Non-Conforming Use Notification of Decision

March 6, 2024

RE: Nonconforming Use Rights for a Used Auto Parts Recycler (UAPR)
Case # ZONING-NCU-APP-2023-11200175
9655 New Laredo Highway; P-13C, NCB 14492

To whom it may concern:

This is to verify that **Nonconforming Use Rights for a Used Auto Parts Recycler** was **DENIED** on *March 6, 2024*, by the City of San Antonio. Previous Nonconforming was denied on August 10, 2023. The subject property was annexed into the City of San Antonio by Ordinance 81105 dated December 31, 1994, and was originally zoned Temporary “R-1” Single-Family Residence District. The property was rezoned to “B-3R” Restrictive Business District by Ordinance 82683 dated August 24, 1995. Under the 2001 Unified Development Code, established by Ordinance 93881, dated May 03, 2001, the property zoned “B-3R” Restrictive Business District converted to the current “C-3R” General Commercial Restrictive Alcoholic Sales District. While there was a Non-Conforming Use previously registered for the property on January 23, 2016 by the City of San Antonio, research conducted by staff determined that the property does not meet the criteria for nonconforming use renewal. Code Enforcement reported that this property has been vacant for several years. This can be observed through aerial imagery of the property. Customer invoices were requested by staff to verify that the used auto parts recycler has been in operation since its previous nonconforming in 2016 but none were submitted.

Based on the denial of a legal nonconforming use for the subject property the following options may be available:

- Appeal the decision of denial to the Board of Adjustment within 20 days

Or

- Apply for rezoning of the property to a “I-2 S” Heavy Industrial District with a Specific Use Authorization for Used Auto Parts Recycler

If I may be of any further assistance, please do not hesitate to contact us at (210) 207-1111 or dsd.zoning@sanantonio.gov.
