Correspondence – Fiscal Year 2024 Monitoring Process for Head Start and Early Head Start Recipients

SUMMARY:

This item presents the following from the Department of Human Services (DHS) Head Start, Early Head Start, and Early Head Start-Child Care Partnership programs for action by the Community Action Advisory Committee (CAAB).

BACKGROUND INFORMATION:

Section 641A of the Improving Head Start for School Readiness Act of 2007 requires the Office of Head Start (OHS) to implement ongoing monitoring of all programs receiving federal funds. This Information Memorandum (IM) outlines the OHS monitoring process for Fiscal Year 2024

(FY24) and shares the updated process to conduct Focus Area 1 (FA1), Focus Area 2 (FA2), and Classroom Assessment Scoring System (CLASS®) reviews.

During the FY24 program year, CLASS scores will be used for Designation Renewal System (DRS) determinations as described in 45 CFR §1304.1 l(c). As a reminder, from the spring of 2020 through spring of 2023, OHS did not use CLASS scores for DRS determinations due to the COVID-19 pandemic. 45 CFR §1304.17 of the Head Start Program Performance Standards (HSPPS) allows OHS the flexibility to make DRS determinations without one or more of the data elements required in 45 CFR § 1304.11 in instances where a major disaster, emergency, or public health emergency makes some data elements unavailable. Since the public health emergency related to the COVID-19 pandemic has ended, OHS can no longer utilize this flexibility.
