WHEREAS, Covered Entity and BA may need to use, disclose and/or make available certain information pursuant to the terms of the Service Contract, some of which may constitute Protected Health Information ("PHI"); and

WHEREAS, Covered Entity and BA intend to protect the privacy and provide for the security of PHI disclosed to each other pursuant to the Service Contract in compliance with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA") and regulations promulgated thereunder by the U.S. Department of Health and Human Services (the "HIPAA Regulations"), Health Information Technology for Economic and Clinical Health Act ("HITECH Act") and other applicable laws; and

WHEREAS, the purpose of this Agreement is to satisfy certain standards and requirements of HIPAA and the HIPAA Regulations, including, but not limited to, Title 45, Section 164.504(e) of the Code of Federal Regulations ("C.F.R."), as the same may be amended from time to time;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

A. Definitions. For the purposes of this Agreement, the following terms have the meanings ascribed to them:

- (1) "Breach" shall mean an impermissible use or disclosure under the Privacy Rule that compromises the security or privacy of the protected health information. An impermissible use or disclosure of protected health information is presumed to be a breach unless the covered entity or business associate, as applicable, demonstrates that there is a low probability that the protected health information has been compromised based on a risk assessment of at least the following factors:
  - (a) the nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
  - (b) the unauthorized person who used the protected health information or to whom the disclosure was made;
  - (c) whether the protected health information was actually acquired or viewed; and
  - (d) the extent to which the risk to the protected health information has been mitigated.
- (2) "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 C.F.R. 164.501.
- (3) "Disclosure" with respect to PHI, shall mean the release, transfer, provision of access

to or divulging in any other manner of PHI outside the entity holding the PHI.

- (4) "Health Information" is defined in 45 C.F.R. 160.103 as any information, including genetic information, whether oral or recorded in any form or medium that: (1) is created or received by a health care provider, health plan, public health authority, employer, life insurer, school or university, or health care clearinghouse; and (2) relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual.
- (5) "Individual" means the person who is the subject of protected health information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. 164.502(g).
- (6) "Individually Identifiable Health Information" is defined in 45 C.F.R. 160.103 as information that is a subset of health information, including demographic information collected from an individual, and: (1) is created or received by a health care provider, health plan, employer, or health care clearinghouse; and (2) relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and (i) identifies the individual; or (ii) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.
- (7) "Privacy Rule" shall mean the regulations for Privacy of Individually Identifiable Health Information at 45 C.F.R. Part 160 and Part 164, Subpart E.
- (8) "Protected Health Information" or "PHI" shall have the same meaning as the term "protected health information" in 45 C.F.R. 160.103, limited to the information created or received by BA from or on behalf of Covered Entity. PHI includes "Electronic Protected Health Information" or "EPHI" and shall have the meaning given to such term under the HIPAA Rule, including but not limited to 45 C.F.R. Parts 160, 162, 164, and under HITECH.
- (9) "Required By Law" means a mandate contained in law that compels an entity to make a use or disclosure of protected health information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing public benefits. 45 C.F.R. 164.103.
- (10) "Secretary" shall mean the Secretary of the U.S. Department of Health and Human Services or his designee.

