The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death, or property damage. IN THE EVENT DREAMVOICE AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

11.2 The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. DREAMVOICE shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or DREAMVOICE known to DREAMVOICE related to or arising out of DREAMVOICE's activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at DREAMVOICE's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving DREAMVOICE of any of its obligations under this paragraph.

11.3 Defense Counsel - City shall have the right to select or to approve defense counsel to be retained by DREAMVOICE in fulfilling its obligation hereunder to defend and indemnify City, unless such right is expressly waived by City in writing. DREAMVOICE shall retain City approved defense counsel within seven (7) business days of City's written notice that City is invoking its right to indemnification under this Agreement. If DREAMVOICE fails to retain Counsel within such time period, City shall have the right to retain defense counsel on its own behalf, and DREAMVOICE shall be liable for all costs incurred by City. City shall also have the right, at its option, to be represented by advisory counsel of its own selection and at its own expense, without waiving the foregoing.

11.4 Employee Litigation – In any and all claims against any party indemnified hereunder by any employee of DREAMVOICE, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation herein provided shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for DREAMVOICE or any subcontractor under worker's compensation or other employee benefit acts.

11.5 Adversarial Proceedings – Under no circumstances shall the funds received under this Agreement be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the CITY or any other public entity.

11.6 During the term of this Agreement, if Grantee files and/or pursues an adversarial proceeding against the CITY, regardless of the source of funds used by Grantee to pay expenses related to said adversarial proceeding, then, at the CITY's option, this Agreement and all access to the funding provided for hereunder may terminate and at Grantee may be ineligible for consideration for future funding by the City.

11.7 For purposes of this Article, "adversarial proceedings" include any cause of action filed by Grantee in any state or federal court, as well as any state or federal administrative hearing, but does not include Alternative Dispute Resolution proceedings.

XII. ASSIGNMENT AND SUBCONTRACTING

12.1 DreamVoice shall supply qualified personnel as may be necessary to complete the work to be performed under this Agreement. Persons retained to perform work pursuant to this Agreement shall be the employees or subcontractors of DreamVoice. DreamVoice, its employees or its subcontractors shall perform all necessary work.

12.2 It is City's understanding and this Agreement is made in reliance thereon, that DreamVoice intends to use no subcontractors in the performance of this Agreement. Any deviation from this subcontractor list, whether in the form of deletions, additions or substitutions shall be approved by City of San Antonio City Council (hereafter "City Council"), as evidenced by passage of an ordinance, prior to the provision of any services by said subcontractor.

12.3 Any work or services approved for subcontracting hereunder shall be subcontracted only by written contract and, unless specific waiver is granted in writing by the City, shall be subject by its terms to each and every provision of this Agreement. Compliance by subcontractors with this Agreement shall be the responsibility of DreamVoice. City shall in no event be obligated to any third party, including any subcontractor of DreamVoice, for performance of services or payment of fees. Any references in this Agreement to an assignee, transferee, or subcontractor, indicate only such an entity as has been approved by the City Council.

12.4 Except as otherwise stated herein, DreamVoice may not sell, assign, pledge, transfer or convey any interest in this Agreement, nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the consent of the City Council, as evidenced by passage of an ordinance. As a condition of such consent, if such consent is granted, DreamVoice shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor DreamVoice, assignee, transferee or subcontractor.

12.5 Any attempt to transfer, pledge or otherwise assign this Agreement without said written approval, shall be void ab initio and shall confer no rights upon any third person. Should DreamVoice assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of DreamVoice shall thereupon cease and terminate, in accordance with Article VII., Termination, notwithstanding any other remedy available to City under this

Agreement. The violation of this provision by DreamVoice shall in no event release DreamVoice from any obligation under the terms of this Agreement, nor shall it relieve or release DreamVoice from the payment of any damages to City, which City sustains as a result of such violation.

XIII. INDEPENDENT CONTRACTOR

DreamVoice covenants and agrees that it is an independent contractor and not an officer, agent, servant or employee of City; that DreamVoice shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, and subcontractors; that the doctrine of respondeat superior shall not apply as between City and DreamVoice, its officers, agents, employees, contractors, and subcontractors, and nothing herein shall be construed as creating the relationship of employer-employee, principal-agent, partners or joint venturers between City and DreamVoice. The parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the DreamVoice under this Agreement and that DreamVoice has no authority to bind the City.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. In case of City, such changes must be approved by the City Council, as described in Article XVI., Amendments. The Parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

I. TERM

II. SCOPE OF SERVICES

An officer or employee has a "prohibited financial interest"

in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- a City officer or employee; his or her spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity;
- an entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10 percent or more of the voting stock or shares of the entity, or (ii) 10 percent or more of the fair market value of the entity; or

10.2 Pursuant to the subsection above, CONSULTANT warrants and certifies, and this CONTRACT is made in reliance thereon, that by contracting with the CITY, CONSULTANT does not cause a City employee or officer to have a prohibited financial interest in the CONTRACT. CONSULTANT further warrants and certifies that it has tendered to the CITY a Contracts Disclosure Statement in compliance with the City's Ethics Code.

- 11.5 As they apply to the limits required by the CITY, the CITY shall be entitled, upon request and without expense, to receive copies of the policies, declaration page and all required endorsements.  - Provide advance written notice directly to CITY of any suspension, or non-renewal in coverage, and not less than ten (10) days advance notice for nonpayment of premium.
- 11.7 Within five (5) days of a suspension, cancellation or non-renewal of coverage, CONSULTANT shall provide a replacement Certificate of Insurance and applicable endorsements to CITY. CITY shall have the option to suspend CONSULTANT's performance should there be a lapse in coverage at any time during this CONTRACT. XII. INDEMNITY

- 12.1 **CONSULTANT covenants and agrees to FULLY INDEMNIFY, DEFEND and HOLD HARMLESS, the CITY and the elected officials, employees, officers, directors, volunteers and representatives of the CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to CONSULTANT's activities under this CONTRACT including any acts or omissions of CONSULTANT, any agent, officer, director, representative, employee, consultant or subcontractor of CONSULTANT, and their respective officers, agents, employees, directors and representatives while in the exercise of the rights or performance of the duties under this CONTRACT. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death, or property damage. IN THE EVENT CONSULTANT AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.**
- 12.2 The provisions of this INDEMNITY are solely for the benefit of the Parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. CONSULTANT shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or CONSULTANT known to CONSULTANT related to or arising out of CONSULTANT's activities under this CONTRACT and shall see to the investigation and defense of such claim or demand at CONSULTANT's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving CONSULTANT of any of its obligations under this paragraph.
- 12.3 Defense Counsel - CITY shall have the right to select or to approve defense counsel to be retained by CONSULTANT in fulfilling its obligation hereunder to defend and indemnify CITY, unless such right is expressly waived by CITY in writing. CONSULTANT shall retain CITY approved defense counsel within seven (7) business days of CITY's written notice that CITY is invoking its right to indemnification under this CONTRACT. If CONSULTANT fails to retain counsel within such time period, CITY shall have the right to retain defense counsel on its own behalf, and CONSULTANT shall be liable for all costs incurred by CITY. CITY shall also have the right, at its option, to be represented by advisory counsel of its own selection and at its own expense, without waiving the foregoing.
- 12.4 Employee Litigation – In any and all claims against any party indemnified hereunder by any employee of CONSULTANT, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation herein provided shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for CONSULTANT or any subcontractor under worker's compensation or other employee benefit acts.

XIII. NON-DISCRIMINATION

- 13.1 As a condition of entering into this CONTRACT, CONSULTANT represents and warrants that it will not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or treatment of subcontractors, vendors, suppliers, or customers, nor shall CONSULTANT retaliate against any person for reporting instances of such discrimination. CONSULTANT shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its subcontracting and supply opportunities.

XIV. TERMINATION

- 14.1 For purposes of this CONTRACT, "termination" of this CONTRACT shall mean termination by expiration of the CONTRACT term or earlier termination pursuant to any of the provisions in this CONTRACT.
- 14.2 TERMINATION BY NOTICE: The CONTRACT may be terminated by either party upon written notice, provided such notice specifies an effective date of termination, which shall be not less than thirty (30) days from the date such notice is sent. If the notice does not specify a date of termination, the effective date of termination shall be thirty-five (35) days after the date the notice is sent. All files are the property of the CITY and, at the CITY'S request, will be delivered at no cost to the CITY or its designated recipient at the effective date of termination.
- 14.3 TERMINATION FOR CAUSE: If either party defaults in the performance of any of the terms or conditions of this CONTRACT, the non-defaulting party shall deliver to the defaulting party written notice specifying the matters of default. The defaulting party shall have ten (10) days after its receipt of the written notice to cure such default. If the defaulting party fails to cure the default within such ten (10) day period, the non-defaulting party may terminate this CONTRACT, in whole or in part, upon written notice, as of the date provided in the notice.
- 14.4 TERMINATION BY LAW: If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties specified in this CONTRACT or if any law is interpreted to prohibit such performance, and the CONTRACT may not be continued by severance of the prohibited duties, this CONTRACT shall automatically terminate as of the effective date of such prohibition.
- 14.5 NON-APPROPRIATION: If, through action or no action initiated by the City of San Antonio, the CITY's legislative body does not appropriate funds for the continuation of this CONTRACT and has no funds to do so from other sources, this CONTRACT may be terminated. To effect this termination, the CITY shall, thirty (30) days prior to the period for which funds are not appropriated, send the CONSULTANT written notice stating that the City of San Antonio failed to appropriate funds.
- 14.6 EFFECT OF TERMINATION: Upon the effective date of expiration or termination of this CONTRACT CONSULTANT shall cease all operations of work being performed by CONSULTANT or any of its approved subcontractors pursuant to this CONTRACT. The period between notice of termination and the effective date of termination shall be used to effect an orderly transfer of records and documents and funds, if any, from the CONSULTANT to the CITY or to such person(s) as the CITY may designate, if so requested by CITY; otherwise, the documents shall be retained by CONSULTANT in accordance with Article VII, Right of Review and Records Retention. Any records or documents transfer shall be completed within fifteen (15) days of the termination date. Any such transfer of records or funds shall be completed at the CONSULTANT's sole cost and expense.
- 14.7 Within thirty (30) days of the effective date of termination (unless an extension is authorized in writing by the CITY), the CONSULTANT shall submit to the CITY, its claim, in detail, for the monies owed by the CITY for services performed under this CONTRACT through the effective date of termination. Failure by CONSULTANT to submit its claims within said thirty (30) days shall negate any liability on the part of CITY and constitute a waiver by CONSULTANT of any and all right or claims to collect funds that CONSULTANT may rightfully be otherwise entitled to for services performed pursuant to this CONTRACT.

- 14.8 Upon termination of this CONTRACT, the CITY may immediately commence an audit of the CONSULTANT'S books, accounts, and records. Within thirty (30) days after being notified by the CITY of the results of said audit, the CONSULTANT shall pay the CITY any amount shown by said audit to be owed the CITY.
- 14.9 Termination not sole remedy. In no event shall CITY's action of terminating this CONTRACT, whether for cause or otherwise, be deemed an election of CITY's remedies, nor shall such termination limit, in any way, at law or at equity, CITY's right to seek damages from or otherwise pursue CONSULTANT for any default under this CONTRACT or other action.

XV. AMENDMENT

- 15.1 Except where the terms of this CONTRACT expressly provide otherwise, any amendment to this CONTRACT shall not be binding on the Parties unless such amendment be in writing, executed by both CITY and CONSULTANT and dated subsequent to the date hereof.
- 15.2 Director shall have the authority to execute an amendment of this CONTRACT without the necessity of seeking any further approval by the City Council of the City of San Antonio, if permitted by all applicable local, state and federal laws, to increase in funding of this CONTRACT in an amount not exceeding (a) twenty-five percent (25%) of the total amount of this CONTRACT or (b) \$25,000.00, whichever is the lesser amount; provided, however, that the cumulative total of all amendments increasing funding and executed without City Council approval pursuant to this subsection during the term of this CONTRACT shall not exceed the foregoing amount.
- 15.2 It is understood and agreed by Parties hereto, that changes in local, state and federal rules, regulations or laws applicable hereto, may occur during the term of this CONTRACT and that any such changes shall be automatically incorporated into this CONTRACT without written amendment hereto, and shall become a part of this CONTRACT as of the effective date of the rule, regulation or law.

DELEGATE AGENCY CONTRACT**WITH**

Project QUEST, Inc.

This Contract is between the City of San Antonio ("City"), a Texas Municipal Corporation, acting by and through its Director of the Department of Economic Development ("Managing City Department") pursuant to Ordinance No. , dated , and Project QUEST, Inc. ("Contractor") (together, the "Parties").

Background

- A. The City adopted a budget for the expenditure of City of San Antonio General Fund Operating funds which included an allocation of funds for a project entitled "Project QUEST" ("**Project**"); and
- B. The City wishes to engage the Contractor to carry out the Project.

Contract

The Parties agree as follows:

I. SCOPE OF WORK

- 1.1 The Contractor will provide, oversee and administer all activities and services in a manner satisfactory to the City and in compliance with the attached **Scope of Work** and **Scorecard ("Attachment I")**.

II. TERM

- 2.1 This Contract shall begin on October 1, 2022 and shall terminate on September 30, 2023.

III. CONSIDERATION

- 3.1 The City will reimburse Contractor in an amount not to exceed **\$2,000,000** for costs incurred in accordance with the attached **Budget ("Attachment II")**, and all subsequently authorized Budget Revisions or Budget Amendments to that Budget.
- 3.2 Funding through this Contract is based on an allocation from the following sources:

 X General Fund

Contractor shall comply with the attached **Funding Guide ("Attachment III")**.

- 3.3 The City's obligations under this Contract are contingent upon the actual receipt of adequate General Fund revenue, as applicable, to meet City's liabilities under this Contract. If the City does not receive sufficient funds to make payments pursuant to this Contract, then City, at its sole discretion, may elect to terminate this Contract or reduce the Scope of Work and Compensation. City shall notify Contractor in writing of its determination within a reasonable time.
- 3.4 Contractor's total agency revenues and expenses derived from both non-City sources and from the City is deemed Contractor's Total Budget:

$$\text{Total Budget} = \text{non-City revenue/expenses} + \text{City Revenue/expenses}$$

The percentage of Total Budget derived from non-City sources must meet the following "match" requirements:

- (A) If Contractor receives an aggregate amount of \$1,000,000.00 or more in City funds from all City funded contracts, then Contractor must obtain at least thirty-five percent (35%) of its Total Budget from non-City sources (i.e., no more than sixty-five percent (65%) of its Total Budget is derived from the City).
- (B) If Contractor receives less than an aggregate amount of \$1,000,000.00 in City funds from all City funded contracts, then Contractor shall obtain fifty percent (50%) of its Total Budget from non-City sources (i.e., no more than fifty percent (50%) of its Total Budget is derived from the City).

City shall require sufficient information that Contractor's match is in place before contract execution, and may request, at the end of each quarter, information and documentation confirming that Contractor has expended or is on course to expend its "match" requirement before the end of the Contract term. City has no obligation to provide any funds until Contractor demonstrates having secured or expended the required percentage of matching funds. Pell grants and other awards received by individuals, and in-kind contributions shall not count toward its matching fund requirements. If Contractor does not provide City with acceptable information and documentation that the required amount of non-City funds have been expended then City may reduce or recapture funds pursuant to Section 4.6 to comply with the match requirement. Contractor acknowledges that reduction or recapture of funds pursuant to Section 4.6 does not require the approval of City Council.

- 3.5 Contractor understands and agrees that the submission of certain documents by November 1, 2022 are necessary for proper administration of this Contract and that Contract funds are subject to reallocation to another entity should Contractor fail to submit the applicable documents by the stated deadline. City shall notify Contractor by October 15, 2022 which documents are outstanding and that Contractor's funding may be reallocated pursuant to this Section. Extensions may be granted on a case-by-case basis and as solely determined by the Director of the Managing City Department.

