## GSC BACKGROUND

- Established in 2011
- Reviews, votes, and establishes the following:
  - SBEDA Program tools for formal City solicitations
    - i.e., Prime contractor evaluation preference points and subcontracting goals
  - SBEDA Program Annual aspirational goals
    - Established holistically, as well as for each industries individually
  - SBEDA Program segmented tool eligibility for various race and gender business groups.
    - i.e., African American-Owned Business Subcontracting Goals

# GSC COMPOSITION

# PROCESS

- 2 Citizen at-large positions are vacant
  - Appointed by City Council annually
- 10 applications received for the positions
  - 5 applications would require a waiver as the candidates do not meet the Boards & Commissions residency requirement
- EWDC formed a subcommittee to review applications
  - Met on June 13, 2022
  - Recommended 5 applicants be submitted for consideration to GSC; 2 applicants have since withdrawn