- (1) Not use or disclose the PHI other than as permitted or required by this Agreement or as Required by Law;
- (2) Establish and maintain appropriate administrative, physical, and technical safeguards that reasonably and appropriately protect, consistent with the services provided under this Agreement, the confidentiality, integrity, and availability of the electronic protected health information that it creates, receives, maintains, or transmits on behalf of Covered Entity;
- (3) Mitigate, to the extent practicable, any harmful effect that is known to BA of a use or disclosure of PHI by BA in violation of the requirements of this Agreement;
- (4) Report to Covered Entity any use or disclosure of PHI of which BA is aware or becomes aware that is not provided for or allowed by this Agreement as well as any Security Incident as defined by 45 C.F.R. 164.304 that BA becomes aware of;
- (5) Ensure that a business associate agreement is in place with any of its agents or subcontractors with which BA:
  - (a) does business, and
  - (b) to whom it provides PHI received from, or created or received by BA on behalf of, Covered Entity; and ensures such agents or subcontractors are aware of and agree to the same restrictions and conditions that apply through this Agreement to BA with respect to such information, and further agree to implement reasonable and appropriate administrative, physical and technical safeguards that render such PHI unusable, unreadable and indecipherable to individuals unauthorized to acquire or otherwise have access to such PHI;
- (6) Provide access, at the request of Covered Entity, and in a reasonable time and manner as agreed by the Parties, to PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, to an Individual in order to meet the requirements 45 C.F.R. §164.524;
- (7) Make any amendment(s) to PHI in a Designated Record Set that the Covered Entity directs or agrees to pursuant to 45 C.F.R. 164.526 at the request of the Covered Entity or an Individual, and in a reasonable time and manner agreed to by the Parties;
- (8) Make available to the Covered Entity or to the Secretary all internal practices, books and records, including policies and procedures and PHI, relating to the use and disclosure of PHI received from, or created or received by the BA on behalf of the Covered Entity, for purposes of the Secretary in determining Covered Entity's compliance with the Privacy Rule;
- (9) Document disclosures of PHI, and information related to such disclosures, as would be required for Covered Entity to respond to a request from an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. 164.528;
- (10) Provide Covered Entity or an Individual, in a reasonable time and manner as agreed to by the Parties, information collected in accordance with Section B(9) of this Agreement, to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. 164.528;

- (11) Immediately, and in no event later than three days from discovery, notify Covered Entity of any breach of PHI, including ePHI, and will coordinate with Covered Entity to identify, record, investigate, and report to an affected individual and U.S. Department of Health and Human Services, as required, any covered PHI breach. Breach notification to Covered Entity must include: names of individuals with contact information for those who were or may have been impacted by the HIPAA Breach; a brief description of the circumstances of the HIPAA Breach, including the date of the breach and date of discovery; a description of the types of unsecured PHI involved in the breach; a brief description of what the BA has done or is doing to investigate the breach and mitigate harm. BA will appoint a breach liaison and provide contact information to provide information and answer questions Covered Entity may have concerning the breach;
- (12) Comply with all Security Rules requirements;
- (13) Comply with the Privacy Rule for any obligation Covered Entity delegates to BA;
- (14) Under no circumstances sell PHI in such a way as to violate Texas Health and Safety Code, Chapter 181.153, effective September 1, 2012, nor shall BA use PHI for marketing purposes in such a manner as to violate Texas Health and Safety Code Section 181.152, or attempt to re-identify any information in violation of Texas Health and Safety Code Section 181.151, regardless of whether such action is on behalf of or permitted by the Covered Entity.

C. Permitted Uses and Disclosures by BA

- (1) Except as otherwise limited in this Agreement, BA may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Service Contract, provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity.
- (2) Except as otherwise limited in this Agreement, BA may disclose PHI for the proper management and administration of the BA, provided that disclosures are Required By Law, or BA obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the BA of any instances of which it is aware in which the confidentiality of the information has been breached.
- (3) Except as otherwise limited in this Agreement, BA may use PHI to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. 164.504(e)(2)(i)(B).
- (4) BA may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 45 C.F.R. 164.502(j)(1).

D. Obligations of Covered Entity. Covered Entity shall inform BA of its privacy practices and restrictions as follows. Covered Entity shall:

- (1) Notify BA of any limitations in its notice of privacy practices in accordance with 45 C.F.R. 164.520, to the extent that such limitation may affect BA's use or disclosure of PHI;
- (2) Notify BA of any changes in, or revocation of, permission by any Individual to use or disclose PHI, to the extent that such changes may affect BA's use or disclosure of PHI;

- (3) Notify BA of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. 164.522 to the extent that such changes may affect BA's use or disclosure of PHI.
- (4) Coordinate with BA regarding any PHI breach and make timely notification to affected individuals within 60 days of discovery.

E. Permissible Requests by Covered Entity.

Covered Entity shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity, except that the BA may use or disclose PHI for data aggregation or management and administrative activities of the BA.

