SUBJECT:

Edwards Aquifer Protection Program Acquisition–Schneider Property

SUMMARY:

An ordinance authorizing payment in the amount of \$384,455.35 from Proposition 1 of the Edwards Aquifer Protection Sales Tax fund included in the FY 2022 - FY 2027 Capital Improvement Program, to Alamo Title Company as escrow agent for title on a conservation easement, due diligence and closing costs on a 14.99-acre tract of land known as the Schneider Property located in Bexar County, Texas.

This action also authorizes the execution of necessary documents to accomplish said acquisition.

BACKGROUND INFORMATION:

The purpose of the Edwards Aquifer Protection Program is to obtain property rights by fee simple purchase, conservation easements or donations of land over the sensitive zones of the Edwards Aquifer. This program was initiated in May 2000 when voters approved Proposition 3, a 1/8-cent sales tax venue up to \$45 million for the acquisition of lands over the Edwards Aquifer for parks and watershed protection. Proposition 3 ran from 2000 through 2005 and was limited to Bexar County.

The 2005 Proposition 1 program was an extension of the initial voter-approved Edwards Aquifer protection endeavor and was extended by voters in 2010 and renewed again in 2015. Changes in state legislation allowed watershed protection activities to expand outside of Bexar County.

The proposed purchase of the conservation easement on the Schneider Property is located over the Edwards Aquifer Contributing Zone and consists of 14.99 acres in Bexar County, Texas. The property was initially identified through use of the Scientific Evaluation Team's GIS Spatial Model and subsequent site visits identified favorable recharge features on the property. The Schneider Property is located within the Lee Creek/Helotes Creek watershed and contributes to significant recharge of the Edwards Aquifer. The Edwards Aquifer Authority issued a geological assessment of the property confirming that preservation would provide moderate water quantity benefit and high water quality benefit for the City of San Antonio. This property is located directly across from the 48-acre Smith Property conservation easement, which was also acquired under the 2015 Proposition 1 Program.

ISSUE:

This ordinance authorizes payment in the amount of \$384,455.35 to Alamo Title Company as escrow agent for title on a conservation easement, due diligence and closing costs on a 14.99-acre tract of land known as the Schneider Property located in Bexar County, Texas. Acquisition cost for this easement is consistent with the appraised value of the property.

Acquisition of this property is consistent with the policy for implementation of the Proposition 1 Edwards Aquifer Protection Venue Project as approved by voters and will increase the total protected lands under the City's aquifer protection program by 14.99 acres; the current protected acreage is 175,104 acres. The City Council-appointed Conservation Advisory Board has reviewed and recommended this acquisition.

ALTERNATIVES:

An alternative would be to defer this acquisition until a later date subject to the property owner's willingness to sell real estate interests and future market conditions. Additionally, other properties could be targeted for acquisition foregoing this conservation easement and losing the geological benefits and the protection of additional acreage within the Lee Creek/Helotes Creek watershed in Bexar County.

FISCAL IMPACT:

This acquisition is a one-time expenditure in the amount of \$384,455.35 for purchase of a 14.99-acre conservation easement located in Bexar County over the Edwards Aquifer Contributing Zone funded through the voter approved 2015 Sales Tax Proposition 1 Edwards Aquifer Protection Program. Funds for the acquisition of this conservation easement have been appropriated through Proposition 1 of the Edwards Aquifer Protection Sales Tax fund included in the FY 2022 - FY 2027 Capital Improvement Program.

RECOMMENDATION:

Staff recommends approval of the acquisition of a conservation easement on the 14.99-acre Schneider Property in the amount of \$384,455.35 under the Proposition 1 Edwards Aquifer Protection Venue Project.

The Contracts Disclosure Form required by the Ethics ordinance is attached.
