 5.767 acres on the northeast side of Excellence Drive is also an appropriate zoning. The requested "C-3" General Commercial brings consistency of zoning in properties along Old Pearsall Road. The "C-3" will allow additional commercial goods and services options along a heavily traveled arterial.

The requested "BP" Business Park on 8.901 acres on the southwest side of Excellence Drive is not an appropriate zoning for the property and surrounding area. The request would allow a mix of high intensity commercial, office and industrial uses. "BP" does not provide an adequate transition between the residential subdivision and the nearby commercial and multifamily zoning and uses. Therefore staff recommends "C-2 CD" Commercial District with Conditional Use for Warehousing, which will provide a better transition between the intended commercial use and the existing "R-5" Residential Single-Family bordering the property.

The “C-2” Commercial District is an adequate buffer to the abutting residential and the “CD” Conditional Use can be utilized to ensure proper landscape, buffers, screening, hours of operation and any other necessary conditions to further protect the nearby neighborhood.

4. **Health, Safety and Welfare:** Staff has found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does/does not appear to conflict with any public policy objectives of the SA Tomorrow Port San Antonio Area Regional Center Plan.
 - Goal 1: Attract, retain, and support businesses and local talent to promote science, aerospace, aviation, logistics, and technology.
 - Recommendation #2 Focus areas and mixed-use corridors should be characterized by a mixture of compatible uses, at a scale that complements surrounding uses and development.
 - Recommendation #4 Concentrate density of development and intensity of activity at key intersections in the plan area.
6. **Size of Tract:** The 14.668 acre site is of sufficient size to accommodate the proposed commercial development.
7. **Other Factors:** The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The applicant is requesting to do warehousing on the property to the southwest of Excellence drive. The applicant is requesting to do general commercial activities on the northeast side of Excellence Drive.
