**BACKGROUND INFORMATION:**

***Project Background***

With the adoption of the FY 2023 Budget on September 15, 2022, City Council has approved a \$116 million annual spending budget for the Street Maintenance Program (SMP). Of the program total, \$100 million is allocated based on 100% street condition per Council District and \$6 million funded in the 2022 Bond is allocated based on 50% street network size and 50% street condition

per Council District as stipulated by the Streets, Bridges & Sidewalks Bond Committee. An additional \$10 million in one-time funding from the American Rescue Plan Act of 2021 is allocated based on the miles of F Streets per Council District.

The \$100 million is comprised of both \$12 million in-house and \$88 million in contractual street maintenance projects. This ordinance authorizes one contract for FY 2023 totaling \$1,943,280.50 for the construction of street maintenance projects. Additional contracts are scheduled to be awarded at a later date for the remaining SMP.

### ***Procurement of Services***

This project was advertised for construction bids on May 27, 2022 in the San Antonio Hart Beat, the City's website, the Texas Electronic State Business Daily, on TVSA, and through the electronic bidding website CivCast. Bids were opened on July 15, 2022 and four (4) bids were received. Of these, the lowest bidder was deemed nonresponsive due to not meeting the minimum bid requirements thereby making M-Company General Contractors Inc. the lowest responsive bidder as indicated in the attached bid summary.

This contract will be awarded in compliance with the Small Business Economic Development Advocacy (SBEDA) Program which requires contracts be reviewed by a Goal Setting Committee to establish a requirement and/or incentive unique to the particular contract to maximize small, minority, and women-owned business participation on the contract. The Goal Setting Committee set a 17% Minority/Women Business Enterprise (M/WBE) subcontracting goal and 4% African American Business Enterprise (AABE) subcontracting goal. M-Company General Contractors Inc. has committed to meeting the subcontractor participation goals.

This construction contract was developed utilizing the low bid process; therefore, a Contract Disclosure Form is not required.
