Review of Jule Sugarman Process

Head Start Distinguished Staff Award

Jule Sugarman was one of the founders of the Head Start Program. Mr. Sugarman led the program for its first five years and served as the Executive Secretary of the 13-member planning panel that was commissioned by President Lyndon B. Johnson to create Head Start as part of the *War on Poverty*. Following the advice of Sgt. Shriver of the Office of Economic Opportunity "to write Head Start across this land so that no Congress or president will ever destroy it." Mr. Sugarman oversaw the increase of enrollment in the program to more than double the projected number of participants, starting with 560,000 children in the first year versus a target of only 250,000.

This award is named for Mr. Jule Sugarman and provides an opportunity for parents/guardians to recognize direct service staff who exceed expectations and contribute to the success and growth of the City of San Antonio Department of Human Services Head Start program every day.

In addition, the David Chavarria Award is in commemoration of one of our great leaders in the Head Start Program. Principals and Child Care Center Directors are the first line of leadership in our schools and centers, and they provide guidance and support for our teachers, children, and families. Mr. Chavarria was a principal at Knox Early Childhood Education Center in San Antonio Independent School District, and retired after 34 years of joyful service specializing in early childhood education.

This award is to honor the hard work our administrators, principals, and directors do for our children, families, and staff. These leaders exceed expectations and contribute to the success and growth of the City of San Antonio Department of Human Services Head Start and Early Head Start Child-Care Partnership program every day.