IV. COST REIMBURSEMENT; FISCAL RESPONSIBILITY

- 4.1 ***Allowable Costs*** means *those costs which are necessary, reasonable and allowable under applicable federal, state, and local law, including but not limited to those laws referenced in Article XI for the proper administration and performance of the services to be provided under this Contract.* The City's payment obligation under this cost reimbursement Contract is limited to making reimbursements for Allowable Costs incurred as a direct result of City-funded services provided by the Contractor in accordance with this Contract and consistent with budgeted line items in the applicable Budget. Approved Budget Revisions (*total Contract Budget remains the same*) and Budget Amendments (*an increase or decrease to the total Contract Budget*) supersede prior budget documents and all references to the Budget mean the last revised, approved budget.
- 4.2 **Advance payment.** In case of unforeseen or special circumstances, Contractor may submit to the Director of the Managing City Department, in the form prescribed by the City, a written request for advance payments, including the specific reason for such request no less than ten (10) business days before the requested date of payment. Each request will be considered by the Director of the Managing City Department on a case-by-case basis. The Director of the Managing City Department's shall have sole discretion to approve or disapprove a request. If advance payments are approved then:
 - a. Contractor's payments to its vendors using funds advanced by the City shall be paid in a prompt and timely manner but no later than 10 calendar days after the Contractor is notified that an advance payment has been made available so long as services have been performed by the vendor.
 - b. Contractor must deposit advanced City funds in a bank insured with the Federal Deposit Insurance Corporation (FDIC). If Contractor's total deposits in the bank, including all City funds deposited with the bank, exceed the FDIC insurance limit, then the Contractor must arrange to automatically have the excess collaterally secured. Contractor must provide City a copy of the collateral agreement with the Contractor's banking institution. Advanced funds that cause the Contractor's account balance to exceed the FDIC limit must be deposited in compliance with the Public Funds Investment Act (Chapter 2256 of the Texas Government Code). Contractor shall maintain the FDIC insured bank account in which City funds are deposited and its recordkeeping in a manner that will allow City to track, in detail, expenditures made pursuant to this and all other City contracts.
 - c. The City may, in its sole discretion, either 1) deduct pro rata from the remaining monthly reimbursements amounts necessary to offset the amount advanced, or 2) deduct from a single subsequent monthly reimbursement the full amount advanced to Contractor. The City will consider

factors such as projected allowable costs and other pertinent indicators such as Contractor's financial stability. Contractor shall maintain a financial management system to account for periodic, or a lump sum, deduction from reimbursements.

- 4.3 Contractor's Request for Payment. Contractor shall submit to City no later than the 15th of every month a monthly Request for Payment in the form prescribed by City, which details:
- a. the specific costs (by category and by program account number) Contractor expensed in the previous month for the services delivered as described in Article I; and
 - b. supporting documentation of costs as may be required by the Director of the Managing City Department (e.g., original or certified copies of invoices, cancelled checks, Contractor's general ledger and/or receipts to verify invoiced expenses); and
 - c. the Program Income received or projected during the same time period.
- 4.4 City Payment. City shall pay for eligible expenses and undisputed amounts in submitted Requests for Payments within 30 calendar days of receiving a properly completed, documented and approved Request for Payment.
- 4.5 Final Request for Payment. The Contractor shall submit to City all final requests for payment no later than 30 days from the expiration or early termination date of this Contract, unless Contractor receives written authorization from the Director of the Managing City Department allowing Contractor to submit a request for payment after the 30 day period.
- 4.6 Return of Funds. Within 10 business days of City's written notification, or the Contractor becoming aware of its existence, Contractor must return to the City any funds, credits that are on-hand or collected, or advance payments that:
- a. exceed allowable costs incurred during the Contract term; or
 - b. for which Contractor fails to deliver services as specified under the Contract.

Any amounts not returned within 10 business days may, at City's option, be subject to offset against future funding obligations by City. *"Business day" means every day of the week except all Saturdays, Sundays and those scheduled holidays officially adopted and approved by the San Antonio City Council for City of San Antonio employees.*

- 4.7 Cost Rules.
- (A) Administrative Overhead. Administrative overhead costs may not exceed twenty percent (20%) of the funding provided under this Contract. More stringent administrative overhead costs limitations may be applicable due to grant regulations associated with Contract funding. Contractor shall provide City detailed administrative costs by line item with its annual program budget.
 - (B) Contractor shall establish, submit with supporting documentation and use a Cost Allocation Plan with Contractor's annual program budget by the deadline established by the City. The ***Cost Allocation Plan*** is a plan that identifies and distributes the cost of services provided by staff and/or departments or functions and overhead not solely devoted to the Project funded by this Contract. The ***Cost Allocation Plan*** substantiates how the costs of a program are charged to a particular cost category or to the program and ensures that the City is paying only its share of the costs for services, overhead, and staffing.
 - (C) Contractor costs or earnings claimed under this Contract may not be claimed under another contract or grant from another agency, organization, business entity or governmental entity.
 - (D) Contractor shall not use funds awarded from this Contract as matching funds for any federal, state or local grant without the prior written approval of the Director of the Managing City Department.
 - (E) Contractor shall not use funds awarded from this Contract to braid with other City funds to carry out services.
- 4.8 Each year Contractor shall submit to the Managing City Department a form 990 or 990T no later than 30 days after Internal Revenue Service (IRS) deadlines for completion. If filing an extension, Contractor shall notify the City in writing of the extension and the anticipated date of filing with the IRS. Contractor shall

submit the 990 or 990T to the Managing City Department no later than 30 days after Contractor files under the extension.

- 4.9 The Contractor warrants that any and all taxes that the Contractor may be obligated for, including but not limited to, federal, state, and local taxes, fees, special assessments, federal and state payroll and income taxes, personal property, real estate, sales and franchise taxes, are current, and paid to the fullest extent liable as of the execution date and throughout the term of the Contract.

- 4.10 Contractor shall comply with the following check writing and handling procedures:

- (A) No signing of blank checks.
- (B) No checks made payable to cash or bearer with the exception of those for petty cash reimbursement. Petty cash checks must not exceed 1) \$100.00 maximum per check and 2) \$200.00 in aggregate per location for any given calendar month during the term of this Contract unless Contractor receives prior written approval from the Managing City Department to exceed the limit. Requests for petty cash must be supported by the submission to the Managing City Department of an original receipt.
- (C) Checks issued by City to Contractor shall be deposited into the appropriate bank account immediately or by the next business day after Contractor's receipt of each such check, and shall never be cashed for purposes of receiving any of the face amount back.

- 4.11 Contractor shall comply with the following:

- (A) ***"Program Income"*** means Contractor earnings from activities under this Contract or from Contractor's management of funding provided or received under this Contract. Program Income includes, but shall not be limited to,

- 1. interest income;
- 2. usage or rental/lease fees;
- 3. income produced from contract-supported services of individuals or employees or from the use of equipment or facilities of Contractor provided as a result of this Contract, and
- 4. payments from clients or third parties for services rendered by Contractor pursuant to this Contract.

Contractor must not charge fees or solicit donations from participants in any City-funded project without the prior written approval of the Director of the Managing City Department.

- (B) The Contractor must fully disclose and be accountable to the City for all **Program Income**. Contractor shall provide 30 days' written notice detailing the type, time, and place of all activities, anticipated to generate program income. Within 30 days after activity that generates program income, Contractor must submit a statement of expenditures and revenues to the Managing City Department. The statement is subject to audit verification by Managing City Department. Failure by Contractor to report program income as required is grounds for suspension, cancellation, or termination of this Contract.

- (C) At the sole option and upon prior written direction from the Director of the Managing City Department, Contractor will either:

- 1. return **Program Income** funds to City within the timeframe that may be specified by the Director of the Managing City Department; or
- 2. retain **Program Income** funds to be added to the Project and used to further eligible Project objectives but only if the proposed expenditures are approved by the City; or
- 3. deduct **Program Income** funds from the total Project cost for the purpose of determining the net cost reimbursed by the City. In this case, Contractor must submit all reports required by the Managing City Department within the timeframe specified in the Contract.

- (D) Contractor must include this Section 4.11, in its entirety, in all of its subcontracts involving income-producing services or activities.

Contractor further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City’s Ethics Code.

- 13.1 Termination for Cause. Should the Contractor fail to fulfill in a timely and proper manner, or violate, obligations, covenants, conditions, or stipulations of this Contract, the City shall have the right to terminate this Contract in whole or in part by sending written notice to the Contractor of such termination and specify the effective date thereof (which date shall not be sooner than the 10th day following the day on which such notice is sent).

- 13.4 Notwithstanding any other remedy contained in this Contract or provided by law, the City may delay, suspend, limit, or cancel funds, rights or privileges given the Contractor for failure to comply with the terms and provisions of this Contract. Specifically, at the sole option of the City, the Contractor may be placed on probation during which time the City may withhold reimbursements in cases where it determines that the Contractor is not in compliance with this Contract. The Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of this Contract, and the City may withhold funds otherwise due as damages, in addition to retaining and utilizing any other remedies available to the City.

XIV. DEBARMENT

- 14.1 Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in any state or federal Program. Contractor shall provide immediate written notice to City, in accordance with the notice requirements of **Article XVII**, if, at any time during the term of the Contract, including any renewals hereof, Contractor learns that its certification was erroneous when made or have become erroneous by reason of changed circumstances.

- 14.2 Should the Contractor be debarred by City pursuant to a debarment policy currently existing or hereafter adopted, said debarment may within City's sole and absolute discretion, be grounds for termination for cause.

- 15.1 Any alterations, additions or deletions to the terms hereof shall be by amendment in writing executed by both City and Contractor and evidenced by passage of a subsequent City ordinance, as to City's approval; provided, however, the Director of the Managing City Department shall have the authority to execute an amendment of this Contract without the necessity of seeking any further approval by the City Council of the City of San Antonio, if permitted by all applicable local, state and federal laws, and in the following circumstances:
- (A) an increase in Contract funding in an amount not exceeding (a) twenty-five percent (25%) of the total amount of this Contract or (b) \$25,000.00, whichever is the lesser amount; provided, however, that the cumulative total of all amendments increasing funding and executed without City Council approval pursuant to this subsection during the term of this Contract shall not exceed the foregoing amount;

Any work or services for sub-contracting hereunder, shall be sub-contracted only by written Contract, and unless specific waiver is granted in writing by City, shall be subject by its terms to each and every provision of this Contract. Compliance by sub-contractors with this Contract shall be the responsibility of Contractor. Contractor agrees that payment for services of any sub-contractor shall be submitted through Contractor, and Contractor shall be responsible for all payments to sub-contractors.
- 16.3 Contractor must comply with all applicable local, state and federal procurement standards, rules, regulations and laws in all its sub-contracts related to the work or funds under this Contract, including those referenced in Section 11.2(A). It is further agreed by the Parties that the City has the authority to monitor, audit, examine, and make copies and transcripts of all sub-contracts, as often as deemed appropriate by the City. 3. coercing personnel, whether directly or indirectly, to work on political activities on their personal time, including activities such as taking part in voter registration drives, voter transportation activities, lobbying, collecting contributions, making speeches, organizing or assisting at meetings or rallies, or distributing political literature; and
 4. using facilities or equipment paid for, in whole or in part with City funds for political purposes including physical facilities such as office space, office equipment or supplies, such as telephones, computers, fax machines, during and after regular business hours.
- (D) To ensure that the above policies are complied with, Contractor shall provide every member of its personnel paid out of City funds with a statement of the above prohibitions, which shall include a paragraph that directs any staff person who has knowledge of violations or feels that he or she has been pressured to violate the above policies to call and report the same to the contact person listed on the statement within the Managing City Department. Contractor shall have each said individual sign a statement acknowledging receipt of the policy.
- (E) Contractor agrees that in any instance where an investigation of the above is ongoing or has been confirmed, reimbursements paid to the Contractor under this Contract may, at the City's discretion, be withheld until the situation is resolved.
- (F) This Section shall not be construed to prohibit any person from exercising his or her right to express his or her opinion or to limit any individual's right to vote. Further, Contractor and staff members are not prohibited from participating in political activities on their own volition, if done during time not paid for with City funds.
- 18.2 Adversarial Proceedings. Contractor agrees that under no circumstances will the funds received under this Contract be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the City or any other public entity and City may conduct an audit under Section 6.4 to make such determination. Contractor understands that the City may deem Contractor ineligible for consideration to receive any future funding under this Contract or under another existing or future agreement while any adversarial proceedings against the City remains unresolved. This Contract may be terminated by City under Article XIII should Contractor have a pending lawsuit against City or file a lawsuit against the City during the term of this Contract.

Contractor acknowledges that City Code Section 2-309 provides that any person acting as a legal signatory for an entity that applies for a "high-profile" discretionary contract, as defined by the City of San Antonio Procurement Policy and Procedures Manual, may not make a campaign contribution to any councilmember or candidate at any time from the tenth business day after the Consolidated Human Development Funding Services Pool Request for Proposal (RFP) is released, and ending on the 30th calendar day following the contract award. Any legal signatory for a proposed high-profile contract must be identified within the response to the RFP or RFQ, if the identity of the signatory will be different from the individual submitting the response. Contractor acknowledges that the City has identified this Contract as high profile. Contractor warrants and certifies, and this Contract is made in reliance thereon, that the individual signing this Contract has not made any contributions in violation of City Code Section 2-309, and will not do so for 30 calendar days following the award of this Contract. Should the signer of this Contract violate this provision, the City Council may, in its discretion, declare the Contract void.

- 19.3 Any and all of the employees of the Contractor, wherever located, while engaged in the performance of any work required by the City under this Contract shall be considered employees of the Contractor only, and not of the City, and any and all claims that may arise from the Workers' Compensation Act on behalf of said employees while so engaged shall be the sole obligation and responsibility of the Contractor.
- 19.4 Non-Waiver. No waiver, change, modification or discharge by either Party of any provision of this Contract shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged. Unless otherwise specifically provided for in this Contract, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Contract shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party under this Contract or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved.

- 19.7 Severability. If any clause or provision of this Contract is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of City, it is the intention of the Parties that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Contract shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained. It is also the intention of the Parties that in lieu of each clause or provision of this Contract that is invalid, illegal or unenforceable, there be added as a part of this Contract a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.
- 19.8 Authority. The signer of this Contract for Contractor represents, warrants, assures and guarantees that he has full legal authority to execute this Contract on behalf of Contractor and to bind Contractor to all of its terms, conditions, provisions and obligations. Contractor shall provide evidence to City upon execution of this Contract that it is currently operating as a Texas non-profit corporation exempt from tax under Section 501(c)(3) of the Internal Revenue Code, or a for-profit entity governed by an autonomous governing body, acting in accordance with the governing instruments submitted to the City in its application for funding. Whether a non-profit or for-profit entity, Contractor must be authorized to do business in the State of Texas and be formed under and operating in accordance with all applicable laws of the State of Texas. Contractor shall provide Managing City Department verification of the foregoing requirements no later than the execution date of this Contract.
- 19.9 Entire Contract. This Contract and its attachments, if any, contain all of the terms and conditions agreed upon, constitute the entire and integrated Contract between the Parties, and supersede all prior negotiations, representations, or contracts, either oral or written.

WHEREAS, the Grantee shall expend the funds provided under this Agreement in accordance with all applicable laws of public funding; and

NOW THEREFORE, the Parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

I. PURPOSE

1.1 The purpose of this Agreement is to establish the terms and conditions under which Grantee will implement the EastPoint/Promise Zone Neighborhood Sustainability Plan (the “Project”).

3.3 Communications between City and Grantee shall be directed to the designated representatives of each as set forth in paragraphs numbered 3.1 and 3.2 hereinabove.

IV. RESPONSIBILITIES OF GRANTEE; SCOPE OF WORK

4.1 Grantee will provide, oversee, administer, and carry out all activities and services in compliance with this Agreement, including the **Scope of Work and Budget** attached hereto and incorporated herein for all purposes as Attachment I. The Director of the Neighborhood and Housing Services Department may agree to an amendment of this Agreement without further action by City Council in order to revise Attachment I, so long as modifications are consistent with, and in furtherance of, the Project.

V. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

5.1 Grantee warrants and represents that it will comply with all applicable federal, state, and local laws and regulations in the performance of the obligations set forth in this Agreement. 1. does not boycott Israel; and
2. will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations with ten (10) or more full time employees that exists to make a profit. and will not boycott Israel during the term of the Agreement. CITY hereby relies on Grantee's verification. If found to be false, CITY may terminate this Agreement for material breach.

VI. RECEIPT, DISBURSEMENT, AND ACCOUNT OF FUNDS BY GRANTEE

6.2 City shall neither be obligated nor liable under this Agreement to any third party for payment of any monies or provision of any goods or services. All other costs beyond that which are provided as payment/reimbursement to Grantee under this Agreement are the sole responsibility of Grantee.

6.3 In those instances in which advance payments are authorized:

- (B) The Grantee must deposit City funds in an account in a bank insured with the Federal Deposit Insurance Corporation (FDIC). In those situations where Grantee's total deposits in said bank, including all City funds deposited with said bank, exceed the FDIC insurance limit, the Grantee must arrange with said bank to automatically have the excess collaterally secured. A written copy of the collateral agreement must be obtained by Grantee from the Grantee's banking institution, maintained on file, and be available for City monitoring reviews and audits. Advanced funds that cause the Grantee's account balance to exceed the FDIC limit shall be deposited in a manner consistent with the Public Funds Investment Act (Chapter 2256 of the Texas Government Code) as amended. Grantee shall maintain the FDIC insured bank account in which City funds are deposited and its recordkeeping in a manner that will allow City to track expenditures made pursuant to this and all other City contracts.
- (C) The City may, in its sole discretion, either deduct from monthly reimbursements amounts necessary to offset the amount advanced based upon the number of months remaining in the Agreement Term, or from a single subsequent monthly reimbursement the full amount previously advanced to Grantee. The City may consider factors such as projected allowable costs and other indicators such as Grantee's financial stability. Grantee shall maintain a financial management system to account for periodic, or a lump sum, deduction from reimbursements.

