

## **Amendment to Ordinance 58134 (01/12/1984)**

### **Section 2. The function of the Transportation Advisory Board shall be as follows:**

#### **CURRENT:**

To review staff recommendations, conduct hearings, recommend guidelines, and make recommendations to the City Council on the licensing and regulatory review process for transportation services licensed by the City. These services include taxicabs, limousines, tow wreckers, tour/sightseeing operations, and horse carriages.

#### **Amendment:**

To review staff recommendation and make recommendations to the City Council, Chief of Police, and/or Aviation Director on Chapter 3, Chapter 33, Rules and Regulations, and internal operations/policies on the licensing and regulation of the ground transportation services licensed by the City. These services shall include ground transportation services outlined in Chapter 3 and/or Chapter 33.

### **Section 3. The Transportation advisory Board shall address the following transportation Services:**

#### **CURRENT:**

1. The procedures and need for additional service or permits.
2. Service regulations – the quality and terms of the service to be provided.
3. Permit holder and driver regulations – the fiscal and public safety requirements.
4. Fares and permit/license fees – the level and basis thereof.
5. Appeals – hearing appeals from drivers and permit holders regarding sanctions imposed by staff.
6. Such other matter as request by the City Council.

#### **Amendment:**

1. The procedures and need for additional service or permits.
2. Service regulations – the quality and terms of the service to be provided.
3. Permit holder and driver regulations – the fiscal and public safety requirements.
4. Fares and permit/license fees – the level and basis thereof.
5. Such other matter as request by the City Council, Chief of Police, or Aviation Director
