2080 Wilson Way
Fort Sam Houston, TX 78234

SUBJECT: Joint Base San Antonio review of Zoning Case Z202110700335, 10931 Poteet, Jourdanton Freeway, SATX 78224.

1. Zoning Case Z202110700335, 10931 Poteet, Jourdanton Freeway, SATX 78224, has been reviewed by JBSA-LAK organizations. JBSA does not object with this request, however there are additional comments for consideration in planning and development.
 - a. In order to mitigate potential interference with existing JBSA operational systems, please coordinate with 502 CS Spectrum Manager prior to use of any Spectrum dependent systems (i.e.: two-way radio communications, or any type of wireless technologies) during construction. If applicable, coordination is also requested by facility user prior to installation/use of any Spectrum dependent commercial or manufacturing equipment.
 - b. Any construction plans, equipment (cranes), or towers (communication or water), may require an FAA aeronautical study.
2. The items presented above are efforts to enhance the safety of the community and minimize noise impacts due to the proximity of low flying aircraft. Improperly managed development may create unnecessary risk to both the community and flight operations as well as impact the overall capability of the military at this location.
3. Point of contact for this action is Sharonn D. Brew, 502 ABW/CI. She can be reached at 210-221-0564 or by email at Sharonn.d.brew.civ@mail.mil or usaf.jbsa.502-abw.mbx.502-abw-community-initiatives-workflow@mail.mil.