6.4 Grantee shall account for expenses in accordance with the following procedure:

- (A) Grantee shall submit applicable documentation supporting Grantee's expenditure in question to Director of the Neighborhood and Housing Services Department or his or her designee on a monthly basis. Grantee shall certify on with each monthly documentation submission that the expenditures for which Grantee sought advancement were made in compliance with federal, state, and local laws.
- (B) The Director of the Neighborhood and Housing Services Department or his or her designee shall review the monthly expenditure documentation submitted by Grantee, notify Grantee of its approval or disapproval, and indicate the balance of funds advanced for which the Grantee must still account.

6.5 City shall provide Grantee written notice regarding any expenditure the City reasonably determines to be outside the permissible parameters of this Agreement. Said notice will provide Grantee thirty (30) days from receipt of said notice to cure the deficiency or refund to the City any sum of money previously provided by City to Grantee determined to:

- (A) Have not been spent by Grantee strictly in accordance with the terms of this Agreement; or
- (B) Not be supported by adequate documentation to fully justify the expenditure.

- (A) That maintenance of said records shall be in compliance with all terms, provisions, and requirements of this Agreement and with all generally accepted accounting practices; and
- (B) That Grantee's record system shall contain sufficient documentation to provide, in detail, full support and justification for each expenditure.

6.7 Grantee agrees to retain all books, records, documents, reports, written accounting policies and procedures, and all other relevant materials (hereinafter "records") pertaining to activities related to this Agreement for a minimum of four (4) years from the expiration or early termination of this Agreement. Records will be retained by Grantee in an electronic format and Grantee will forward the records to City at the end of the four (4) year period, if the City so requests.

6.8 Upon termination of this Agreement, should any expense or charge be subsequently disallowed or disapproved using the same criteria as set out in Section 6.5 as a result of any auditing or monitoring by City, Grantee shall refund such amount to City within thirty (30) days of City's written request therefor wherein the amount disallowed or disapproved shall be specified. Costs shall be considered allowable only if so approved in Grantee's budget, and incurred directly and specifically in the performance of and in compliance with this Agreement and with all city, state and federal laws, regulations, and ordinances affecting Grantee's operations hereunder.

VII. FURTHER REPRESENTATIONS, WARRANTIES, AND COVENANTS

7.1 Grantee further represents and warrants that:

VIII. ACCESSIBILITY OF RECORDS AND MONITORING; REPORTING

8.1 At any time and as often as City may deem reasonable and necessary, upon three (3) business days written notice, Grantee shall make all of its records pertaining to this Agreement available to City or any of its authorized representatives, and shall permit City or any of its authorized representatives to audit, examine, and make excerpts and/or copies of same.

8.2 Grantee agrees and represents that it will cooperate with City, at no charge to the City, to satisfy, to the extent required by law, any and all requests for information received by City under the Texas Public Information Act or related laws pertaining to this Agreement.

Grantee shall submit a completed Metrics Report no later than the tenth (10th) day of every quarter, beginning with January 10th (April 10th, July 10th, and October 10th of 2022 for the last quarter, thereafter), which shall reflect the actual services delivered and outcomes achieved against the proposed total metrics for all months preceding the submission. The Grantee ensures that all information contained in all required reports submitted to City is accurate and support documentation shall be maintained.

IX. INDEMNITY, LIMITATION OF LIABILITY

9.1 GRANTEE covenants and agrees to FULLY INDEMNIFY, DEFEND, and HOLD HARMLESS the CITY and the elected officials, employees, officers, directors, volunteers, and representatives of the CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability, and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to CONSULTANT's activities under this AGREEMENT, including any acts or omissions of GRANTEE, any agent, officer, director, representative, employee, consultant, or subcontractor of GRANTEE, and their respective officers, agents, employees, directors, and representatives while in the exercise of the rights or performance of the duties under this AGREEMENT. CITY shall also have the right, at its option, to be represented by advisory counsel of its own selection and at its own expense, without waiving the foregoing.

9.4 Employee Litigation – In any and all claims against any party indemnified hereunder by any employee of GRANTEE, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation herein provided shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for GRANTEE or any subcontractor under worker's compensation or other employee benefit acts.

9.5 Adversarial Proceedings – Under no circumstances shall the funds received under this Agreement be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the CITY or any other public entity.

9.6 During the term of this Agreement, if Grantee files and/or pursues an adversarial proceeding against the CITY, regardless of the source of funds used by Grantee to pay expenses related to said adversarial proceeding, then, at the CITY's option, this Agreement and all access to the funding provided for hereunder may terminate and at Grantee may be ineligible for consideration for future funding by the City.

9.7 For purposes of this Article, "adversarial proceedings" include any cause of action filed by Grantee in any state or federal court, as well as any state or federal administrative hearing, but does not include Alternative Dispute Resolution proceedings.

Policy limits of the coverages carried by subcontractors will be determined as a business decision of Grantee. Grantee shall provide the CITY with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the Agreement for all purposes.

10.5 As they apply to the limits required by the City, the City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page, and all required endorsements. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

10.8 In addition to any other remedies the City may have upon Grantee's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Grantee to stop work hereunder and/or withhold any payment(s) which become due to Grantee hereunder until Grantee demonstrates compliance with the requirements hereof.

10.9 Nothing herein contained shall be construed as limiting in any way the extent to which Grantee may be held responsible for payments of damages to persons or property resulting from Grantee's or its subcontractors' performance of the work covered under this Agreement.

10.10 It is agreed that Grantee's insurance shall be deemed primary and non-contributory with respect to any insurance or self-insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

10.12 Grantee and any Subcontractors are responsible for all damage to their own equipment and/or property.

XI. TERMINATION

11.1 City has the right to terminate this Agreement for non-compliance, in whole or in part, at any time before the date of completion of the Term whenever City determines that Grantee has failed to comply with any term of this Agreement. City will provide Grantee with written

notification as to the nature of the non-compliance, and give Grantee a thirty (30) day period from the date of the City's written notification to cure any issue of non-compliance. Should Grantee fail to cure any default within this period of time, City may terminate this Agreement immediately by providing written notice to Grantee and withhold further payments to Grantee.

11.2 Within thirty (30) days of termination of this Agreement, Grantee shall return to the City all funds that the City finds, within its sole discretion, to be a disallowable expenditure under this Agreement. Within thirty (30) days after the expiration or termination of this Agreement, Grantee shall also turn over to the City copies of all records, documents, files, and other instruments in its possession pertaining to the Grantee's performance under this Agreement, if so requested by the City.

An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies, or service, if any of the following individual(s) or entities is a party to the contract or sale:

ATTACHMENT I

Scope of Work

SAGE was founded to advance economic development and community revitalization in San Antonio's Eastside – a community with a proud history and culture that has also been challenged by disinvestment. SAGE understands that successful community revitalization requires the integration of diverse efforts to, among other things, improve safety, provide affordable housing, invest in the workforce, encourage entrepreneurship and advance the education of children and adults. Recognizing that no single organization or institution can accomplish all of these things effectively, SAGE seeks to excel in its core competency of economic development while acting as a coordinator and connector among city agencies, other non-profit organizations and local corporations/businesses that invest in the Eastside through other approaches and fields of work. As a community-based organization, SAGE also understands the importance of engaging the residents, business owners and faith leaders to build a unified constituency for community reinvestment efforts.

Over the past five years, SAGE has been a leading community-based institution in the implementation of the Eastside Promise Zone Initiative, which has been the largest community development initiative targeting a low-income community in the history of San Antonio. More than \$100 million has been invested in the near Eastside, including major federal grants through the United Way, the San Antonio Housing Authority and SAISD. In addition to implementing the neighborhood economic development component of this project, SAGE's President and CEO has served on the Eastside Promise Zone Coordinating Council, together with the Mayor, City Manager and CEOs of lead institutions, to ensure a well-coordinated approach to overall implementation. Now that the large federal grants are coming to a close, these key leaders of the Coordinating Council have recognized SAGE's leading role and capacity and have collectively agreed to support SAGE as a "community quarterback" agency to lead the sustainability effort for the next stage of the Eastside Promise Zone initiative.

The following outlines SAGE's scope of work in acting as a collective impact coordinator or "community quarterback" in the effort to sustain and advance investment initiatives in the Eastside Promise Zone, including the following elements.

- Staff and Guide Strategy for the Coordinating Council and Executive Committee
- Report on Community Needs and Opportunities
- Catalogue Investments and Communicate Impact
- Community Engagement
- Capacity Building for Community-Based Organizations
- AmeriCorps VISTA Program Host Site
- Neighborhood Marketing
- Sustainability

I. Staff and Guide Strategy for the Coordinating Council and Executive Committee

The Eastside Promise Zone Coordinating Council is the body that sets high level strategic direction for Promise Zone initiatives and is where major institutions and community representatives collaborate to advance a collective impact agenda. The Eastside Promise

Zone community, just like any other, is not stagnant and will continue to grow and change over time. Therefore, as central coordinator, SAGE will perform ongoing needs assessments of the community, including an accounting of changing demographic and socio-economic attributes through quantitative research, as well as changing feedback from community members through qualitative measures, such as focus groups, interviews, or surveys.

II. Catalogue Investments and Communicate Impact

SAGE will assist the Eastside Promise Zone Coordinating Council to develop and maintain a set of overarching goals against which to measure the progress and impact of initiatives in the Promise Zone. SAGE will be responsible for cataloguing investments in the Promise Zone and, at least annually, will gather impact reports from the agencies represented on the Coordinating Council. SAGE will distill these reports into a consolidated annual report on progress against the Coordinating Council's overall goals.

III. Community Engagement

Recognizing that many entities and partners conduct outreach to the community, SAGE will actively engage community residents, businesses and faith communities in the Promise Zone to provide consistent and trustworthy information about major decisions and investments that will have an impact in the community. Examples of anticipated community engagement practices include:

- Maintain a newsletter and host in-person public meetings, including on weekends or in the evenings, to:
 - Share information on initiative activities and resources with local residents and business owners;
 - Respond to requests and answers questions from the general public; and
 - Facilitate conversations with local residents and business owners to solicit feedback on Promise Zone activities, incorporate feedback, and report back to the community on implementation.
- Engaging community members in a manner that meets them where they are, including, but not limited to, by:
 - Spreading news about community engagement opportunities in a variety of ways, such as via social media, door-to-door block walking, utilizing peer engagement practices, by phone, and through other modes as needed;
 - Participating in the meetings of neighborhood associations, churches and other neighborhood-based institutions; and
 - Hosting community engagement activities at times that accommodate residents' and business owners' work schedules.

IV. Capacity Building for Community-Based Organizations

SAGE will provide capacity building for smaller and/or less experienced community based organizations engaged in Promise Zone initiatives. SAGE may act as a fiscal agent, a provider of "back office" administrative services or provide technical assistance. SAGE will work with CBOs to implement programs and allocate funding appropriately, providing them with technical assistance on an as-needed basis. The goal of these capacity building services

will be to ensure the accountability and strong financial management that is necessary to increase direct investment in community-based organizations by funder-partners.

In support of its administrative and technical assistance services, SAGE will host various non- profit symposiums.

V. AmeriCorps VISTA Program Host Site

The Eastside Promise Zone was awarded 5 AmeriCorps VISTA volunteers by the federal Corporation for National and Community Service (CNCS) to help implement the revitalization initiatives as part of the federal Promise Zone designation. SAGE serves as the host site for all 5 VISTAs who work to build capacity in the Promise Zone.

Acting as the VISTA program host site, SAGE will:

- Provide a site supervisor to provide day-to-day supervision of the activities of the VISTA members.
- Recruit, screen, interview, select, and submit VISTA candidates to the Project Sponsor for approval and placement at Pre-service Orientation (PSO). VISTA candidate applications must be submitted to NHSD for approval one week before the CNCS deadline.
- Create and use a VISTA Volunteer Assignment Description (VAD) as the source of tasks and responsibilities for the VISTA member to empower the capacity building activities of the members.
- Provide adequate working space, materials, supplies, and access to a phone and computer to permit the VISTA members to perform their assigned duties.
- Provide the VISTA members individualized on-site orientation and training at the beginning of their term of service.
- Ensure that VISTA members dedicate an average of 40 hours per week to their approved VISTA work plans and member descriptions to address the community needs identified by the Promise Zone Coordinating Council.
- Track VISTA members' personal and sick leave on a monthly basis. SAGE should use their existing policies and procedures to account for a VISTA members' actual work schedule and hours served.
- Schedule regular meetings with the VISTA members to discuss the project and other concerns.
- Ensure that the VISTA member is reimbursed for all local travel associated with the project. Mileage reimbursement should be done in accordance with SAGE's existing policies and procedures.
- Allow and encourage VISTA member participation in scheduled professional development and training opportunities, site visits, and conference calls.
- Inform NHSD of any changes in status of the VISTAs and other concerns related to the VISTA Project.
- Provide project updates via quarterly Project Progress Reports (PPR) with VISTA member input. Updates are due within ten days of the close of each reporting period.

- SAGE is responsible for the cost of (1) Cost Share AmeriCorps VISTA. It is SAGE's responsibility to ensure that timely payment of the CNCS invoice for the (1) Cost Share AmeriCorps VISTA is processed in the eGrants portal on a bi-weekly basis.

<u>Reporting Periods</u>	<u>Due Dates</u>
October 1 through December 31	January 10
January 1 through March 31	April 10
April 1 through June 30	July 10
July 1 through September 30.....	October 10

VI. Neighborhood Marketing

As the coordinator for implementing a collective impact model for sustaining investment in the Promise Zone footprint, SAGE will provide marketing in support of a positive neighborhood brand and image. In this role, SAGE will:

- Manage and maintain all Promise Zone information on SAGE's website and social media accounts;
- Manage Eastside Promise Zone Facebook page; engage local media about Promise Zone milestones, including major accomplishments and impacts reported by Promise Zone partners;
- In coordination with relevant city agencies, engage small businesses and larger corporations to support their decision to invest in and locate in the community.

VII. Sustainability

Working closely with the Eastside Promise Zone Coordinating Council, SAGE will take the lead in facilitating communication among the partner regarding resource development for initiatives in the Promise Zone. Each member of the Coordinating Council will undertake their own resource development efforts and will inform the other members of the Coordinating Council of significant fundraising efforts that target the Promise Zone. SAGE will be the central point of contact for this communication among members of the Coordinating Council. To the extent that organizations not represented on the Coordinating Council seek the explicit support of the Council for specific proposals or requests for funding, SAGE will be the point of contact for this communication.

SAGE will also seek to coordinate the development of joint proposals for funding among members of the Coordinating Council and other agencies that serve the Promise Zone. In some instances, SAGE may act as the fiscal lead for collaborative proposals, and in other instances, SAGE will only facilitate communication among partners.

- 3.6 Audit Conditions and Requirements:
 - a. Therefore, it is essential that City is made aware of progress made upon this AGREEMENT. The audited financial statements must include a schedule of receipts and disbursements by budgeting cost category and a certification from LIFTFUND stating whether or not the terms and conditions of the AGREEMENT were met. In addition, when LIFTFUND has expended federal or state funds that exceed the single audit threshold amount in effect during the period of this AGREEMENT, the audit shall be conducted in accordance with the Single Audit Act Agreements of 1996 and the U.S. Office of Management and Budget Circular A-133 (latest revision), and/or the State of Texas Single Audit Circular.

- 4.6 If LiftFund fails to maintain the aforementioned insurance, the City may obtain such insurance, and deduct and retain the amount of the premiums for such insurance from any sums due under the agreement; however, procuring of said insurance by the City is an alternative to other remedies the City may have, and is not the exclusive remedy for failure of LiftFund to maintain said insurance or secure such endorsement. In addition to any other remedies the City may have upon LiftFund's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order LiftFund to stop work hereunder, and/or withhold any payment(s) which become due to LiftFund hereunder until LiftFund demonstrates compliance with the requirements hereof.

Subcontractors shall provide LiftFund with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. 11.12 CONTRACTOR and any approved subcontractors are responsible for all damage to their own equipment and /or property.

