RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on approval criteria below.

1. **Consistency:** The subject property is located within the Downtown Neighborhood Plan and is currently designated as “Residential” in the future land use component of the plan. The requested “RM-4 CD” base zoning district is consistent with the future land use designation.
2. **Adverse Impacts on Neighboring Lands:** Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request as the request maintains the base “RM-4” Residential Mixed District zoning designation.
3. **Suitability as Presently Zoned:** The existing “RM-4” Residential Mixed District is an appropriate zoning for the property and surrounding area. The proposed “RM-4 CD” Residential Mixed District with a Conditional Use for a Performing Arts Studio and an appropriate zoning for the property and surrounding area. There is an existing catering business within close proximity of the subject property also zoned with a Conditional Use for a business in a residential neighborhood.
4. **Health, Safety and Welfare:** Staff has not found indication of likely adverse effects on the public health, safety, or welfare.
5. **Public Policy:** The request does not appear to conflict with any public policy objectives of the Downtown Neighborhood Plan.
 - Goal: Geographically balance businesses, entertainment, community facilities, arts, culture and residential projects to enhance downtown’s urban character. Create design standards and a model downtown neighborhood.
6. **Size of Tract:** The 0.0993-acre site is of sufficient size to accommodate the proposed Performing Arts Studio.
7. **Other Factors:** This property is designated a local historic landmark (HS). Any proposed exterior alterations and new construction associated with the proposal will require approval from the Office of Historic Preservation. Approval of a site plan or renderings submitted as part of a zoning application does not supersede any requirements for design review outlined in Article VI of the Unified Development Code. To date, no application has been made to the Office of Historic Preservation for this project.

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The applicant is rezoning to develop a Performing Arts Studio.

The following conditions shall apply to the operation of nonresidential uses permitted within any residential district, unless otherwise approved by the City Council:

- A. There shall be no exterior display or sign with the exception that a nameplate, not exceeding three (3) square feet in area, may be permitted when attached to the front of the main structure.
- B. No construction features shall be permitted which would place the structure out of character with the surrounding residential neighborhood.
- C. Business hours operation shall not be permitted before 7:00 a.m. or after 6:00 p.m.
