# Factors Considered

- Amendment request is located in City of San Antonio's Extraterritorial Jurisdiction (ETJ).
- Proposed Beck Road MTP alignment, while adjacent to FEMA Designated 100-year Floodplain, does not cross through Floodplain.
- Bexar County does not have plans to extend Beck Road from its current southern terminus at New Sulphur Springs Road.
- TxDOT does not have plans to connect to Beck Road.
- San Antonio River Authority (SARA), DSD, Planning Department and other technical reviewing agencies:
  - No objection to proposed amendment.

# Recommendation

- Staff recommends Approval.
- Planning Commission recommends Approval.
- 7 Notices Mailed. 1 opposed.