XII. INDEMNITY

12.1 CONTRACTOR covenants and agrees to FULLY INDEMNIFY, DEFEND and HOLD HARMLESS, the CITY and the elected officials, employees, officers, directors, volunteers and representatives of the CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to CONTRACTOR'S activities under this CONTRACT including any negligent acts or omissions of CONTRACTOR, any agent, officer, director, representative, employee, CONTRACTOR or subcontractor of CONTRACTOR, and their respective officers, agents, employees, directors and representatives while in the exercise of the rights or performance of the duties under this CONTRACT. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death, or property damage. IN THE EVENT CONTRACTOR AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

12.2 The provisions of this INDEMNITY are solely for the benefit of the Parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. CONTRACTOR shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or CONTRACTOR

known to CONTRACTOR related to or arising out of CONTRACTOR's activities under this CONTRACT and shall see to the investigation and defense of such claim or demand at CONTRACTOR's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving CONTRACTOR of any of its obligations under this paragraph.

12.3 Defense Counsel - CITY shall have the right to select or to approve defense counsel to be retained by CONTRACTOR in fulfilling its obligation hereunder to defend and indemnify CITY, unless such right is expressly waived by CITY in writing. CONTRACTOR shall retain CITY approved defense counsel within seven (7) business days of CITY's written notice that CITY is invoking its right to indemnification under this CONTRACT. If CONTRACTOR fails to retain counsel within such time period, CITY shall have the right to retain defense counsel on its own behalf, and CONTRACTOR shall be liable for all costs incurred by CITY. CITY shall also have the right, at its option, to be represented by advisory counsel of its own selection and at its own expense, without waiving the foregoing.

12.4 Employee Litigation - In any and all claims against any party indemnified hereunder by any employee of CONTRACTOR, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation herein provided shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for CONTRACTOR or any subcontractor under worker's compensation or other employee benefit acts.

XIII. NON-DISCRIMINATION

13.1 As a condition of entering into this CONTRACT, CONTRACTOR represents and warrants that it will not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or treatment of subcontractors, vendors, suppliers, or customers, nor shall CONTRACTOR retaliate against any person for reporting instances of such discrimination. CONTRACTOR shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its subcontracting and supply opportunities.

XIV. TERMINATION

14.1 For purposes of this CONTRACT, "termination" of this CONTRACT shall mean termination by expiration of the CONTRACT term or earlier termination pursuant to any of the provisions hereof.

14.2 **TERMINATION BY NOTICE:** The CONTRACT may be terminated by either party upon written notice, provided such notice specifies an effective date of termination, which shall be not less than thirty (30) days from the date such notice is received by the other party. If the notice does not specify a date of termination, the effective date of termination shall be thirty (30) days after receipt of the notice by the other party. All files are the property of the CITY and, at the CITY's request, will be delivered at no cost to the CITY or its designated recipient at the effective date of termination.

14.3 **TERMINATION FOR CAUSE:** Should either party default in the performance of any of the terms or conditions of this CONTRACT, the non-defaulting party shall deliver to the defaulting party written notice thereof specifying the matters of default. The defaulting party shall have ten (10) days after its receipt of the written notice to cure such default. If the defaulting party fails to cure the default within such ten (10) day period, the non-defaulting party may elect to terminate this CONTRACT, in whole or in part, upon written notice, as of the date provided in the notice.

14.4 TERMINATION BY LAW: If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein or if any law is interpreted to prohibit such performance, and the CONTRACT may not be continued by severance of the prohibited duties, this CONTRACT shall automatically terminate as of the effective date of such prohibition.

14.5 NON-APPROPRIATION: In the event that through action or no action initiated by the City of San Antonio, the CITY's legislative body does not appropriate funds for the continuation of this CONTRACT and has no funds to do so from other sources, this CONTRACT may be terminated. To effect this termination, the CITY shall, thirty (30) days prior to the period for which funds are not appropriated, send the CONTRACTOR written notice stating that the City of San Antonio failed to appropriate funds.

14.6 EFFECT OF TERMINATION: Upon the effective date of expiration or termination of this CONTRACT, CONTRACTOR shall cease all operations of work being performed by CONTRACTOR or any of its approved subcontractors pursuant to this CONTRACT. The period between notice of termination and the effective date of termination shall be used to effect an orderly transfer of records and documents and funds, if any, from the CONTRACTOR to the CITY or to such person(s) as the CITY may designate, if so requested by CITY; otherwise, the documents shall be retained by CONTRACTOR in accordance with Article VII, Right of Review and Records Retention. Any records or documents transfer shall be completed within fifteen (15) days of the termination date. Any such transfer of records or funds shall be completed at the CONTRACTOR's sole cost and expense.

14.7 Within sixty (60) days of the effective date of termination (unless an extension is authorized in writing by the CITY), the CONTRACTOR shall submit to the CITY, its claim, in detail, for the monies owed by the CITY for services performed under this CONTRACT through the effective date of termination. Failure by CONTRACTOR to submit its claims within said sixty (60) days shall negate any liability on the part of CITY and constitute a waiver by CONTRACTOR of any and all right or claims to collect funds that CONTRACTOR may rightfully be otherwise entitled to for services performed pursuant to this CONTRACT.

14.8 Upon termination of this CONTRACT, the CITY may immediately commence an audit of the CONTRACTOR's books, accounts, and records. Within thirty (30) days after being notified by the CITY of the results of said audit, the CONTRACTOR shall pay the CITY any amount shown by said audit to be owed the CITY.

14.9 Termination not sole remedy. In no event shall CITY's action of terminating this CONTRACT, whether for cause or otherwise, be deemed an election of CITY's remedies, nor shall such termination limit, in any way, at law or at equity, CITY's right to seek damages from or otherwise pursue CONTRACTOR for any default hereunder or other action.

XV. AMENDMENT

15.1 Except where the terms of this CONTRACT expressly provide otherwise, any amendment to this CONTRACT shall not be binding on the Parties unless such amendment be in writing, executed by both CITY and CONTRACTOR and dated subsequent to the date hereof.

15.2 It is understood and agreed by Parties hereto, that changes in local, state and federal rules, regulations or laws applicable hereto, may occur during the term of this CONTRACT and that any such changes shall be automatically incorporated into this CONTRACT without written amendment hereto, and shall become a part hereof as of the effective date of the rule, regulation or law.

XVI. NOTICE

Memorandum of Agreement

This Memorandum of Agreement (the Agreement) is entered into between the City of San Antonio (City), a Texas Municipal Corporation, on behalf of the San Antonio Metropolitan Health District (Metro Health) pursuant to Ordinance No. _____ passed and approved on _____ 2022, and the YMCA of Greater San Antonio (YMCA), which is a non-profit corporation (hereinafter collectively referred to as the Parties).

WHEREAS, two of the broad goals of the City are to increase physical activity and to positively change social norms regarding physical activity, with specific strategies including the development and implementation of one (1) sustainable Siclovía Community Event; and

WHEREAS, Siclovía Community Events are intended to engage families and the entire community in non-competitive physical activities and promote active and alternative transportation (walking, bicycling); and

WHEREAS, the City, through Metro Health, with the assistance of the YMCA has staged Siclovía Community Events and wishes to provide assistance in the continuation of these events in the future; and

WHEREAS, the City has determined that the Siclovía Community Events benefit the health and welfare of the community, and are therefore a public purpose for which the City can provide funds to the YMCA for use at such events; and

NOW THEREFORE, the Parties agree that this Agreement outlines the responsibilities of each of the Parties:

I. PURPOSE

1.1 The Parties have determined that through their mutual collaboration the YMCA can continue the efforts developed and instituted by the City in launching one (1) Siclovía Community Event that engages families and the entire community in non-competitive physical activities and promotes active and alternative transportation (walking, bicycling) and ultimately offers opportunities for greater physical activity and impacts normative beliefs regarding physical activity and exercise.

II. TERM

2.1 This agreement shall commence on October 1, 2022 and will terminate on September 30, 2023.

2.2 The YMCA acknowledges that the City has projected costs for this Agreement and that City expects to pay all obligations of this Agreement from projected revenue sources, but that all obligations of City are subject to funding from the general fund. Accordingly, if the City should fail to appropriate sums to pay any of the City's obligations under the terms of this Agreement, this Agreement shall terminate upon thirty (30) days written notice to the YMCA, and neither the YMCA nor the City shall have any further obligations hereunder. Lack of funding is not and shall not be considered a breach of this Agreement. Payment for services performed by the YMCA through the effective date of termination shall be made pursuant to the terms herein.

The parties agree and understand that the actual use of City park facilities will be dependent on availability.

4.6 The City, through its Public Works Department, will provide traffic control plans, pavement markings, installation/collection of No Parking signs, limited street and sidewalk repairs, pre and post-event street sweeping, mowing, and other administrative functions if necessary for the one (1) Siclovía Community Event. Any additional services to be provided by Public Works, and subsequent funding, that is required to ensure the success of future events may be addressed in a separate agreement.

6.2 The YMCA shall retain any and all documents produced as a result of services provided for a period of four (4) years (hereafter referred to as "retention period"), from the date of termination of this Agreement. The YMCA acknowledges and agrees that the City shall have access to any and all such documents at any and all times, as deemed necessary by the City, during said retention period. The City may, at its election, require the YMCA to return said documents to the City prior to or at the conclusion of said retention.

6.3 The Public Information Act, found in Section 552.021 of the Government Code, requires that the City make public information available to the public. Under Government Code Section 552.002(a), public information means information that is collected, assembled or maintained under a law or ordinance or in connection with the transaction of official business: 1) by a governmental body; or 2) for a governmental body and the governmental body owns the information or has a right of access to it. Therefore, if the YMCA receives inquiries regarding documents within its possession pursuant to this Agreement, the YMCA shall within twenty-four (24) hours of receiving the requests forward such requests to the City for disposition. If the requested information is confidential pursuant to state or federal law, the YMCA shall submit to the City the list of specific statutory authority mandating confidentiality no later than three (3) business days after the YMCA's receipt of such request. Communication and coordination regarding public information requests shall be made through the designated public information liaison for each Party. Each Party shall designate in writing to the other Party, the public information liaison for its organization, and notice shall be provided promptly to the other Party should a change in the designated liaison occur during the Agreement period.

VI. TERMINATION

7.1 For purposes of this Agreement "termination" of this Agreement shall mean termination by expiration of the Agreement term as stated in Article II. Term, or earlier termination pursuant to any of the provisions hereof.

7.2 Termination Without Cause. This Agreement may be terminated by the City upon thirty (30) calendar days written notice, which notice shall be provided in accordance with Article VIII. Notice.

7.3 Termination For Cause. Upon written notice, which notice shall be provided in accordance with Article VIII, the City may terminate this Agreement as of the date provided in the notice, in whole or in part, upon the occurrence of one (1) or more of the following events, each of which shall constitute an Event for Cause under this Agreement:

7.3.1 The sale, transfer, pledge, conveyance or assignment of this Agreement without prior approval by the City.

7.4 Defaults With Opportunity for Cure. Should the YMCA default in the performance of this Agreement in a manner stated below, same shall be considered an event of default. The City shall deliver written notice of said default specifying such matter(s) in default. The YMCA shall have ten (10) calendar days after receipt of the written notice, in accordance with Article IX. Notice, to cure such default. If the YMCA fails to cure the default within such ten-day cure period, the City shall have the right without further notice, to terminate this Agreement in whole or in part as City deems appropriate, and to contract with another contractor to complete the work required in this Agreement. The City shall also have the right to offset the cost of said new Agreement with a new contractor against the YMCA's future or unpaid invoice(s), subject to the duty on the part of the City to mitigate its losses to the extent required by law.

7.4.1 Bankruptcy or selling substantially all of company's assets;

- 7.4.2 Failing to perform or failing to comply with any covenant herein required;
or
- 7.4.3 Performing unsatisfactorily.

7.5 Termination By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.

7.6 Regardless of how this Agreement is terminated, the YMCA shall affect an orderly transfer to the City or to such person(s) or firm(s) as the City may designate, at no additional cost to the City, all completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced as a result of or pertaining to the services rendered by the YMCA, or provided to the YMCA, regardless of storage medium, if so requested by the City, or shall otherwise be retained by the YMCA in accordance with Article VI. Any record transfer shall be completed within thirty (30) calendar days of a written request by the City and shall be completed at the YMCA's sole cost and expense. Payment of compensation due or to become due to the YMCA is conditioned upon delivery of all such documents, if requested.

7.7 Within thirty (30) calendar days of the effective date of completion, or termination or expiration of this Agreement, the YMCA shall submit to the City its claims, in detail, for the monies owed by the City for services performed under this Agreement through the effective date of termination. Failure by the YMCA to submit its claims within said thirty (30) calendar days shall negate any liability on the part of the City and constitute a Waiver by the YMCA of any and all right or claims to collect moneys that the YMCA may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

7.8 Upon the effective date of expiration or termination of this Agreement, the YMCA shall cease all operations of work being performed by the YMCA or any of its subcontractors pursuant to this Agreement.

7.9 Termination not sole remedy. X. ADMINISTRATION OF AGREEMENT and RESTRICTIONS ON USE OF FUNDS

10.1 The YMCA shall maintain financial records, supporting documents, statistical records, and all other books, documents, papers or other records pertinent to this Agreement or the grant in accordance with the official records retention schedules established within the Local Government Records Act of 1989 and any amendments thereto, or for such period as may be specifically required by 45 C.F.R. §74.53 or 45 C.F.R. §92.42, as applicable, whichever is longer. Notwithstanding the foregoing, YMCA shall maintain all Agreement and grant related documents for no less than four (4) years from the date of City's submission of the annual financial report covering the funds awarded hereunder. If an audit, litigation, or other action involving the records has been initiated before the end of the four (4) year period, YMCA agrees to maintain the records until the end of the four (4) year period or until the audit, litigation, or other action is completed, whichever is later.

The YMCA shall make available to the City, or any of their duly authorized representatives, upon appropriate notice, such books, records, reports, documents, papers, policies and procedures as may be necessary for audit, examination, excerpt, transcription, and copy purposes, for as long as such records, reports, books, documents, and papers are retained. This right also includes timely and reasonable access to the YMCA's facility and to the YMCA's personnel for the purpose of interview and discussion related to such documents. The YMCA shall, upon request, transfer certain records to the custody of the City, when the City determines that the records possess long-term retention value.

10.2 Unless otherwise provided herein, all reports, statements, records, data, policies and procedures or other information that is under the direct control of the YMCA requested by Metro Health shall be submitted by the YMCA to the City within five (5) working days of the request. Furthermore, the YMCA ensures that all information contained in all required reports or information submitted to the City is accurate.

10.3 Unless disclosure is authorized by the City, the YMCA agrees to maintain in confidence all information pertaining to the Project or other information and materials prepared for, provided by, or obtained from the City including, without limitation, reports, information, project evaluation, project designs, data, other related information (collectively, "Confidential Information") and to use the Confidential Information

The YMCA shall protect the Confidential Information and shall take all reasonable steps to prevent its unauthorized disclosure, dissemination, or publication. If disclosure is required (i) by law or (ii) by order of a governmental agency or court of competent jurisdiction, the YMCA shall give the Director of Metro Health prior written notice that such disclosure is required with a full and complete description regarding such requirement. The YMCA shall establish specific procedures designed to meet the obligations of this Article, including, but not limited to execution of confidential disclosure agreements, regarding the Confidential Information with the YMCA's employees and subcontractors prior to any disclosure of the Confidential Information. This Article shall not be construed to limit the City's or its authorized representatives' right to obtain copies, review and audit records or other information, confidential or otherwise, under this Agreement. Upon termination or expiration of this Agreement, the YMCA shall return to the City all copies of materials related to the Project, including the Confidential Information. All confidential obligations contained herein (including those pertaining to information transmitted orally) shall survive the termination of this Agreement. "Director" shall mean the acting director of City's Center City Development Office.

"Contractor" is defined in the preamble of this Agreement and includes its successors.

"Event" shall mean the Cesar Chavez March (in-person or virtual) put on by Contractor and to be held on March 25, 2023

II. TERM

2.1 Unless sooner terminated in accordance with the provisions herein, the Term of this Agreement shall cover expenses occurring from October 1, 2022 until all obligations are met by the Parties but in no case later than September 30, 2023. After such date, no payment will be made to Contractor or on Contractor's behalf.

2.2 If funding for the entire Agreement is not appropriated at the time this Agreement is entered into, City retains the right to terminate this Agreement at the expiration of each of the City's budget periods, and any subsequent contract period is subject to and contingent upon such appropriation.

III. SCOPE OF SERVICES

3.1 In accordance with City Ordinance #90421, the City is providing funding through this Agreement for the public purpose of supporting the Event as a catalyst for community pride. It is understood that Contractor is not receiving funds for its undertaking or planning of the event; it is only receiving reimbursement for expenses associated with the event and owed to third-parties to include the City.

3.2 Contractor agrees to provide the services described in EXHIBIT A ("Scope of Services"), in exchange for the compensation described in Article IV ("Compensation,"), provided that Contractor can provide documentation to City evidencing that a third-party contractor provided services to Contractor directly related to the Event, that such services were adequate and that payment in the amount requested through an itemized invoice is reasonable. In addition, the City shall provide services in support of the Event in an amount no less than \$25,000.

