Hill View Heights – Resolution of No Objection

SUMMARY:

Hill View Heights, LP is seeking a Resolution of No Objection for its application to the Texas Department of Housing and Community Affairs (TDHCA) for the 2024 Non-Competitive 4% Housing Tax Credits (HTC) program for the construction of a 260-unit affordable multi-family rental housing development named Hill View Heights, located at 15024 Culebra Road in the City of San Antonio's Extra Territorial Jurisdiction.

BACKGROUND INFORMATION:

The Texas Department of Housing and Community Affairs' (TDHCA) Housing Tax Credit (HTC) program is one of the primary means of directing private capital toward the development and preservation of affordable rental housing for low-income households in the state of Texas. HTC are awarded to eligible participants to offset a portion of their federal tax liability in exchange for

the production or preservation of affordable rental housing.

The TDHCA administers two HTC programs: a Competitive 9% and a Non-Competitive 4%. This application is for the Non-Competitive 4% HTC program which is available year-round and requires a Resolution of No Objection from the local governing body to satisfy requirements of the TDHCA's Uniform Multifamily Rules.

On November 18, 2021, City Council updated the Housing Tax Credit (HTC) Policy for the issuance of Resolutions of Support and Resolutions of No Objection. The new policy included an increased focus on deeper affordability, proximity to transit, inclusion of sustainable or green features, and working with local businesses. Under the City's application process, Developers submit applications for Resolutions of Support or Resolutions of No Objection to the City on behalf of their affiliated entity that will apply to TDHCA for HTC's.

ISSUE:

For applicants located within the ETJ of a municipality, a Resolution of No Objection from the municipality and a Resolution of No Objection from the county is required.

The closest Council District to the property is Council District 6. The applicant has provided the Council Office with all pertinent information per the current HTC Policy.

Any 4% HTC application earning between 60 and 100 points shall be eligible to receive a staff recommendation for a Resolution of No Objection, provided the application receives at least 4 of 7 experience points under the ownership/management experience category. The application received 7 experience points, and 61 points in total and is eligible to receive a Resolution of No Objection.

The applicant received no public engagement points on their application.

The value of the TDHCA tax credit award to Hill View Heights would be approximately \$30.3 million over a ten-year period. The total cost for this development will be approximately \$67 million. The deal will have units for families between 30% and 70% of the area median income. Two hundred twenty four of the units will be rent restricted to 60% and below of area median income as defined by TDHCA's Rent and Income Limit tool using HUD data (e.g., a family of three will have a maximum income of \$47,460).

The 4% HTC application is anticipated to be considered by the TDHCA Governing Board in September 2024. If approved, the estimated start date will be in October 2024 and the estimated completion is September 2026.

This development would help achieve the Strategic Housing Implementation Plan (SHIP)'s production goals for families with incomes at 30% area median income (AMI) and 60% AMI. Hill View Heights is being developed in partnership with Bexar County as its bond issuer.

The development is projected to contain the following unit mix:
