

PUBLIC WORKS DEPARTMENT

On-Call Architectural Services Agreement Amendment: Tower of America's Structural Improvements

City Council A Session Item 12

May 19, 2022

Razi Hosseini, P.E, R.P.L.S., Director/City Engineer

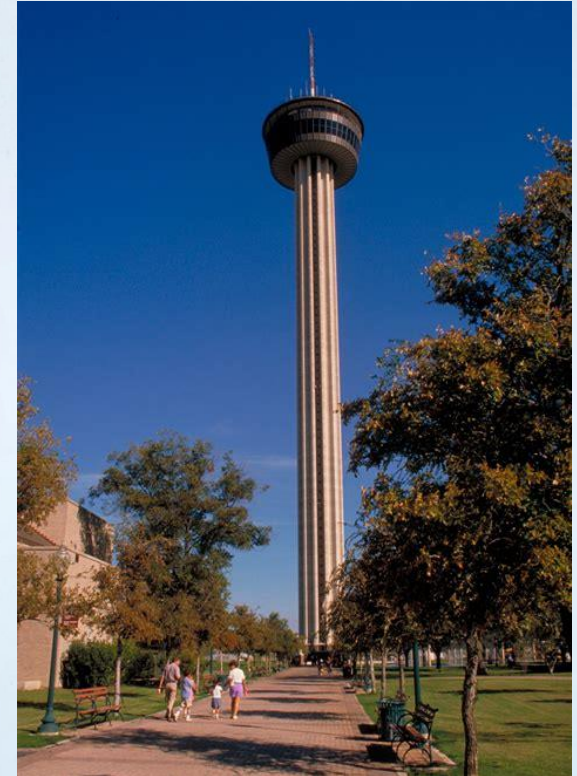

Location: District 1

Funding:

- General Funds
- Capital Improvement Program

Background:

- Tower of Americas was built in 1968 for the Hemisfair World's Fair
- Improvements required to bring the 54-year-old structure to today's standards

739 E. Cesar Chavez Blvd

Amendment to provide additional architectural design services for renovations to Tower of Americas to include:

- Mechanical
- Electrical
- Plumbing
- Fire Safety Support System
- Vertical concrete shaft and steel components
- Preserving structural integrity of building

Construction

- April 2023 – October 2024

Approval of an amendment increasing the agreement capacity in the amount of \$700,000.00 of the On-Call Architectural Services Agreement with Beaty Palmer Architects for additional architectural design services for the Tower of America's Structural Improvements.