3.3 All work performed by Contractor hereunder shall be performed to the satisfaction of Director. The determination made by Director shall be final, binding and conclusive on all Parties hereto. 4.2 No additional fees or expenses of Contractor shall be charged by Contractor nor be payable by City. The parties hereby agree that all compensable expenses of Contractor have been provided for in the total payment to Contractor as specified in section 4.1 above. Total payments to Contractor cannot exceed that amount set forth in section 4.1 above, without prior approval and agreement of all parties, evidenced in writing and approved by the San Antonio City Council by passage of an ordinance therefore.

4.3 Final acceptance of work products and services require written approval by City. The approval official shall be Director. Payment will be made to Contractor following written approval of the final work products and services by Director. 5.1 Contractor and its subcontractors, if any, shall properly, accurately and completely maintain all documents, papers, and records, and other evidence pertaining to the services rendered hereunder (hereafter referred to as "documents"), and shall make such materials available to the City at their respective offices, at all reasonable times and as often as City may deem necessary during the Agreement period, including any extension or renewal hereof, and the record retention period established herein, for purposes of audit, inspection, examination, and making excerpts or copies of same by City and any of its authorized representatives.

5.2 Contractor shall retain any and all documents produced as a result of services provided hereunder for a period of four (4) years (hereafter referred to as "retention period") from the date of termination of the Agreement. If, at the end of the retention period, there is litigation or other questions arising from, involving or concerning this documentation or the services provided hereunder, Contractor shall retain the records until the resolution of such litigation or other such questions. Contractor acknowledges and agrees that City shall have access to any and all such documents at any and all times, as deemed necessary by City, during said retention period. City may, at its election, require Contractor to return said documents to City prior to or at the conclusion of said retention.

5.3 Contractor shall notify City, immediately, in the event Contractor receives any requests for information from a third party, which pertain to the documentation and records referenced herein. Contractor understands and agrees that City will process and handle all such requests.

If Contractor fails to cure the default within such fifteen (15) day cure period, City shall have the right, without further notice, to terminate this Agreement in whole or in part as City deems appropriate, and to contract with another Contractor to complete the work required in this Agreement. City shall also have the right to offset the cost of said new Agreement with a new Contractor against Contractor's future or unpaid invoice(s), subject to the duty on the part of City to mitigate its losses to the extent required by law.

6.7 Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Agreement, Contractor shall submit to City its claims, in detail, for the monies owed by City for services performed under this Agreement through the effective date of termination. Failure by Contractor to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of City and constitute a **Waiver** by Contractor of any and all right or claims to collect moneys that Contractor may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

6.8 Upon the effective date of expiration or termination of this Agreement, Contractor shall cease all operations of work being performed by Contractor or any of its subcontractors pursuant to this Agreement.

6.9 Termination not sole remedy. In no event shall City's action of terminating this Agreement, whether for cause or otherwise, be deemed an election of City's remedies, nor shall such termination limit, in any way, at law or at equity, City's right to seek damages from or otherwise pursue Contractor for any default hereunder or other action.

TRIPLE P DISCUSSION GROUPS

WHAT IS TRIPLE P DISCUSSION GROUPS?

The Triple P Discussion Group Series includes parent discussion groups on commonly encountered problems such as disobedience, fighting and aggression, and managing situations such as shopping with children and bedtime. The discussion groups are designed to provide an overview of the positive parenting principles for any interested parent. Parents are actively involved throughout the 2-hour small group format discussions.

WHO IS IT FOR?

Parents or caregivers with a specific concern about their child's behavior. They are most likely to benefit when their concerns are around a relatively discreet, mild to moderate behavioral issue and when parents can independently implement parenting plans that are generated during each session. They are also encouraged to apply new parenting skills to other problems that may arise.

WHAT IS COVERED IN SESSIONS WITH PARENTS?

Topic 1: Dealing with disobedience

This discussion topic provides examples of common forms of disobedience and some reasons why children have difficulty learning to follow instructions. A number of positive parenting strategies are then introduced to help parents develop a personal plan to prevent disobedience, teach their child limits, and also to manage disobedience when necessary.

Topic 2: Managing fighting and aggression

During this discussion topic, parents are encouraged to share their experiences of aggressive and destructive behavior from their children and discuss some of the reasons children fight. This topic covers the skills that children need to be able to cooperate and get along with others. Parents learn how to teach skills such as sharing, communicating, and being gentle. They also prepare plans to manage times when fighting and aggression do occur.

Topic 3: Developing good bedtime routines

This discussion topic explores different problems parents commonly face at bedtime and some of the reasons why they happen. The skills children need to get into a good bedtime routine are discussed and parents are introduced to positive parenting strategies to help prevent problems. The approaches to encouraging children to stay in their own bed throughout the night are discussed: the gentle, the gradual, and the direct approach. All approaches are evidence-based and parents choose which approach suits them best.

Topic 4: Hassle-free shopping with children

This discussion topic uses shopping trips as an example of one of the most common times parents have to deal with difficult behavior in public. Positive parenting strategies are discussed as step-by-step suggestions for preventing problems and teaching children how to behave on shopping trips. Parents develop individualized plans to manage problem behavior during their own shopping trips and are encouraged to transfer new parenting strategies to other potentially difficult community situations.

GROUP TRIPLE P

WHAT IS GROUP TRIPLE P?

A broad-based parenting intervention delivered over eight weeks for parents of children up to 12-years. The program involves five (2-hour) group sessions of up to 12 parents. Parents actively participate in a range of exercises to learn about the causes of child behavior problems, setting specific goals, and using strategies to promote child development, manage misbehavior, and plan for high-risk situations. Then there are three (15 to 30 minute) individual (telephone) consultations to assist parents with independent problem solving while they are practicing the skills at home.

WHO IS IT FOR?

Parents or caregivers interested in promoting their child's development and potential or they may have concerns about their child's behavioral problems or simply wish to prevent behavior problems from developing. Parents who have completed lower level interventions and have not achieved the goals they want, may benefit from a Group Triple P intervention. Parents need to be able to commit to all eight sessions.

WHAT IS COVERED IN SESSIONS WITH PARENTS?

Session 1: Positive parenting

This session provides parents with an introduction to positive parenting, why children behave as they do, and how to set goals for change. Parents submit a completed assessment booklet at the beginning of this session.

Session 2: Helping children develop

During this session, the practitioner discusses how to develop good relationships with children, how to encourage good behavior, and the four strategies for how parents can teach their children new skills and behaviors.

Session 3: Managing misbehavior

During this session, the practitioner offers additional strategies to assist parents with managing misbehavior during this session. Parents will also learn to develop parenting routines to promote compliance and manage non-compliance from their children. They have an opportunity to rehearse these routines during the session.

Session 4: Planning ahead

This session covers family survival tips, identifying high-risk situations that still cause concern, and how to develop planning ahead routines to promote good child behavior in high risk situations (e.g. shopping, learning how to take turns, fighting with siblings, getting ready for school). Parents also prepare for their individual consultations during this session.

Session 5-7: Using positive parenting strategies 1-3

The practitioner provides feedback from initial assessments that the family completed and then uses the self-regulatory feedback model to help parents review their implementation of planning ahead routines for their high-risk situations. From this, parents set goals for further refinement of their routines, if needed.

Session 8: Program close

Parents return for a final group session to review progress, look at ways to maintain changes and plan for the future, and to close the program. If necessary, referral options are discussed.

The original certificate(s) or form must have the agent's original signature, including the signer's company affiliation, title and phone number, and be mailed directly from the agent to the City. The City shall have no duty to pay or perform under this Agreement until such certificate shall have been delivered to City's Workforce Development Office, and no officer or employee, other than the City's Risk Manager, shall have authority to waive this requirement.

- 13.1** The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement, but in no instance will City allow modification whereupon City may incur increased risk.
- 13.2** The Alamo Colleges District financial integrity is of interest to the City; therefore, subject to Alamo Colleges District's right to maintain reasonable deductibles in such amounts as are approved by the City, Alamo Colleges District shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Alamo Colleges District's sole expense, insurance coverage written on an occurrence basis, by companies authorized and admitted to do business in the State of Texas and with A.M. Best rating of no less than A- (VII).
- 13.3** The City shall be entitled, upon request and without expense, to receive copies of the policies and all endorsements thereto as they apply to the limits required by the City, and may require the deletion, revision, or modification of particular policy terms, conditions, limitations or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Alamo Colleges District shall be required to comply with any such requests and shall submit a copy of the replacement

certificate of insurance to City at the address provided in Section 13.4 herein within 10 days of the requested change. Alamo Colleges District shall pay any costs incurred resulting from said changes.

- 13.4** When there is a cancellation, non-renewal or material change in coverage which is not made pursuant to a request by City, Alamo Colleges District shall notify the City of such and shall give such notices not less than thirty (30) days prior to the change, if Alamo Colleges District knows of said change in advance, or ten (10) days notice after the change, if the Alamo Colleges District did not know of the change in advance. Such notice must be accompanied by a replacement Certificate of Insurance. All notices shall be given to the City at the following address:

City of San Antonio
Workforce Development Office
P.O. Box 839966
San Antonio, Texas 78283-3966

- 13.5** If Alamo Colleges District fails to maintain the aforementioned insurance, the City may obtain such insurance, and deduct and retain the amount of the premiums for such insurance from any sums due under the agreement; however, procuring of said insurance by the City is an alternative to other remedies the City may have, and is not the exclusive remedy for failure of Alamo Colleges District to maintain said insurance or secure such endorsement. In addition to any other remedies the City may have upon Alamo Colleges District's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Alamo Colleges District to stop work hereunder, and/or withhold any payment(s) which become due to Alamo Colleges District hereunder until Alamo Colleges District demonstrates compliance with the requirements hereof.

- 13.6** Nothing herein contained shall be construed as limiting in any way the extent to which Alamo Colleges District may be held responsible for payments of damages to persons or property resulting from Alamo Colleges District's or its subcontractors' performance of the work covered under this Agreement.

- 13.7** It is agreed that Alamo Colleges District's insurance shall be deemed primary with respect to any insurance or self-insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

- 13.8** Alamo Colleges District subcontractors will be required to have the same insurance requirement(s) as Alamo Colleges District. Alamo Colleges District will be responsible for overseeing its subcontractors insurance requirements. Alamo Colleges District will have the option to provide insurance for all subcontractors providing services under this Agreement by adding an endorsement on their insurance policy naming such subcontractors as additional insureds on Alamo Colleges District insurance policy to the full extent needed to cover the subcontractors for the types and amounts of insurance set out in Article 13.1 above. Subcontractors shall provide Alamo Colleges District with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be

modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the contract for all purposes.

*** NATIONAL INSTITUTE OF MEXICAN
AMERICAN HISTORY OF CIVIL RIGHTS, INC.**

This Contract is entered into by and between the City of San Antonio ("City"), a Texas Municipal Corporation, acting by and through its Executive Director for Department of Arts and Culture pursuant to Ordinance No. **2022-09- - dated September , 2022**, and National Institute of Mexican American History of Civil Rights, Inc. ("Grantee").

WITNESSETH:

WHEREAS, the Department of Arts and Culture is designated as the managing City department ("Department") for the City; and

WHEREAS, City has provided certain funds from the Hotel Occupancy Tax Fund for the promotion of tourism and the convention and hotel industry through the encouragement, promotion, improvement, application and exhibition of the arts; and

WHEREAS, City has provided certain General Fund dollars for arts and cultural activities; and

WHEREAS, City has adopted a budget for expenditure of such funds, and included is an allocation of funds for a project(s) entitled **Operational Support** ("Project"); and

WHEREAS, City wishes to engage Grantee to carry out the Project(s); NOW THEREFORE:

The Parties agree as follows:

I. SCOPE OF WORK

- 1.1 Grantee will provide, oversee, administer, and carry out all activities and services in a manner satisfactory to City and in compliance with the Core Grants Guidelines, incorporated by reference, as well as the List of Allowable Costs, which is affixed and incorporated into this Contract as **Attachment I** and Grantee's FY23 Contract Renewal Application, which is incorporated into this Contract by reference.

II. TERM

- 2.1 Except as otherwise provided for pursuant to its provisions, this Contract shall begin on **October 1, 2022** and shall terminate on **September 30, 2023**, except as provided for in this Contract.

- 2.2 Grantee understands that this Contract will terminate as provided in Section 2.1, or sooner as provided in Article XIII. The receipt of funds under this Contract does not guarantee Grantee funds in subsequent fiscal years.
- 2.3 Grantee understands that City will not disburse initial funds under this Contract until Grantee has submitted final report with metrics, all receivables required under the previous fiscal year's contract and City has approved said submittals. This does not excuse Grantee from complying with Section 8.8 requiring all documents and required deliverables be submitted within a period not to exceed ten (10) days from the termination date of the Contract.

III. CONSIDERATION

- 3.1 In consideration of contract obligations, under this Contract, City will pay Grantee for expenses incurred in accordance with the Allowable Costs that are identified as part of **Attachment I** to this Contract. It is specifically agreed that payment shall not exceed **\$250,000—.00.**
- 3.2 The funding level of this Contract is based on the allocation awarded to Department by the City of San Antonio. The allocation is based on an appropriation for the **Operational Support** and Department receipt of said allocation. The budget(s) to this Contract may be adjusted to correspond to the actual allocation awarded. Funds received under this Contract are from the City's Hotel Occupancy Tax collections. It is the understanding of the Parties that the amount set forth in Section 3.1 may be adjusted at any time to comply with Texas Tax Code Section 351.103(c) and other applicable laws and regulations, including the City of San Antonio City Council- approved Core Grants Guidelines.
- 3.3 Grantee understands and agrees that this is a contract to provide operational support for FY23, based on available funding.

IV. PAYMENT

- 4.1 Prior to the payment of any funds under this Contract, and throughout the term of this Contract, Grantee shall be financially stable and operate in a fiscally responsible and prudent manner, as determined at the sole discretion of City. Grantee shall provide any records requested by City that City deems necessary to make such a determination.
- 4.2 (A) Grantee agrees that City's liability under this Contract is limited to making payments for allowable costs incurred as a direct result of City-funded services provided by Grantee in accordance with the terms of this Contract ("Allowable Costs.") Allowable Costs are defined as those costs which are necessary, reasonable and allowable under applicable Federal, State, and local law, for the proper administration and performance of the services to be provided under this Contract and as further defined in accordance with **Attachment I**. Funding provided under this Contract may be used for any or all of the Allowable Costs set forth in **Attachment I** and all requested payments must be consistent with the terms and provisions described in **Attachment I** of this Contract. In no event shall City be liable for any cost of Grantee not eligible for payment as defined within the Contract.

(B) All funds received under this Contract shall be subject to the following payment schedule (“Disbursement Schedule”):

October - Initial disbursement of 25% upon receipt and approval by Department of all prior year closeout and receipt of all required documents, all by the 10th of the month.

January – Second disbursement of 25% upon submission of a completed first quarter (Q1) Quarterly Report, required policies, by the 10th of the month. For agencies that have received funding under the Core Grants Guidelines or Arts Agency Funding Guidelines in the past three years, it is only necessary to provide those policies that have changed or were not previously provided to the Department.

April – Third disbursement of 25% upon submission of a completed second quarter (Q2) Quarterly Report, proof of required Leadership Training as described in Section 15.8 of this Contract for all leaders that have not received such Department-approved training in the past three years, by the 10th of the month.

July – Fourth disbursement of 15% upon submission of a completed third quarter (Q3) Quarterly Report and submission of FY22 Cultural Data Profile into SMU|DataArts, by the 10th of the month. Agencies whose season has already ended may apply for 25% if submitting all closeout documents

Final payment is a reimbursement of 10% upon closeout of Contract, due no later than the 10th of October, and submission of fourth quarter (Q4) Quarterly Report. **Grantee’s submission of the required reports and documents for this payment and City’s issuance of such payment may occur after Contract termination.**

All such job descriptions must include percentage of time spent creating, supporting, managing or overseeing artistic and cultural activities. City may not be charged for work time spent outside these activities.

4.3 The City Manager, Assistant City Manager or the Executive Director of Department may make changes to the Funding Schedule when doing so is in the best interest of City and/or serves to promote the tourism and visitor industry; such changes shall not necessitate an amendment to this Contract.

4.4 Grantee agrees that all requests for disbursement shall be accompanied with documentation as may be required by the Executive Director of Department.

4.5 Grantee agrees that City shall not be obligated to any third parties (including any subcontractors or third-party beneficiaries of Grantee).

