BACKGROUND INFORMATION:

Project Background

With the adoption of the FY 2023 Budget on September 15, 2022, City Council approved a \$116 million annual spending budget for the Street Maintenance Program (SMP). Of the program total, \$100 million is allocated based on 100% street condition per Council District and \$6 million funded in the 2022 Bond is allocated based on 50% street network size and 50% street condition per Council District as stipulated by the Streets, Bridges & Sidewalks Bond Committee.

The \$100 million is comprised of both \$12 million in-house and \$88 million in contractual street

maintenance projects. This ordinance authorizes one contract for FY 2023 totaling \$9,846,050.69 for the construction of street maintenance projects. Additional contracts are scheduled to be awarded at a later date for the remaining SMP.

Zumwalt Construction, Inc. has committed to meeting the subcontractor participation goals.
