Phillip A. Covington, Special Projects Manager, Edwards Aquifer Protection Program:

It is my pleasure to nominate Brian Mast, San Antonio River Authority's Interim Deputy Director of Government Affairs, as the River Authority's staff on the Conservation Advisory Board.

Brian has been with the River Authority since 2007, working in the government and public affairs spheres. He has been engaged with the Water and Infrastructure committees as well as the Public Policy Council with the Greater San Antonio Chamber of Commerce and the San Antonio North Chamber of Commerce's Infrastructure and Government Affairs committees. Through his time with the River Authority, he has led our federal, state, regional and local legislative agendas and is engaged with the Edwards Aquifer Habitat Conservation Plan Stakeholder Committee. I believe Brian will be a productive member of the Conservation Advisory Board. Please accept Brian as the River Authority's new staff participant to the Board.

As she has been, Karen Bishop will continue as the River Authority's alternate.

If you have any questions, please feel free to contact Brian or me at bmast@sariverauthority.org or dboese@sariverauthority.org.

Sincerely,

Derek Boese, JD, PMP
