* * * * *

WHEREAS, the United States Constitution and Section 4 of the City Charter of the City of San Antonio provide that Councilmembers shall be elected from districts drawn by ordinance and as nearly as equal in population as practicable; and

WHEREAS, Section 4 of the City Charter also requires that the boundaries of the City Council districts be examined and redetermined by ordinance where appropriate, following each Federal decennial census, or at other times where substantial variances in the number and makeup of the population districts have occurred, taking into consideration annexations, shifts in population, compactness, ethnic composition, and other criteria established by law; and

WHEREAS, the City Council appointed a 23-member Redistricting Advisory Committee to draft and propose a plan that redefines district boundaries so that the population difference between the most populous District and the least populous District is less than 10% which is the applicable legal standard; and

WHEREAS, in accordance with guidelines and criteria approved by the Redistricting Advisory Committee, the Advisory Committee held 15 public meetings between November 2021 and June 2022 to draw new council district boundaries in open meetings while engaging the public throughout the process; and

WHEREAS, the City Council finds that the Redistricting Advisory Committee Final Proposed Plan is in the best interest of the residents of the City, complies with the adopted redistricting criteria, and is consistent with state and federal requirements; and

WHEREAS, the City Council of the City of San Antonio is prepared to establish the Redistricting Advisory Committee Final Proposed Plan as the final Redistricting Plan; **NOW THEREFORE:**
