Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission	I would like to continue my involvement in my community-I chose to live in the south side because I am excited about the future of the community and would like to serve my community and provide feedback on its growth
Please provide a brief narrative stating the perspective you represent as a community or private stakeholder in this project.Examples include:• Developer Representative - including the developer, a family member, agent or employee of the developer, and a family member or an agent or employee of the developer. • Neighborhood Association Representative - include name of association and any office you hold. • Owner of Real Property within the TIRZ boundary - not including Developer Representative described earlier. • At-Large Business or Civic Representative - not including Developer Representative described earlier.	I am a homeowner in the Mission Del Lago neighborhood as well as an employee of TAMU- SA. I moved to the area because of the University and the potential growth. I would have bought my house in the TIRZ had there been viable options when I relocated in 2015, and am excited about the residential and commercial growth within this zone (VIDA, the healthcare center). I think both perspectives bring value as a civic representative
