

# ***Approval of the EHS Underenrollment Plan***

**Early Head Start Under Enrollment Plan**  
**City of San Antonio**  
**Grant Number: 06CH010821**

**Overview**

The City of San Antonio, Department of Human Services (DHS), has been a Head Start grant recipient for 44 years. DHS Head Start operates a Head Start prekindergarten program and an Early Head Start Program in collaboration with Edgewood Independent School District (EISD), San Antonio Independent School District (SAISD) and six early childhood providers. In collaboration, the program serves 3,020 Head Start prekindergarten children and 128 infants and toddlers in San Antonio neighborhoods with the most vulnerable families and children.

Currently, the EISD Early Head Start program is funded to serve 12 home base children and 116 center base children. As of December 13, 2023, the program was 80% enrolled serving 102 of the 128 children: 8 home base children and 94 center base children with 12 of the 14 classrooms in operation. Although the program has a waitlist of 52 children, EISD has been having difficulty recruiting and retaining teaching staff to serve the remaining two classrooms needed for the program to be considered fully enrolled.

EHS has faced challenges in hiring staff like having limited number of qualified applicants who are applying to teach in the program, turn-over of existing staff, lack of pathways to assist candidates in meeting minimum education qualifications who do apply, and enrolling families interested in home-based services. Through the identified actions and strategies, DHS and EISD expect to meet and maintain full enrollment within the EISD EHS Program within the 12-month timeline provided by the Office of Head Start.

### Action # 1:

Action	Issue(s) Addressed	Responsible Individual	Resources Needed*	Expected Date of Completion
Edgewood ISD (EISD) Human Resources Department give access to online hiring system to EISD EHS Coordinator.	Workforce	Dr. Miller (EISD) Jessica Zertuche (EISD) EISD HR Department	Online EISD Human Resource system	1/3/2024
				<b>Status</b>
				Complete

\*Resources needed can include additional T/TA, etc.

#### Briefly describe objectives, implementation, oversight strategies, and/or related logistics to completing action.

EISD HR provide direct access to EHS applications to EISD EHS Coordinator to provide a more efficient process to review, select and interview potential candidates for open positions rather than having to wait on HR to review. HR does not have the expertise the EISD EHS Coordinator has within the Infant/Toddler/Early Childhood profession.

### Action # 2:

Action	Issue(s) Addressed	Responsible Individual	Resources Needed*	Expected Date of Completion
Create pathway for entry level (floater) to obtain minimum educational qualifications to move into EHS teacher position.	Workforce	Jessica Zertuche (EISD) Rhonda Roach (DHS) Cassandra Farias Ybarra (DHS)	T/TA Support DHS EHS Hiring Procedure; Staff Acknowledgement Form; Individualize Professional Development Plan (IPDP); ongoing Quality Assurance	3/8/2024
				<b>Status</b>

#### Briefly describe objectives, implementation, oversight strategies, and/or related logistics to completing action.

Under the current DHS EHS Hiring Procedure, EISD informs candidates of the process to enter the EISD EHS program as an entry level (floater) with the acknowledgement of enrolling in an Infant/Toddler CDA class within 3 months of hire with completion within 9 months after hire date. EISD EHS Coordinator completes IPDP that identifies extra supports candidate may need during the CDA process. Paperwork is shared with both the candidate and DHS EHS team for proper review and monitoring. DHS EHS Early Education Services team then works with center Instructional Coach to identify any needed coaching/mentoring during the CDA process. Establish relationship with Restore Education to offer CDA classes and support.

**Action # 3:**

**Action #4:**

Action	Issue(s) Addressed	Responsible Individual	Resources Needed*	Expected Date of Completion
Shift home-base slots to center-base slots as part of DHS' request to OHS to convert Head Start to Early Head Start slots.	Family Need	Audrey Jackson (DHS) Rhonda Roach (DHS) Cassandra Faris Ybarra (DHS)	Data from Community Assessment supports additional center-base services  Guidance from Regional Office on conversion	10/14/2024
				<b>Status</b>  In Progress

\*Resources needed can include additional T/TA, etc.

**Briefly describe objectives, implementation, oversight strategies, and/or related logistics to completing action.**

DHS request to convert 50 Head Start PreK slots to 16 EHS center-based slots giving DHS a total of 144 EHS slots. DHS will then allocate 120 EHS slots to EISD (112 center-base and 8 home-base) and allocate 24 EHS slots to San Antonio Independent School District (SAISD). These changes will reduce home base slots by 4. SAISD will open three EHS Infant/Toddler center-base classrooms to serve children and their families in a high need area within SAISD. Thus, providing more center-based services to better meet the needs of the community.
