Runway 14/32 RPZ Project

Project

- Ensure Runway Protection Zone (RPZ) at end of Runway 14/32
- Environmental and surveying services

Original Grant

- Named Texas Department of Transportation the project administrator

Amendment

Recommendation

- Responsibilities for this grant be amended to allow the City to utilize the services of its on-call environmental consultants and administer the contracts for the environmental and survey work, with TXDOT certifying the consultant selection procedures.
- No fiscal impact as TXDOT will continue to contribute \$300,000 and the City will provide its \$33,333 match.

Thank you!
