### DSD to SEP-HCP Seed Money

Upon approval and creation of the Southern Edwards Plateau Habitat Conservation Plan, Development Services Department agreed to provide seed money to the SEP-HCP fund to assist with starting the program. It was agreed that these funds are owed back to the Development Services Department, in full, at such a time that the SEP-HCP fund is stable.

DSD and SEP-HCP staff agreed that the fund was stable enough to start reimbursing these funds in FY 2021.
