

Review of Head Start Program Monitoring

City of San Antonio Head Start Program Monitoring Report – November 2022

The City of San Antonio Head Start Program has developed a comprehensive and thorough approach to monitoring our programs for non-compliances and areas of concern. Once identified, a timeline is developed, training and technical assistance is given, and corrective action plans are implemented to correct systemic issues so that areas of weaknesses are strengthened. Follow-up monitoring events are conducted to ensure that the program has been successful in implementing corrections.

The following is a summary of findings during the time period indicated above:

Monitoring Projects Conducted (*Project is either still in progress OR has ended, but report has not yet been officially submitted to providers*):

Education Review

HR Review

Safe Environments Review #1 (50%)

Monitoring Projects Completed (*Project ended and report was officially submitted to providers*):