4.6 Grantee shall maintain a financial management system, and acceptable accounting records that provide for:

(A) accurate, current, and complete disclosure of financial support from each Federal, State and locally sponsored project and program in accordance with the reporting requirements set forth in Article **VIII** of this Contract. If accrual basis reports are required, Grantee shall develop accrual data for its reports based on an analysis of the documentation available;

(B) adequate identification of the source and application of funds for City-sponsored activities and Allowable Costs under this Contract. Such records shall contain information pertaining to City funds, required City authorizations, obligations, un-obligated balances, assets, equity, outlays, and income;

(C) effective control over and accountability for all funds, property, and other City-owned assets. Grantee shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes;

(D) comparison of actual expenditures with budget amounts for each award. Whenever appropriate or required by City, financial information should be related to performance and unit cost data;

(E) procedures to minimize the time elapsing between the disbursement of funds from City and the expenditure of said funds by Grantee;

(F) procedures for determining reasonable, allowable, and allocable costs in accordance with the provisions of any and all applicable cost principles, and the terms of the award, grant, or contract, with City;

(G) accounting records that are supported by source documentation (i.e., timesheets, employee benefits, professional services agreements, purchases, and other documentation as required by City). Grantee shall maintain records and shall meet necessary requirements under Generally Accepted Accounting Principles [GAAP] (Standard system for all delegate agencies) and

(H) an accounting system based on generally acceptable accounting principles which accurately reflects all costs chargeable (paid and unpaid) to the Project(s). A Receipts and Disbursements Ledger must be maintained. A general ledger with an Income and Expense Account for each Allowable Cost is necessary. Paid invoices revealing check number, date paid, and evidence of goods or services received are to be filed according to the expense account to which they were charged.

4.7 Grantee agrees to comply with the following check procedures:

(A) No blank checks are to be signed in advance;

(B) No checks are to be made payable to cash or 'bearer' with the exception of those for petty cash reimbursement, not to exceed a \$100.00 maximum per check. Grantee agrees that the aggregate amount of petty cash reimbursement shall not exceed \$200.00 for any given calendar month during the term of this Contract unless Grantee receives prior written approval from Department to exceed such limit. Such requests for petty cash must be supported by the submission to Department of an original receipt; and

Checks issued by City to Grantee shall be deposited into the appropriate bank account no later than three (3) business days of Grantee's receipt of each such check and shall never be cashed for purposes of receiving the face amount back. If such check(s) are not cashed within ninety (90) days from the date of issue, such checks shall be investigated by City and stop-payment orders issued, as applicable. Upon cancellation of any outstanding check, if deemed appropriate by City, Grantee may be reissued such check but, if deemed by City not to be a valid expense, such check shall be immediately returned to City.

4.8 Grantee agrees that costs claimed under this Contract will not be claimed under another contract or grant from another agency or City Department, and Grantee warrants that each document submitted for payment does not include any costs paid for by another funding source or submitted for payment to any other funding source.

- 4.9 Use of funds for match. Grantee may not use funding from this Contract as match for another grant without express written permission from the Executive Director of the Department of Arts & Culture.
- 4.10 Upon completion or termination of this Contract, or at any time during the term of this Contract, all unused funds must be returned by Grantee to City within 10 days.
- 4.11 Upon execution of this Contract or at any time during the term of this Contract, City's Director of Finance, the City Auditor, or a person designated by the Executive Director of Department may review and approve all Grantee's systems of internal accounting and administrative controls prior to the release of funds.

V. PROGRAM INCOME

- 5.1 For purposes of this Contract, "program income" shall mean earnings of Grantee realized from activities resulting from this Contract or from Grantee's management of funding provided or received under this Contract. Such earnings shall include, but shall not be limited to, interest income; or any other source of Grantee generated income resulting from fees charged or services rendered to other outside sources, usage or rental/lease fees; income produced from contract-supported services of individuals or employees, or from the use of equipment or facilities of Grantee provided as a result of this Contract, and payments from clients or third parties for services rendered by Grantee pursuant to this Contract.
- 5.2 Grantee shall provide Department, through the Quarterly Report, notice of activity that generates program income. Grantee shall provide detail in the Quarterly Report of the type of activity that generated program income.
- 5.3 Grantee shall fully disclose and be accountable to City for all program income. Failure by Grantee to report program income as required is grounds for suspension, cancellation, or termination of this Contract.
- 5.4 Under the provisions and of this Contract, grantee shall be permitted to retain such program income to be added to the Projects) and used to further eligible Project(s) and/or Grantee objectives.
- 5.5 Grantee shall include Sections 5.1 through 5.4, in their entirety, in all of its subcontracts involving income-producing services or activities.

VI. ADMINISTRATION OF CONTRACT

- 6.1 In the event that any disagreement or dispute should arise between the Parties pertaining to the interpretation or meaning of any part of this Contract or its governing rules, regulations, laws, codes or ordinances, the City Manager or Executive Director of Department, as representative of City, shall have the final authority to render or secure an interpretation. Said interpretation shall become the final governing authority to dispute resolution and shall be appropriately conveyed to the Parties.

VII. AUDIT

- 7.1 If Grantee expends over \$250,000.00 of City dollars, then during the term of this Contract, Grantee is required to complete an independent audit of its financial statements and utilize the audited information to complete its Cultural Data Profile. Grantee understands and agrees to furnish Department a copy of the audit report if requested by the City. Grantees whose total operating budget is less than \$1,000,000 may provide a review by a Certified Public Accountant in lieu of an audit.
- 7.2 Grantee agrees and understands that upon notification from federal, state, or local entities that have conducted program reviews and/or audits of Grantee or its programs, and said reviews and/or audits resulted in findings of accounting deficiencies, or violations of Grantee's financial operations, a copy of the notification, review, investigation, and audit violations report must be forwarded to Department within ten (10) days of Grantee's receipt of the report.
- 7.3 City reserves the right to conduct, or cause to be conducted an audit of all funds received under this Contract at any and all times deemed necessary by City. City staff, a Certified Public Accounting firm, or other auditors as designated by City, may perform such audit(s). City reserves the right to determine the scope of every audit. In accordance herewith, Grantee agrees to make available to City all accounting and Project records.

Grantee shall, during normal business hours, and as often as deemed necessary by City and/or the applicable state or federal governing agency or any other auditing entity, make available to the auditing entity, books, records, documents, reports, and evidence with respect to all matters covered by this Contract and shall continue to be so available for a minimum period of four (4) years. Said records shall be maintained for the required period beginning immediately after Contract termination, save and except if there is litigation or if the audit report covering such agreement has not been accepted, Grantee shall retain the records until the resolution of such issues has satisfactorily occurred. The auditing entity shall have the authority to audit, examine and make copies of excerpts, transcripts, books, records, documents and evidence, including all books and records used by Grantee in accounting for expenses incurred under this Contract, all other non-City executed contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to matters covered by this Contract.

- 7.4 City may, at its sole discretion, require Grantee to use any and all of City's accounting or administrative procedures used in the planning, controlling, monitoring and reporting of all fiscal matters relating to this Contract, and Grantee shall abide by such requirements.
- 7.5 When an audit or review determines that Grantee has expended funds or incurred costs which are questioned by City, Grantee shall be notified by City and provided an opportunity to address the questioned expenditure or costs.

Should any expense or charge that has been paid be subsequently disapproved or disallowed as a result of any site review or audit, Grantee will immediately refund such amount to City no later than ten (10) days from the date of notification of such disapproval or disallowance by City. At its sole option, Department may, instead, deduct such claims from subsequent

IX. INSURANCE

It is the policy of the State of Texas not to acquire commercial general liability insurance for torts committed by employees of the State who are acting within the scope of their employment. Rather, third parties must look to the Texas Tort Claims Act for relief with respect to property damage, personal injury, and death proximately caused by the wrongful act or omission or negligence of an employee acting within his scope of employment as more fully set out above. Notwithstanding the foregoing, each component of the University of Texas System may enroll qualified personnel into the UT Systems Professional Medical Liability Benefit Plan, under the authority of Chapter 59, Texas Education Code. A copy of the plan can be found at: <http://www.utsystem.edu/ogc/health/homepage.htm>. UTHSCSA has and will maintain in force during the term of this agreement adequate insurance to cover its indemnification obligations, including worker's compensation/employer's liability coverage provided at statutory minimum coverage.

X. INDEMNIFICATION

UTHSCSA and CITY acknowledge they are subject to, and comply with, the

applicable provisions of the Texas Tort Claims Act, as set out in the Civil Practice and Remedies Code, Section 101.001, *et. seq.* and the remedies authorized therein regarding claims or causes of action that may be asserted by third parties for accident, injury or death.

Persons retained to perform work pursuant to this Agreement shall be the employees or subcontractors of UTHSCSA. UTHSCSA, its employees or its subcontractors shall perform all necessary work.

11.2 Any work or services approved for subcontracting hereunder shall be subcontracted only by written contract and, unless specific waiver is granted in writing by the City, shall be subject by its terms to each and every provision of this Agreement. Compliance by subcontractors with this Agreement shall be the responsibility of UTHSCSA. City shall in no event be obligated to any third party, including any subcontractor of UTHSCSA, for performance of services or payment of fees. Any references in this Agreement to an assignee, transferee, or subcontractor, indicate only such an entity as has been approved by the City Council.

11.3 Except as otherwise stated herein, UTHSCSA may not sell, assign, pledge, transfer or convey any interest in this Agreement, nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the consent of the City Council, as evidenced by passage of an ordinance. As a condition of such consent, if such consent is granted, UTHSCSA shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor UTHSCSA, assignee, transferee or subcontractor.

11.4 Any attempt to transfer, pledge or otherwise assign this Agreement without said written approval, shall be void ab initio and shall confer no rights upon any third person. Should UTHSCSA assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of UTHSCSA shall thereupon cease and terminate, in accordance with Article VII. Termination, notwithstanding any other remedy available to City under this Agreement. The violation of this provision by UTHSCSA shall in no event release UTHSCSA from any obligation under the terms of this Agreement, nor shall it relieve or release UTHSCSA from the payment of any damages to City, which City sustains as a result of such violation.

XII. INDEPENDENT CONTRACTOR

UTHSCSA covenants and agrees that it is an independent contractor and not an officer, agent, servant or employee of City; that UTHSCSA shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons

XIX. NONWAIVER OF PERFORMANCE

Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In case of City, such changes must be approved by the City Council, as described in Article XV. Amendments. The Parties understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the Contractor under this Agreement and that the Contractor has no authority to bind the City.

XIV. CONFLICT OF INTEREST

14.1 The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a “prohibited financial interest” in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

XIX. NONWAIVER OF PERFORMANCE

Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the term, condition, covenant or guarantee of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant, or guarantee. Further, failure of either Party to insist in any one or more cases upon the strict performance of any of covenant of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification, or discharge by either Party of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged. In case of City, such changes must be approved by the City Council, as described in Article XV. Amendments. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. Contractor's certification of its compliance with this Commercial Nondiscrimination Policy as submitted to the City pursuant to the solicitation for this contract is hereby incorporated into the material terms of this Agreement. If the requested information is confidential pursuant to state or federal law, SAAH shall submit to CITY the list of specific statutory authority mandating confidentiality no later than five (5) business days of SAAH's receipt of such request. For the purposes of communicating and coordinating with regard to public information requests, all communications shall be made to the designated public information liaison for each party. Each party shall designate in writing to the other party the public information liaison for its organization and notice of a change in the designated liaison shall be made promptly to the other party.

IX. ACCESSIBILITY OF RECORDS

9.1 At any reasonable time and as often as CITY may deem necessary, SAAH shall make all of its records available to CITY, or any state or federal agency as appropriate, or any of their authorized representatives, and shall permit CITY, HUD, or any of their authorized representatives to audit, examine, and make excerpts and/or copies of same. 10.1 To the extent permitted by law, SAAH covenants and agrees to **FULLY INDEMNIFY and HOLD HARMLESS**, CITY and the elected officials, employees, officers, directors, volunteers and representatives of CITY, individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon CITY directly or indirectly arising out of, resulting from or related to SAAH's activities under this AGREEMENT, including any acts or omissions of SAAH, any agent, officer, director, representative, employee, consultant or subcontractor of SAAH, and their respective officers, agents, employees, directors and representatives while in the exercise of performance of the rights or duties under this AGREEMENT. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death, or

property damage. IN THE EVENT SAAH AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

11.2 CITY and SAAH each further covenant that no member of its' governing body or of its' staff shall possess any interest in, or use such individual's position for, a purpose that is or gives the appearance of being motivated by desire for private gain for such individual or others, including such individual's family, business, or other ties.

12.2 Notwithstanding the above, the parties agree that CITY and SAAH shall have the authority to execute an amendment of this Agreement or its Exhibits without the necessity of seeking any further approval by the City Council of the City of San Antonio or the SAAH Board, if permitted by all applicable local, state and federal laws, in the limited circumstance when such amendment solely increases funding of this Agreement in an amount not exceeding twenty percent (20%) of the total amount of this Agreement. Amendments to the responsibilities set out within this Agreement and/or **Exhibit "A" that do not change the overall value of the Agreement, but revise, modify or define duties amongst the parties do not require further approval by City Council or the SAAH Board.**

13.2 Upon receipt of written notice to terminate, SAAH shall cancel, withdraw, or otherwise terminate any outstanding orders or subcontracts which relate to the performance of this Agreement. To this effect, CITY shall not be liable to SAAH or SAAH’s creditors for any expense, encumbrances or obligations whatsoever incurred after the date of termination.

13.3 Within thirty (30) calendar days after receipt of written notice to terminate, SAAH shall submit a statement to CITY, indicating in detail the services performed under this Agreement prior to the effective date of termination.

Program Overview:

The San Antonio Affordable Housing, Inc. (SAAH) Affordable Housing Preservation Program is a \$2,000,000 Funding Agreement with the City of San Antonio Neighborhood & Housing Services Department (NHSD) to implement the HUD Economic Development Initiative (EDI) Grant to repair or rehabilitate a mixture of single-family homes for families earning up to 120% AMI and small-scale rental units serving families up to 60% AMI. The funding for this project will be for capital improvements to bring homes and rental units up to today's code. Improvements may include systems updates, electrical updates, foundation stabilization, roof replacement, green home modifications and other updates for accessibility alterations (installation of ramps and handrails, restroom alterations), as well as all related equipment, labor, and materials.

SAAH's Responsibilities

SAAH is responsible for developing a simple application program for screening and selecting applicants, scoping the homes, bidding the scopes to help property owner select a contractor, facilitating contracts with the property owner and general contractor, monitoring the construction, issuing payments for satisfactory work performed and placing liens and covenants on the property for the affordability period. SAAH's legal expense, staffing costs, monitoring costs and all other project related costs such professional services, as filing fees, etc., will be considered allowable expenses under the Funding Agreement.

Background

San Antonio home values and sale prices have skyrocketed in the past decade, particularly in neighborhoods surrounding downtown that include historically redlined areas of the city. These neighborhoods are part of the City's original 36-square mile footprint and are home to the cultural centers for which the City is renowned. These neighborhoods are also home to most of San Antonio's households of color and households with the lowest incomes.

Simultaneously, in the rental market, based on American Community Census data, over the past 10 years 47% of San Antonio households are rent burdened with two-thirds of those families are at or below 50% of the Area Median Income (AMI). At the same time, we are losing affordable housing units to expiring covenants, older units being demolished or rehabbed and being converted to market rate.

The program would seek to rehabilitate a mixture of single-family homes for families earning up to 120% AMI and small-scale rental units serving families up to 60% AMI. The funding for this project will be for capital improvements to bring homes and rental units up to today's code. Improvements may include systems updates, electrical updates, foundation stabilization, roof replacement, green home modifications and other updates for accessibility alterations (installation of ramps and handrails, restroom alterations), as well as all related equipment, labor, and materials.

AGREEMENT

1. Agreement Period

This agreement becomes effective when signed by the last party whose signing makes the agreement fully executed. This agreement shall remain in effect until the Project is completed or unless terminated as provided below.

2. Termination

This agreement shall remain in effect until the Project is completed and accepted by all parties, unless:

- A.** The agreement is terminated in writing with the mutual consent of the parties;
- B.** The agreement is terminated by one party because of a breach, in which case any cost incurred because of the breach shall be paid by the breaching party; or
- C.** The Project is inactive for thirty-six (36) months or longer and no expenditures have been charged against federal funds, in which case the State may in its discretion terminate this agreement.

