TO: Mayor and City Council
FROM: Jalen McKee-Rodriguez
COPIES TO: Erik Walsh, City Manager; Debbie Racca-Sittre, City Clerk; Andy Segovia, City Attorney; John Peterek, Assistant to the City Manager; Emily McGinn, Assistant to City Council
SUBJECT: Historic Cemeteries Master Plan
DATE: November 1, 2023

Issue Proposed for Consideration:

I ask for your support for the inclusion of the following item on the agenda of the earliest available meeting of the Governance Committee:

Concurrence in requesting City Staff engage in a master planning effort for the City's Historic Cemeteries, to include eligible funding sources to support execution.

Brief Background:

The purpose of this request is to engage our City in a master planning effort to uplift and beautify our historic cemeteries as a valuable community asset, pay respect to their rich history, increase connection to surrounding communities, and prepare for their future success.

The updated master plan should examine the evolution of the historic cemeteries over time, in addition to their condition and resources, natural and built; identify strengths, weaknesses, challenges, and needs; and present an implementation plan, to include potential local, state, and federal funding sources.
