Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I believe that public libraries are essential city services, in the same category as public safety, utilities, public works, and sanitation. Libraries provide opportunities for disadvantaged or marginalized communities that might not otherwise be available to them, as well as entertainment and pleasure in the form of books, videos, music and magazines. I have been a library user my entire life and getting to work for the San Antonio Public Library was an honor and a pleasure. It would be an even greater honor to continue to support the work of the library as a board member.