3. Local Project Sources and Uses of Funds

- A.** The total estimated cost of the Project is shown in Attachment C, Project Budget Estimate and Payment Schedule, which is attached to and made a part of this agreement. The expected cash contributions from the Federal or State government, the Local Government, or other parties is shown in Attachment C. The Local Government shall pay to the State the amount shown in Attachment C as its required contribution of the total cost of the Project and shall transmit to the State with the return of this agreement, duly executed by the Local Government, a warrant or check for the amount and according to the payment schedule shown in Attachment C.
- B.** The Local Government's fixed price contribution set forth in Attachment C is not subject to adjustment unless:

 - 3.** the adjustment is mutually agreed on by the State and the Local Government.
- C.** If the Local Government will perform any work under this contract for which reimbursement will be provided by or through the State, the Local Government must complete training before federal spending authority is obligated. Training is complete when at least one individual who is working actively and directly on the Project successfully completes and receives a certificate for the course entitled *Local Government Project Procedures Qualification for the Texas Department of Transportation*. The Local Government shall provide the certificate of qualification to the State. The individual who receives the training certificate may be an employee of the Local Government or an employee of a firm that has been contracted by the Local

Government to perform oversight of the Project. The State in its discretion may deny reimbursement if the Local Government has not designated a qualified individual to oversee the Project.

- D. Whenever funds are paid by the Local Government to the State under this agreement, the Local Government shall remit a warrant or check made payable to the "Texas Department of Transportation Trust Fund." The warrant or check shall be deposited by the State in an escrow account to be managed by the State. Funds in the escrow account may only be applied to this highway project.
- E. Notwithstanding that this is a fixed price agreement, the Local Government agrees that in the event any existing, future, or proposed Local Government ordinance, commissioner's court order, rule, policy, or other directive, including, but not limited to, outdoor advertising or storm water drainage facility requirements, is more restrictive than State or federal regulations, or any other locally proposed change, including, but not limited to, plats or re-plats, results in any increased costs to the State, then the Local Government will pay one hundred percent (100%) of all those increased costs, even if the applicable county qualifies as an Economically Disadvantaged County (EDC). The amount of the increased costs associated with the existing, future, or proposed Local Government ordinance, commissioner's court order, rule, policy, or other directive will be determined by the State at its sole discretion.
- F. If the Local Government is an EDC and if the State has approved adjustments to the standard financing arrangement, this agreement reflects those adjustments.
- G. If the Project has been approved for an "incremental payment" non-standard funding or payment arrangement under 43 TAC §15.52, the budget in Attachment C will clearly state the incremental payment schedule.

4. Real Property in Lieu of Monetary Payment

- A. Contributions of real property may be credited to the Local Government's funding obligation for the cost of right of way to be acquired for this project. Credit for all real property, other than property which is already dedicated or in use as a public road, contributed by the Local Government to the State shall be based on the property's fair market value established as of the effective date of this agreement. The fair market value shall not include increases or decreases in value caused by the project and should include the value of the land and improvements being conveyed, excluding any damages to the remainder. The amount of any credit for real property contributed for this project is clearly shown in Attachment C.
- B. The Local Government will provide to the State all documentation to support the determined fair market value of the donated property. This documentation shall include an appraisal of the property by a licensed appraiser approved by the State. The cost of appraisal will be the responsibility of the State. The State will review the submitted documentation and make a final determination of value; provided however, the State may perform any additional investigation deemed necessary, including supplemental appraisal work by State employees or employment of fee appraisers.

- C.** Credit shall be given only for property transferred at no cost to the State after the effective date of this agreement and the issuance of spending authority, and only for property which is necessary to complete this project, has title acceptable to the State, and is not contaminated with hazardous materials. Credit shall be in lieu of monetary contributions required to be paid to the State for the Local Government's funding share of the right of way to be acquired for this project. The total credit cannot exceed the Local Government's matching share of the right of way obligation under this agreement, and credits cannot be reimbursed in cash to the Local Government, applied to project phases other than right of way, nor used for other projects.

**PROFESSIONAL SERVICES
AGREEMENT BETWEEN THE
SAN ANTONIO ECONOMIC
DEVELOPMENT
CORPORATION AND
VELOCITYTX FOR SAMMI
INITIATIVE ADMINISTRATION**

This Professional Services Agreement for the SAMMI Initiative Administration (this "Agreement") is entered into by and between the San Antonio Economic Development Corporation ("SAEDC"), a nonprofit corporation formed under the Act, and VelocityTX a nonprofit subsidiary of the Texas Research and Technology Foundation ("TRTF"), a 501(c)(3) nonprofit economic development organization (hereinafter referred to as "VelocityTX" and "Contractor") (SAEDC and VelocityTX may be referred to collectively as the "Parties" and sometimes individually each as a "Party").

The Parties agree, and by the execution of this Agreement are bound, to the mutual obligations and to the performance and accomplishment of the tasks described in this Agreement.

RECITALS

WHEREAS SAEDC is a Type B corporation created by the City of San Antonio (the "City") pursuant to the authority of the Development Corporation Act, Title 12, Subtitle C1, as amended, Texas Local Government Code, starting at section 501.001 et seq (the "Act"), and it has been determined that the Act authorizes the SAEDC Board to approve the use of funds to promote new or expanded business development and the creation and/or retention of jobs in the City; and

WHEREAS, in 2017, the City formed a Military Life Science Research Working Group which includes TRTF along with local military medical research partners, UT Health San Antonio (UTHSCSA), UT San Antonio (UTSA), Southwest Research Institute (SWRI), Texas Biomedical Research Institute (TX BioMed), 59th Medical Wing, Army Institute of Surgical Research, Naval Medical Research Unit San Antonio, San Antonio Economic Development Foundation (now greater:SATX), and private industry. The Working Group focuses on how the community can help the military meet medical mission requirements while leveraging such research activities for local commercialization opportunities that will create jobs and investment; and

WHEREAS, in 2018, the City commissioned a study resulting in the development of the *SA Military Life Science Commercialization Action Plan* ("the **Action Plan**"). The Action Plan recommended the establishment of a San Antonio Military Medical Innovation initiative ("the SAMMI Initiative") with a full-time director ("the **SAMMI Director**") to help implement the Action Plan. The City then asked SAEDC to establish the SAMMI Director position and begin implementation of the Action Plan which resulted in the development of the *San Antonio Military Life Science Commercialization Charter* ("the **Charter**"); and

WHEREAS, TRTF and VelocityTX are non-profit 501(c)(3) economic development organizations which fund, support and develop innovative ventures helping build the City's bioscience and technology economy. TRTF also supports the growth and development of the bioscience sector by enhancing and leveraging the capabilities of existing assets including military medical research, supplying early-stage investment capital and commercialization expertise, identifying gaps in the bioscience ecosystem, and developing responsive solutions; and

WHEREAS, in 2017, TRTF established VelocityTX as its non-profit innovation subsidiary to help support the long-term community goal of promoting research and commercialization, strengthening, and supporting our military medical missions, and promoting entrepreneurial development in the City; and

WHEREAS TRTF and VelocityTX have executed Memorandums of Understanding (MOUs) with TX BioMed, SWRI, UTSA and UT Health San Antonio outlining how the parties can partner to promote and enhance San Antonio's bioscience research capabilities. These entities are members and supporters of the Military Life Science Working Group and engaged in collaboration/R&D initiatives with our military medical community. TX BioMed, SWRI and BioBridge also provided annual funding through September 30, 2022 to the SAEDC to support the SAMMI initiative; and

WHEREAS, in 2019, the City provided funding to SAEDC to fund the SAMMI position for three years, and the SAEDC then hired the SAMMI Director effective October 1, 2019 through September 30, 2022. The SAMMI Director focuses on partnering with the local military medical missions to help develop innovative technologies and leveraging collaboration with military medicine to create local commercialization opportunities; and

WHEREAS, SAEDC desires to contract with VelocityTX to provide the services described herein, which the intent that such services will fulfill the same function as the SAMMI Director position has fulfilled prior to the date of this Agreement; and

NOW, THEREFORE, upon and in consideration for the mutual promises and covenants contained herein and for other valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

I. TERM

- 1.1 This Agreement shall be upon approval by City Council, as required pursuant to the SAEDC's Bylaws, to September 30, 2023. GRANTEE further warrants and certifies that it has tendered to the CITY a Discretionary Contracts Disclosure Statement in compliance with the CITY's Ethics Code.

- 7.4 Defaults With Opportunity for Cure. Should Contractor default in the performance of this Agreement in a manner stated in this section below, same shall be considered an event of default. SAEDC shall deliver written notice of said default specifying such matter(s) in default. Contractor shall have 30 calendar days after receipt of the written notice, in accordance with Article VIII. Notice, to cure such default. If Contractor fails to cure the default within such thirty-day cure period, SAEDC shall have the right, without further notice, to terminate this Agreement in whole or in part as SAEDC deems appropriate, and to contract with another Contractor to complete the work required in this Agreement. SAEDC shall also have the right to offset the cost of said new Agreement with a new Contractor against Contractor's future or unpaid invoice(s), subject to the duty on the part of SAEDC to mitigate its losses to the extent required by law.

- 7.6.3 Upon the effective date of expiration or termination of this Agreement, Contractor shall cease all operations of work being performed by Contractor or any of its subcontractors pursuant to this Agreement.
- 7.6.4 Termination not sole remedy. Project: San Antonio Housing Trust Administration and Staffing

This CONTRACT is made and entered into by and between the City of San Antonio (hereinafter referred to as "CITY"), a Texas municipal corporation, acting by and through its City Manager, or Assistant City Manager, pursuant to Ordinance No. _____, and the San Antonio Housing Trust Foundation, Inc., (hereinafter referred to as "CONTRACTOR"), a Texas non-profit corporation, acting by and through its Executive Director.

WHEREAS, CITY annually dedicates certain funds to the City of San Antonio Housing Trust for the promotion of affordable housing projects and programs; and

WHEREAS, the City Council and the San Antonio Housing Trust Board of Trustees shall seek to approve the disbursement of such funds for specific affordable housing projects or program sponsors for this upcoming fiscal year (the "Program"); and

WHEREAS, the City Manager, or his designated representative, will be responsible for the fiscal and program monitoring and evaluation of the program as contained in the program statement appended as **Exhibit "A"** to this CONTRACT and incorporated herein for all purposes; and

WHEREAS, the Mayor's Housing Policy Task Force issued a Housing Policy Framework (the "Housing Policy Framework") for the City of San Antonio, which was accepted by CITY on September 6, 2018; and

WHEREAS, in accordance with the recommendations of the Housing Policy Framework, the CITY wishes to engage the CONTRACTOR to carry out the described Program for the upcoming fiscal year; **NOW THEREFORE**:

FOR VALUABLE CONSIDERATION, the parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

I. GENERAL PROVISIONS

1.1 The CONTRACTOR is an organization, incorporated under the Texas Non-Profit Corporation Act, governed by an autonomous governing body that meets officially at least four times per year.

1.2 The CONTRACTOR hereby represents, warrants, assures, and guarantees that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this CONTRACT and to perform the responsibilities herein required.

1.3 The CONTRACTOR understands that the funds provided pursuant to this CONTRACT are funds that will have been made available by the City of San Antonio and CONTRACTOR agrees to comply with all rules, regulations, policies, and procedures applicable to these funds as directed by the CITY. The CONTRACTOR agrees to either abide by any future amendments or additions to such rules and regulations as they may be promulgated by the CITY or the City of San Antonio Housing Trust Board of Trustees or to terminate this CONTRACT.

1.4 The signer of this CONTRACT for CONTRACTOR represents, warrants, assures, and guarantees that the signor of the CONTRACT has the full legal authority to execute this CONTRACT on behalf of CONTRACTOR and to bind CONTRACTOR to all terms, performances, and provisions herein contained.

1.5 In the event a dispute arises as to the legal authority to enter into this CONTRACT of either the CONTRACTOR or the person signing on behalf of the CONTRACTOR, the CITY shall have the right, at its option, to either temporarily suspend or permanently terminate this CONTRACT. Should CITY suspend or permanently terminate this CONTRACT pursuant to this paragraph, the CONTRACTOR shall be liable to CITY for any money it has received from CITY hereunder which it has not disbursed in accordance with the terms of this CONTRACT.

1.6 CONTRACTOR and CITY agree that CONTRACTOR is an independent contractor. Neither has authority to bind the other or hold out to third parties that it has the authority to bind the other.

1.7 CONTRACTOR understands and agrees that this CONTRACT is subject to mutual termination. Either party may terminate this CONTRACT by giving the other party not less than thirty (30) days written notice. The notice must specify the effective date of termination; that date must not be sooner than the end of thirty days following the day such notice is sent.

1.8 CONTRACTOR understands and agrees that this CONTRACT may be revised and updated by the CITY. City agrees to provide CONTRACTOR with reasonable notice of the proposed revisions so CONTRACTOR may provide input to CITY prior to submission to City Council. This CONTRACT will be amended to include such revisions upon approval by CONTRACTOR's Board of Directors and adopted by City Council; provided, however, that in the event CONTRACTOR does not agree to any revisions, each party hereto has the option of terminating this CONTRACT by giving thirty days written notice to the other party.

1.9 CITY will not be liable for any expense of CONTRACTOR in its performance of this CONTRACT. Directors, officers, employees, or agents of CONTRACTOR will not be deemed officers, employees, or agents of CITY.

1.10 If CONTRACTOR fails to fulfill in a timely and proper manner the obligations under this CONTRACT, or violates any of the covenants, agreements, guarantees or stipulations of this CONTRACT, or if CONTRACTOR violates any rule, regulation, or law to which CONTRACTOR is bound or shall be bound under the terms of this CONTRACT, CITY will have the right to terminate this CONTRACT by sending written notice to CONTRACTOR of such termination and specifying the effective date thereof; that date must not be sooner than the end of thirty (30) days following the date such notice is sent.

1.11 Previous breach of any of the terms or conditions of this CONTRACT will not constitute a waiver of same or preclude CITY's termination right for successive breach of the same condition.

1.12 Notwithstanding any other remedy contained herein or provided by law, and without limiting or waiving any rights and remedies it may otherwise have, CITY may at its sole option, delay, suspend, limit, or cancel funds, rights, and privileges herein given CONTRACTOR for failure to timely and properly comply with the letter or spirit of this CONTRACT. CITY may, at its sole option, place CONTRACTOR on probation or suspension during which time CITY may, at its sole option, withhold reimbursements in cases where CITY determines that CONTRACTOR is not in compliance with this CONTRACT. The period of such probation or suspension shall be of such duration as is appropriate to accomplish corrective action, but in no event shall it exceed ninety (90) calendar days. Upon expiration of the probation or suspension period:

- (A) Should CITY determine that the default or deficiency has been cured, CONTRACTOR may, at CITY's sole option, be restored to full compliance status and paid all eligible reimbursements withheld during such probation or suspension period; or
- (B) Should CITY determine continued non-compliance, the termination provisions herein may,

at CITY's sole option, be effectuated.

In addition to the above provisions, CITY has the right to unilaterally terminate this CONTRACT at any time upon a finding by ordinance that the CONTRACTOR's activities, programs, or operations are no longer in the best interest of CITY or its citizens. Adequate provisions must be made for CONTRACTOR to be heard by the City Council of San Antonio prior to voting on such an ordinance. The effective date of the termination must be set in the ordinance.

1.13 It is expressly understood by CONTRACTOR that this CONTRACT in no way obligates CITY's general fund monies or any other monies or credits of CITY other than as specifically referred to in the Program Statement, affixed hereto and incorporated herein for all purposes as Exhibit "A".

1.14 The term of this agreement begins October 1, 2022, or when the approved program statement and program budget are received by the CITY's Neighborhood and Housing Services Department, whichever occurs later, and will, subject to and upon an annual review and approval by CITY run concurrent with the beginning date of its fiscal year, automatically renew itself on an annual basis, subject to annual City Council approval and any modifications made by mutual agreement by the parties, unless earlier termination shall occur pursuant to any of the provisions hereof; provided, however, that if said annual review and approval does not take place to allow a yearly program statement and program budget to be approved concurrently with each fiscal year, than in such event, this CONTRACT will be continued on a month-to-month basis until such time as CITY completes its review.

1.15 CONTRACTOR must establish and use internal fiscal and program management procedures to preclude theft, embezzlement, improper inducement, obstruction of investigation or other criminal action, and to prevent fraud and program abuse.

1.16 CONTRACTOR warrants that no person or selling agency has been employed or retained to solicit or secure this CONTRACT upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and further that no such understanding or agreement exists or has existed, with any employee of CONTRACTOR or CITY.

1.17 CONTRACTOR shall not use funds provided hereunder either directly or indirectly as a contribution in order to obtain any federal funds under any federal program without prior written approval by CITY.

1.18 CONTRACTOR shall use the funds provided to it under the terms of this CONTRACT exclusively for the purpose and in the manner, conditions and terms as provided in this CONTRACT and in accordance with the program statement. Any modification of the use of funds proposed by CONTRACTOR will require prior written approval of the City Manager, or her designated representative and is subject to city council approval, if required.

1.19 CONTRACTOR is required to publicly acknowledge that this program is supported by CITY as directed by the City Manager, or her designated representative.

1.20 The Deputy City Manager, Assistant City Managers, or Assistants to the City Manager and the Director of the Neighborhood and Housing Services Department are hereby designated and authorized as representatives of the City Manager for the purpose of administration, monitoring and communication of this CONTRACT.

