RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is not located within a Neighborhood, Community, or Sector Plan therefore a finding of consistency is based on existing and surrounding zoning and uses.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.
3. **Suitability as Presently Zoned:** The existing “C-2” Commercial District is an appropriate zoning for the property and surrounding area. The requested “MF-25” is also an appropriate zoning for the property and surrounding area. The property is fittingly placed for multi-family use, sitting between a single-family residence and an auto body and repair shop, creating a buffer between the conflicting uses. Additionally, the request is consistent with the goals of the Strategic Housing Implementation Plan which encourages diverse housing options for all income levels.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objective.

Relevant Goals and Policies of the Comprehensive Plan may include:

- GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
 - GCF Policy 14: Establish appropriate buffers and transitions (land use, form, and/or landscaping) between residential neighborhoods and surrounding higher-density development.
 - Housing Goal 2: A variety of housing types (single-family detached, single-family attached, multifamily, as well as ownership and rental opportunities) is available at a variety of price and rent levels.
 - Housing Goal 3: Housing choices are available in walkable and bikeable neighborhoods located near transit, employment, retail, medical and recreational amenities.
6. **Size of Tract:** The 0.2826-acre site is of sufficient size to accommodate the proposed residential development.
 7. **Other Factors:** The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding,

JB SA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The property is proposed for development of multifamily uses that shall not exceed 25 units per acre. At 0.2826 acres, there could potentially be development of 7 units. The applicant is requesting to build 7 units.