F. Term and Termination.

- (1) This Agreement becomes effective on the date it is signed by the last Party. This Agreement shall terminate when all PHI encompassed by this Agreement is destroyed or returned to Covered Entity or, if it is infeasible to return or destroy the PHI, protections are extended to such information in accordance with the termination provisions in this Section.
- (2) Termination for Cause. Upon Covered Entity's knowledge of a material breach by BA, Covered Entity shall either (a) provide an opportunity for BA to cure the breach in accordance with the terms of the Service Contract or, if the BA does not cure the breach or end the violation within the time for cure specified in the Service Contract, end the violation and terminate this Agreement and the Service Contract; or (b) immediately terminate this Agreement and the Service Contract if BA has breached a material term of this Agreement and cure is not possible. If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.
- (3) Effect of Termination.
  - (a) Except as provided below in paragraph (b) of this Section F(3), upon termination of this Agreement for any reason, BA shall return or destroy all PHI received from the Covered Entity, or created or received by BA on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of BA or its subcontractors or agents. BA shall not retain any copies of PHI.
  - (b) In the event that BA determines that returning or destroying PHI is infeasible, BA shall provide to Covered Entity written notification of the condition that makes the return or destruction of PHI infeasible. Upon BA's conveyance of such written notification, BA shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make its return or destruction infeasible, for so long as BA maintains such PHI.
- (4) Notwithstanding any other provision under this Agreement, the Parties agree that the Service Contract may be terminated by either Party without penalty should the other Party violate a material obligation under this Agreement.

G. Amendment to Comply with Law. The Parties agree to take written action as is necessary to amend this Agreement to comply with any Privacy Rules and HIPAA legal requirements for Covered Entity without the need for additional council action.

- H. Survival. The respective rights and obligations of the BA under Sections B, C (2) and (4), and F(3) shall survive the termination of this Agreement.
- I. Interpretation. Any ambiguity in this Agreement shall be interpreted to permit Covered Entity to comply with the Privacy Rule.
- J. Regulatory References. A reference in this Agreement to a section in the Privacy Rule means the section as in effect or amended.
- K. No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer upon any person other than Covered Entity, BA, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- L. **INDEMNIFICATION. BA WILL INDEMNIFY, DEFEND AND HOLD COVERED ENTITY AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS HARMLESS, FROM AND AGAINST ANY AND ALL LOSSES, LIABILITIES, DAMAGES, COSTS AND EXPENSES ARISING OUT OF OR RELATED TO ANY THIRD-PARTY CLAIM BASED UPON ANY BREACH OF THIS AGREEMENT BY BA IN ACCORDANCE WITH THE INDEMNITY PROVISIONS IN THE SERVICECONTRACT, WHICH ARE HEREBY INCORPORATED BY REFERENCE FOR ALL PURPOSES.**
- M. Reimbursement. BA will reimburse Covered Entity for reasonable costs incurred responding to a PHI breach by BA or any of BA's subcontractors.
- N. Waiver. No provision of this Agreement or any breach thereof shall be deemed waived unless such waiver is in writing and signed by the party claimed to have waived such provision or breach. No waiver of a breach shall constitute a waiver of or excuse any different or subsequent breach.
- O. Assignment. Neither party may assign (whether by operation of law or otherwise) any of its rights or delegate or subcontract any of its obligations under this Agreement without the prior written consent of the other party. Notwithstanding the foregoing, Covered Entity shall have the right to assign its rights and obligations hereunder to any entity that is an affiliate or successor of Covered Entity, without the prior approval of BA.
- P. Entire Agreement. This Agreement constitutes the complete agreement between Business Associate and Covered Entity relating to the matters specified in this Agreement, and supersedes all prior representations or agreements, whether oral or written, with respect to such matters. In the event of any conflict between the terms of this Agreement and the terms of the Service Contract or any such later agreement(s), the terms of this Agreement shall control unless the terms of such Service Contract comply with the Privacy Standards and the Security Standards. No oral modification or waiver of any of the provisions of this Agreement shall be binding on either party. This Agreement is for the benefit of, and shall be binding upon the parties, their affiliates and respective successors and assigns. No third party shall be considered a third-party beneficiary under this Agreement, nor shall any third party have any rights as a result of this Agreement.
- Q. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Texas. Venue of any court action brought directly or indirectly by reason of this Agreement shall be in Bexar County, Texas.