II. PROGRAM MANAGEMENT

2.1 CONTRACTOR, in accordance and compliance with the terms, process, and requirements of this CONTRACT, shall provide, oversee, administer and carry out all activities and services set out in the Program Statement, affixed hereto as "Exhibit A" in a satisfactory and efficient manner as determined by

CITY. The CONTRACT is not considered complete or in compliance until such time as the approved, signed, and dated Program Statement is attached.

2.2 CONTRACTOR agrees to accept funds from the CITY in the amount of **Nine Hundred Sixty-two Thousand, Nine Hundred Fifty Dollars and No/100 (\$962,950.00)**. The funds shall be used to provide payments for CITY's homebuying programs and as set forth in the Scope of Work in Exhibit "A".

2.3 CONTRACTOR shall accept all donations and contributions made to the CITY for the purpose of funding the programs listed in Section 2.2 on the CITY's behalf and shall remit payment of said funds to the CITY upon the CITY's request.

2.4 CITY will submit requests to CONTRACTOR for payment of all funds held by CONTRACTOR under this CONTRACT in a form and manner agreed to by the parties. Failure of CONTRACTOR to timely remit payment to CITY under the provisions of this CONTRACT shall constitute grounds for termination.

2.5 CONTRACTOR agrees to maintain records that will provide accurate, current, separate, and complete disclosure of the status of any funds received pursuant to this CONTRACT. CONTRACTOR further agrees that:

- (A) Maintenance of said records shall be in compliance with all terms, provisions and requirements of this CONTRACT and with all applicable federal and state regulations establishing standards for financial management; and
- (B) CONTRACTOR's record system shall contain sufficient documentation to provide in detail full support and justification for each expenditure.

2.6 CITY's Director of the Neighborhood and Housing Services Department, or her authorized representative, is assigned monitoring, fiscal control, and evaluation of CONTRACTOR's performance and operations under this CONTRACT. CONTRACTOR will provide CITY staff, including auditors, EEO officers and CITY-designated representatives, such as independent public accountants and representatives of the federal government, reasonable access during regular business hours, for the purpose of audit, monitoring, evaluation, coordination and investigation, to any and all CONTRACTOR's books, records and files on the programs covered by this CONTRACT and such other programs administered by CONTRACTOR with funds from any other sources, and to any and all books, records and files pertaining to CONTRACTOR's proprietary, agency, or trust funds as CITY may need and request. The audit may only be requested once per year by CITY, unless there is reasonable cause at the sole reasonable discretion of CITY to perform more than one audit per year. CITY shall pay for the expense of any audit it requests under this paragraph; provided, however, CONTRACTOR shall reimburse CITY for the costs associated with the audit should the audit report contain material findings against CONTRACTOR. CITY shall have the authority to make excerpts, transcripts, or copies from all such books, records, and files, including all contracts, invoices, materials and other data relating to all matters covered by this CONTRACT. Documents of the San Antonio Housing Trust Finance Corporation and the San Antonio Housing Trust Public Facility Corporation will only be provided and/or copied with the consent and cooperation of these entities.

- (A) All such records must continue to be available for inspection and audit for a period of three years after the termination date hereof or until all audits are complete and findings on all claims have been finally resolved, whichever is the longer period of time.
- (B) CONTRACTOR agrees that during the term of this CONTRACT, any duly authorized representative of CITY may conduct on-site inspections at reasonable times, and to interview personnel and clients, for the purpose of evaluating and monitoring CONTRACTOR's operations for compliance with this CONTRACT.

- (C) The submission of falsified information or the failure to submit information as requested by CITY is grounds for termination of this CONTRACT.
- (D) CONTRACTOR agrees to provide CITY with the names and license registration of any contracting agency employees regulated by State law whose activities contribute towards, facilitate or coordinate the performance of this CONTRACT.
- (E) Subject to the discretion of CITY, any of CITY's authorized or designated representatives shall have the right to be present at any and all of CONTRACTOR's staff meetings, advisory committee meetings, advisory board meetings, and board meetings.

2.7 Work performed by CONTRACTOR under this CONTRACT shall be completed to the satisfaction of the CITY. If the CITY determines the completion of the work is not satisfactory the CITY shall provide notice to the CONTRACTOR of such determination so that the CONTRACTOR may respond. CONTRACTOR shall have thirty (30) days to respond to the CITY. After CITY has received the response, CITY may make a final determination in its sole reasonable discretion as to its satisfaction with CONTRACTOR's work performed under this CONTRACT.

2.8 Neither the program or activity, nor the personnel involved in the administration of such program or activity, may be involved in the construction, operation, or maintenance of such part of any facility that is used or will be used for sectarian instruction or as a place of religious worship.

2.9 None of the performance rendered hereunder shall involve, directly or indirectly, any political activity including, but not limited to, an activity to further the election or defeat of any candidate for public office or for any activity undertaken to influence the passage, defeat or final content of local, state or federal legislation.

2.10 CONTRACTOR covenants that neither it nor any member of its governing body or of its staff presently has any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this CONTRACT.

2.11 CONTRACTOR further covenants that in the performance of this CONTRACT, no persons having such interest shall be employed or appointed as a member of its governing body or of its staff.

2.12 CONTRACTOR will establish safeguards to prohibit officers or employees from possessing any interest in or using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or those with whom they have family, business, or other ties. CITY may, at its sole option, cancel this CONTRACT for any violation of this Section by any officer, Director, or employee of CONTRACTOR.

2.13 Members of CONTRACTOR's Board of Directors or governing body may not be employees of the agency or paid in any way for services with CONTRACT funds.

2.14 CONTRACTOR agrees to establish internal procedures that assure employees of an established complaint and grievance policy.

- (A) A grievance policy will include procedures to receive, investigate, and resolve complaints and grievances in an expeditious manner.
- (B) In the event no complaint and grievance policy has been established, the procedures outlined in the San Antonio Municipal Civil Service rules will be followed by the agency.

III. FISCAL MANAGEMENT

3.1 An accounting system using the accrual basis of generally accepted accounting principles that accurately reflects all costs chargeable, paid and unpaid, to the project, should the project terminate the next day, is mandatory.

3.2 CONTRACTOR will establish an account in a federally insured financial institution as a depository to be used exclusively for receipt and expenditure of funds provided hereunder. All checks and withdrawals from such account shall have itemized documentation in support thereof. Such account shall be maintained in said institution with any account balance exceeding the federal deposit insurance coverage likewise collaterally secured.

3.3 CITY has a right to review the accounting system and internal controls prior to the release of funds hereunder.

3.4 CONTRACTOR shall observe sound business practices with respect to providing such bonding and insurance as would provide adequate coverage for activities under this CONTRACT.

3.5 All persons on the CONTRACTOR's Board of Directors or in the employ of CONTRACTOR who handle CITY funds received or disbursed hereunder or who sign or co-sign checks for said fund disbursement must be covered by a dishonesty and fidelity bond in the amount of One Hundred Thousand and No/100 Dollars (\$100,000.00) or one-half the total contract amount, whichever is less. If a bond is required under the terms of this provision, evidence of same shall be filed with the City Clerk, and copied to the Neighborhood and Housing Services Department, within ten (10) working days following execution of this CONTRACT.

3.6 No fees may be charged to or donations requested from participants in a CITY funded project without the prior written approval of the City Manager, or his authorized representative.

3.7 Interest income earned on the deposit of CONTRACT funds with CONTRACTOR is CITY program income. The income may be used by CONTRACTOR to pay costs directly related to the administration of the Program. CONTRACTOR is responsible for full disclosure and accountability of program income to CITY. CONTRACTOR will account to CITY for its administration of the receipt of Funds provided to CONTRACTOR under this agreement as well as all Trust funds used for Trust assistance, the performance of Trust projects, and the administrative operation of the City of San Antonio Housing Trust. A statement of expenditures and revenues may be requested by CITY in a format as may be prescribed by CITY; the statement is subject to audit verification. Failure to report program income within 30 days of the request is grounds for suspension, cancellation, or termination of this CONTRACT.

3.8 CONTRACTOR shall defend, hold harmless, and indemnify CITY, its officers and employees against any and all suits, actions, legal proceedings, claims, demands, damages, penalties, costs, expenses and attorney's fees arising out of infringement of copyright on any work used in any way in connection with this CONTRACT and its programs.

3.9 Upon completion or termination of this CONTRACT, and related projects, any unused funds, rebates, or credits must immediately be returned to CITY.

3.10 CONTRACTOR shall not be relieved of liability to CITY for damages sustained by CITY by virtue of any breach of this CONTRACT, and CITY may withhold funds otherwise due as damages.

3.11 Within ten (10) days of retention, CONTRACTOR shall provide written notice, including the name and contact information, to CITY of the retention of any subcontract for professional or other services. Any said subcontract for professional services shall require that the said professional both be licensed to practice her profession in the State of Texas and maintain a policy of liability insurance to indemnify, save harmless, and defend both CONTRACTOR and CITY from any claims arising from any acts or omissions of said Professional or said Professional's agents. CITY shall not be obligated to any third parties, including

any subcontractors of CONTRACTOR.

3.12 If any expense or charge made by CONTRACTOR is subsequently disapproved or disallowed as a result of any site review or audit, CONTRACTOR will promptly refund such amount, from non-CITY funds, to CITY. CONTRACTOR authorizes CITY to deduct such amount or charge as a claim against future payment. If such audit is performed by CITY and said audit disapproves any expense or charge by CONTRACTOR, all documents supporting such disapproval shall be provided to CONTRACTOR. CONTRACTOR shall have fifteen (15) days from the receipt of the documents to dispute such disallowance or disapproval. After receiving any dispute by CONTRACTOR to the disapproval or disallowance the City Manager has sole absolute discretion to deduct such claim from future Contract awards.

IV. AUDIT CONDITIONS AND REQUIREMENTS

4.1 CITY, a governmental entity, unlike a business for profit, is interested in determining if the agencies supported with CITY Contract funds accomplished or achieved the objectives as stipulated in their Contracts. Notwithstanding any other provision herein, all CITY funded projects and programs are subject to periodic audits at any time by CITY auditors as set forth in section 2.3 above.

4.2. CONTRACTOR acknowledges that if CONTRACTOR receives funds in excess of Twenty-five Thousand and No/ 100 Dollars (\$25,000.00) annually from CITY, CONTRACTOR is required to furnish CITY Finance Director or Director of the assigned "Responsible Department," a certified audit, at CONTRACTOR's expense, within ninety (90) days of the close of the accounting period or termination of the Contract.

The audit must include, at a minimum, the following:

- (A) Copy of Management Letter;
- (B) Financial/Compliance Data: Receipts and disbursement of CITY funds budgeted by cost category;
- (C) All Federal and State Grant funds must be audited in accordance with specific grant audit guidelines.

Audits must show whether any unused funds, rebates or credits collected by CONTRACTOR, were returned to CITY within sixty (60) days after close of the accounting period or termination of Contract.

4.3 CONTRACTOR understands and agrees to abide by and adhere to applicable federal, state, and CITY provisions.

V. INDEMNIFICATION

5.1 CONTRACTOR covenants and agrees to FULLY INDEMNIFY and HOLD HARMLESS, the CITY and the elected officials, employees, officers, directors and representatives of the CITY, individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal injury or death and property damage, made upon the CITY, directly or indirectly arising out of, resulting from or related to CONTRACTOR's activities under this CONTRACT, including any acts or omissions of CONTRACTOR, any agent, officer, director, representative, employee, contractor or subcontractor of CONTRACTOR, and their respective officers, agents, employees, directors and representatives while in the exercise or performance of the rights or duties under this CONTRACT, all without, however, waiving any governmental immunity available to the CITY

under Texas law and without waiving any defenses of the parties under Texas law. The provisions of this INDEMNIFICATION are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. CONTRACTOR shall promptly advise the CITY in writing of any claim or demand against the CITY or CONTRACTOR known to CONTRACTOR related to or arising out of CONTRACTOR's activities under this CONTRACT and shall see to the investigation and defense of such claim or demand at CONTRACTOR's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving CONTRACTOR of any of its obligations under this paragraph.

5.2 It is expressly understood and agreed that CONTRACTOR is and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions and that CITY shall in no way be responsible, therefore.

VI. SPECIAL PROVISIONS

6.1 Under no circumstances will the funds received under this CONTRACT be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the CITY or any other public entity.

6.2 During the term of this CONTRACT, if CONTRACTOR files and/or pursues an adversarial proceeding against the CITY then, at the CITY's option, this CONTRACT and all access to the funding provided for hereunder may terminate if CONTRACTOR is in violation of Paragraph 6.1 herein.

6.3 CONTRACTOR, at the CITY's option, could be ineligible for consideration to receive any future funding while any adversarial proceedings against the CITY remains unresolved.

6.4 For purposes of this Article, "adversarial proceedings" include any cause of action filed by CONTRACTOR in any state or federal court, as well as any state or federal administrative hearing, but does not include Alternative Dispute Resolution proceedings.

6.5 Texas Government Code §2271.002 provides that a governmental entity may not enter into a contract with a value of \$100,000.00 or more with a company for goods or services, unless the contract contains a written verification from the company that it:

- (A) does not boycott Israel; and
- (B) will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations with 10 or more full time employees that exists to make a profit. "Company" does not include a sole proprietorship.

6.6 By submitting an offer to, or executing contract documents with, the City of San Antonio, CONSULTANT, if it meets the definition of "Company," hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the Agreement. CITY hereby relies on CONSULTANT's verification. If found to be false, CITY may terminate this Agreement for material breach.

6.7 Director of Neighborhood Housing and Services Department, or her designee, shall be notified about the upcoming meeting and provide supporting documentation pertaining to each agenda item as may be reasonably requested by CITY.

6.8 CONTRACTOR shall provide reports or project information pertaining to San Antonio Housing Trust, CONTRACTOR, San Antonio Finance Corporation or San Antonio Housing Trust Public Facilities Corporation upon a reasonable request by CITY on an as-needed basis.

VII. EQUAL OPPORTUNITY-NON-DISCRIMINATION CLAUSE

7.1 CITY's Affirmative Action Plan requires all CITY contractors having contracts of Ten Thousand and No/ 100 Dollars (\$10,000.00) or more, excluding certain vendors, to comply with the Non-discrimination Clause as follows:

- (A) CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, national origin, religion, sex, age, disability, or political affiliation. CONTRACTOR will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, national origin, religion, sex, age, disability, or political belief or affiliation. Such action must include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoffs or terminations, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- (B) CONTRACTOR agrees to post in a conspicuous place available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this Non-discrimination Clause. CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive fair consideration for employment without regard to race, color, national origin, religion, sex, age disability, or political belief or affiliation. CONTRACTOR will notify each labor union or representative of workers, with which it may have a collective bargaining agreement or other contract understanding, the CONTRACTOR is bound by the terms of this CONTRACT and this Non- discrimination Clause.
- (C) CONTRACTOR agrees to affirmatively abide by and cooperate in the implementation of the policies and practices set forth in this Non-discrimination Clause, and any additional policies as may be required as a result of local, state or federal initiatives. CONTRACTOR will furnish all information and reports requested by CITY and will permit access to all books, records, and accounts for purpose of review and investigation to ascertain compliance with such rules and regulations.
- (D) In the event of CONTRACTOR's failure or refusal to comply with this Non- discrimination Clause, this CONTRACT may be canceled, terminated, or suspended in whole or in part, and CONTRACTOR may be debarred from further contracts with CITY.
- (E) Contractors, excluding certain vendors, doing business with CITY, must submit an Affirmative Action Plan to the Equal Employment Opportunity Office. The Format of the Affirmative Action Plan will be designated by the EEO Office that is required to evaluate the plan and provide technical assistance.
- (F) CONTRACTOR agrees to implement its Affirmative Action Plan as approved by the Office of Equal Employment Opportunity, which will monitor and evaluate compliance with this section.
- (G) If CONTRACTOR does not adopt an Affirmative Action Plan that meets the requirements of this section, CONTRACTOR shall comply with CITY's policies to the same extent as if

CITY's policies had been adopted by CONTRACTOR.

7.2 At the end of sixty (60) days from the date of execution of this CONTRACT, the failure of CONTRACTOR to have an Affirmative Action Plan on file with the Office of Equal Employment Opportunity, approved by CITY's certifying officer, may constitute grounds for immediate cancellation, termination, or suspension, in whole or in part of this CONTRACT. Such action may also result in CONTRACTOR being debarred from further contracts with CITY.

VIII. RIGHTS TO PROPOSAL AND CONTRACTUAL MATERIAL

8.1 All reports, documents, studies, charts, schedules or other appended documentation to any proposal or contract, and any responses, inquiries, correspondence, and related material submitted by CONTRACTOR, shall, upon receipt, become the property of CITY.

IX. CHANGES AND AMENDMENTS
