Comprehensive Plan

Comprehensive Plan Component: North Sector Plan

Plan Adoption Date: August 5, 2010

Plan Goals:

Relevant Goals and Strategies of the North Sector Plan may include:

- Land Use (LU) Goal 1: Compatible land use pattern promoted so that natural resources are preserved and the local economy remains viable.
- LU Strategy 1.1: Locate buffers between high density/intensity land uses that are potentially incompatible.
- LU Strategy 1.3: Promote a variety of housing types, including apartments, lofts, condominiums, townhouses and single family attached and detached housing between Loop 1604 and Loop 410.
- LU Goal 6: Development of livable, walkable communities is encouraged.
- LU Strategy 6.5: Encourage development that is visually and functionally compatible with its surrounding neighborhoods by maintaining a massing and density of development that is compatible with adjacent developed neighborhoods.
- Housing Goal 1: Continued support for development of diverse housing stock using infill housing development between Loop 1604 and Loop 410.
- Housing Strategy 1.2: Encourage compatible growth patterns and transitions of higher density residential along principal arterials and transit corridors that fit in with the existing residential character of the North Sector.
- Housing Strategy 2.3: Utilize High Density Residential as a buffer between principal and arterial roadways / non-residential (i.e. office, retail, commercial uses) and lower density residential housing.
- Economic Development Goal 1: Compatible economic development along major transportation routes and existing activity centers that do not interfere with the mission of Camp Bullis.
- Natural Resources Strategy 3.1: Where feasible, incorporate low impact development features to reduce the need for structural onsite retention facilities and foster healthy vegetation through natural infiltration.

Relevant Goals and Policies of the Comprehensive Plan may include:

- GCF Goal 1: Higher-density uses are focused within the city's 13 regional centers and along its arterial and transit corridors.
- GCF Goal 2: Priority growth areas attract jobs and residents.
- GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
- GCF Policy 7: Ensure employment centers provide a variety of land uses and infrastructure that will allow the city to remain economically competitive.
- GCF Policy 14: Establish appropriate buffers and transitions (land use, form, and/or landscaping) between residential neighborhoods and surrounding higher-density development.
- Housing Goal 2: A variety of housing types (single-family detached, single-family attached, multifamily, as well as ownership and rental opportunities) is available at a variety of price and rent levels.

- Housing Goal 5: High-density housing choices are available within the city's 13 regional centers and along its arterial and transit corridors.
- Housing Policy 30: Ensure infill development is compatible with existing neighborhoods.
- Natural Resources and Environmental Sustainability Goal 2: San Antonio balances environmental goals with business and community needs.

Comprehensive Land Use Categories

Land Use Category: "Natural Tier"

Description of Land Use Category: Generally: Ancillary uses located within existing and man-made natural areas that supports active and/or passive open space and recreational uses
