The "AHOD" Airport Hazard Overlay District, due to the location of the property and its proximity to an airport or approach path, does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration. The “HL” Historic Landmark, “HS” Historic Significant or “HE” Historic Exceptional overlay district designation signifies the historic architectural character or cultural significance of the structure or location. Historic Landmark designations do not affect the possible uses of the property, but do regulate the exterior aesthetic of the structure. Building plans and permit applications will be subject to review by the Office of Historic Preservation and the Historic and Design Review Commission (HDRC) prior to any permits being issued.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Near Northwest Community Land Use Plan, adopted February 2002, and is currently designated as “Medium Density Residential” in the land use component of the plan. Application of the historic landmark is consistent with the goals and objectives of the adopted plan.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed rezoning is for the application of historic designation and does not change the current use or base zoning designation. Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed rezoning is for the application of historic designation and does not change the current use or base zoning designation.
3. **Suitability as Presently Zoned:** The proposed rezoning is for the application of “HL” Historic Landmark Overlay designation and does not change the current base zoning designation.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objective. Relevant Goals and Policies of Near Northwest Community Land Use Plan: - Objective 3.3: Design Standards- Protect and preserve the Near North-west’s unique housing character. - 3.3.2 Investigate the designation of individual historic landmarks or historic districts within the planning area. The request does not appear to conflict with any public policy objective. Relevant Goals and Policies of Near Northwest Community Land Use Plan:
  - Objective 3.3: Design Standards- Protect and preserve the Near North-west’s unique housing character.
  - 3.3.2 Investigate the designation of individual historic landmarks or historic districts within the planning area.
6. **Size of Tract:** The 0.1494-acre site is of sufficient size to accommodate the existing residential development and historic designation.
7. **Other Factors:** The request for landmark designation was initiated by the owner. The application is for an “HL” Historic Landmark designation for a “R-6” Residential Single-Family District.

On August 16, 2023, the Historic and Design Review Commission (HDRC) approved a Finding of Historic Significance, identifying the property as historically significant based on criteria listed in Section 35-607 (b) of the Unified Development Code. The criteria identified as being applicable to the subject property are specified below. HDRC concurred with the applicant that 1739 W. Summit Avenue met UDC criterion [35-607(b)5], [35-607(b)8], and [35-607(b)13] for a finding of historic significance in the process of seeking designation as a local historic landmark.

In order to be eligible for landmark designation, a property must meet at least three of the criteria; 1739 W. Summit Avenue meets three.

5. Its embodiment of distinguishing characteristics of an architectural style valuable for the study of a period, type, method of construction, or use of indigenous materials; for its association with prolific home builders Gerald Melliff and W.W. McAllister.

8. Its historical, architectural, or cultural integrity of location, design, materials, and workmanship; as an example of an early Craftsman cottage in the Woodlawn Lake District, with low-pitched roof with overhanging eaves, exposed beams, rafters, and triangular braces, clapboard wood siding.

13. It bears an important and significant relationship to other distinctive structures, sites, or areas, either as an important collection of properties or architectural style or craftsmanship with few intrusions, or by contributing to the overall character of the area according to the plan based on architectural, historic, or cultural motif; it is one of the first six addresses on the block, and one of the first two on north side of the street (and the only extant structure), built at the very beginning of the period of significance for the Woodlawn Place Addition.
