RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the West/Southwest Sector Plan, adopted in April 2011, and is currently designated as “General Urban Tier” in the future land use component of the plan. The requested “C-2 S” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use aligns with the established development pattern of the surrounding area. The property is located in a commercial area, with surrounding properties zoned “C-2” Commercial District, “C-3R” General Commercial Restrictive Alcohol Sales District, “C-3NA” General Commercial Nonalcoholic Sales District.
3. **Suitability as Presently Zoned:** The current C-2 CD” Commercial District with a Conditional Use for a Billiard/Pool Hall is an appropriate zoning for the property and surrounding area. The proposed “C-2 CD” Commercial District with a Conditional Use for a Private Club is also appropriate. The property is located on a commercial island, with the structure that will accommodate the proposed use already built. The site plan prescribed by the “CD” Conditional Use portion of the request will prevent expansion of the use; deviation from the approved document could warrant additional City Council consideration.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the West/Southwest Sector Plan:
 - ED-3 The West/Southwest Sector community values existing and future businesses; businesses which in turn support the neighborhoods

6. **Size of Tract:** The subject property is 0.7889 Acres, which can reasonably accommodate the proposed commercial development.
7. **Other Factors:** The applicant intends to rezone to “C-2 CD” to enable the property to accommodate a card house on the property.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The purpose of the Specific Use Authorization is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but may, under the right set of circumstances and conditions be acceptable in certain specific locations.
