RE: Edwards Aquifer Authority Representative for the City of San Antonio's Conservation  
Advisory Board

Dear Mr. Covington:

The purpose of this letter is to notify the City of San Antonio (City) that the Edwards Aquifer Authority (EAA) hereby appoints Mr. Thomas Marsalia as its representative to the City's Conservation Advisory Board (CAB). As the EAA's Aquifer Sustainability Manager, Mr. Marsalia is very knowledgeable about the City's Edwards Aquifer Protection Program and brings with him a deep understanding of the scientific and technical aspects of protecting property within the Edwards watershed.

Mr. Marsalia will be replacing Mr. Brock Curry, who will be retiring from the EAA in January 2023 and who has served as EAA's CAB representative since April 2014.

Sincerely,

A handwritten signature in black ink, appearing to read "Roland Ruiz", written in a cursive style.

Roland Ruiz  
General Manager
