AGENDA ITEM 4

POSSIBLE ACTION TO AMEND RED BERRY AGREEMENT TO INCREASE THE FUNDING FROM THE CITY OF SAN ANTONIO IN THE AMOUNT NOT TO EXCEED \$250,000 TO COMPLETE THE RED BERRY HIKE AND BIKE TRAIL CONNECTION TO SALADO CREEK.

The SAHT PFC was the vehicle used to spur on the redevelopment of the 82-acre Red Berry site which included a 330-unit apartment community, construction of a 160,000 sq ft headquarters for the RK Group, and a historic renovation of the Red Berry Mansion. The project also included the installation of the necessary public infrastructure, lake stabilization, and new Hike and Bike Pedestrian connection to the Salado Creek trail system.

All phases of the project were completed, except for the installation of the Hike and Bike Trail. In August 2021, the PFC requested and received \$1.2M in additional TIRZ funding which was at the time, derived using market costs on labor and materials.

As conditions changed and bids placed throughout the year, costs substantially increased. Bridge Brothers, the pedestrian bridge manufacturer had commenced fabrication however material procurements were affected by force majeure issues from market disruptions caused by COVID. During that time, an RFP for concrete companies went out to install the abutments for the bridge. Additional Geotech borings required an alternative pier installation method due to hold back water penetration into the pier footings. Ken Concrete, who was retained to complete the work will not mobilize until funds have been released.

Fiscal Impact

The SAHT PFC anticipates needing an added \$243,400 in funding and an additional 60 days to complete once funding is secure to complete the bridge installation. An itemized list of the revised budget, additional scope, and timeline was provided to the city. City staff have identified a source of ICIF funds and are committed to covering the cost.

Recommendation

Staff recommends approving resolution to amend the Red Berry Agreement to increase the funding from the City of San Antonio in the amount not to exceed \$250,000 to complete the Red Berry Hike and Bike Trail connection to Salado Creek.
